

INFLUENZA AND HEART ATTACK TAKES YOUTH

Stricken with influenza and a heart attack, death at 11 o'clock this forenoon summoned William Edward Lewis, an employee of the Jackson County bank, and one of Medford's well known young men. He was at work yesterday, but last evening complained of feeling bad, and this morning called the bank to tell that he could not come to work.

He was a member of the Medford DeMolay chapter, was graduated three years ago from the Medford high school and for two and one-half years he was employed at the bank.

He was 29 years, nine months and 23 days of age at the time of his death and was born January 25, 1898, in Bellingham, Wash., arriving in Medford at the age of six years. He received his education in the local schools and had a large host of friends.

He is survived by his mother, Mrs. Cora Lewis of Medford, a sister, Mrs. E. L. Hawkins of Bellingham, two brothers, C. B. Lewis of Sumas, Wash., and D. H. Lewis of Pistol River, Calif., and an uncle, Will Lewis of Bellingham. The funeral will be announced later by the Perl Funeral Home.

Local Banks Make Appropriate Display Home Products

Among the very appropriate window displays for "Made at Home Week" is that of the Farmers & Fruitgrowers bank.

A huge paper turkey, typical of the season, forms the background and in front of the festive bird are a number of the products of home factories nicely arranged.

One of the best ways to increase business in the city, and bank deposits and business is to patronize home industries. This bank follows this rule in purchasing its supplies.

REV. SUMNER TO DELIVER ADDRESS ELKS' MEMORIAL

Local Elksdom will be interested to hear that the Right Rev. Walter T. Sumner, D. D., bishop of Oregon in the Episcopal church has been secured to deliver the address at the Elks' memorial on Sunday, December 2. This will take place at the local temple at 2:30.

The committee in charge of getting the speaker for the occasion were more than happy over their luck in obtaining Bishop Sumner, who fortunately was scheduled to conduct confirmation in both Ashland and Medford on the day of Elks' memorial, making it possible for him to make the address there.

COLEMAN REPORTED AS IMPROVED TODAY

The condition of Ural G. Coleman, who is a patient at the Community hospital, suffering with a severe cold or flu attack, and from appendicitis was reported as improved today, and if it continues to improve an operation may not be necessary, but this will not be definitely known until he has recovered from the severe cold illness feature.

Mr. Coleman, who with Stanley Shewwood and others drove to The Dalles and back to witness the football game last Monday, caught a bad cold on the trip, which steadily grew worse at his home until yesterday noon when he was removed to the hospital. During his illness, Mrs. Coleman is in charge of the DeVue confectionery store.

CAROLD PARKER BUYS GUM MACHINE RIGHTS

Rights to the agency of the new manikin gum machine for Medford have been purchased by Carold Parker, local man. The machine was invented in Portland recently, and is operated by a tiny manikin chef, which, when a penny is dropped into the slot, turns around back of his counter, scoops some gum into a miniature kitchen utensil and drops it down a shoot to the customer.

CALIFORNIANS WAIT WHISTLE IN BIG GAME

Coast Conference Share Is Objective—Warner Wall Unpierced This Season—Trojans Interested—Grizzlies Play Oregon.

BERKELEY, Cal., Nov. 24.—(AP)—A University of California eleven fighting for the chance of sharing the title of Pacific Coast conference football champion, was ready today for the referee's whistle that was to send it against Stanford University's Cardinals in the annual big game in the memorial stadium here before a sell-out crowd of 89,000.

With a scoreless tie against Southern California the only blot on their collegiate record, the Bears, by a victory today, could make a claim to be for the championship with the Trojans, also undefeated, who close their conference season today against a weak Idaho eleven.

Against the powerful running attack of Coach Watson's men, California will pit a forward wall that has allowed no college opponent to cross its goal line this season, and an ever-present threat in the person of Henry Lew, versatile halfback, who runs, kicks and passes in sensational fashion. The cards pin their hopes on the intricate face, double and triple reverses as run from the now famous "Z" formation and an overhead game with Captain Bill Hoffman to sling the passes, to pierce the hitherto impregnable Bear defense.

KRUSE AND TURK MAT BATTLE HAS WHIRLWIND FINISH

A whirlwind finish, giving victory to Hassan Muhammed, marked the wrestling match last night between the Terrible Turk and Bob Kruse of Portland at the Armory before a good sized crowd. Each wrestler had taken a fall and the third fall came in six minutes when Kruse was pinned on the mat. Kruse claimed that a few seconds before he had the Turk in a similar position, but due to the fact that the referee, Fred Morgenson, was rendered momentarily groggy due to a kick in the jaw, the fall was not allowed.

FOOTBALL ELEVEN MOSTLY ENGAGED IN RECUPERATION

The Medford high school football team rested today, and doctor's orders. They will put in strenuous practice Monday and Tuesday, and leave Wednesday morning for Portland, where they can get a good night's rest before the championship tilt with Benson high Thanksgiving Day. The entire squad of 25 men, which includes the second and third strings, will make the trip, as a reward for faithful practice this season.

The Southern Pacific has announced a special rate of \$10 for the round trip to Portland, which means probably that a large delegation of Rogue River valley folks will invade the metropolis. All planning on making the trip are requested to give their names to rail officials so ample space can be provided.

The football interest of the valley today centered in the game at Ashland, between the Monmouth and Southern Oregon Normal teams, many from this city attending.

SHARKEY SIGNED FOR THREE BOUTS PRESENT SEASON

NEW YORK, Nov. 24.—(AP)—Jack Sharkey has signed for three fights under the promotion of Tex Rickard during the winter season.

The Boston heavyweight's opponents have not yet been selected, but Rickard said he would choose them from among Tom Heeney, Johnny Riske, Paulino Lucidini, Knute Hansen and Young Stripling. Rickard plans to stage the Sharkey battles a month apart, starting in January.

AGED MINER DIES IN LONELY CABIN

Dying apparently from heart failure, the body of H. V. Schnapp, a miner of 79 years, was found at 5 o'clock last evening in his Sykes creek cabin by a neighbor, P. A. Koeppe. The body was brought to Medford last evening and is being held at the Conger Funeral Parlor for funeral arrangements.

AUTOMOBILE SKID CAUSE OF INJURY ASHLAND NURSE

ASHLAND, Ore., Nov. 24.—(Special)—Miss Jean Aitchison, a nurse at Portland by automobile, suffered various minor injuries when her car skidded off the highway into a rut. Miss Aitchison was accompanied north by another nurse and the two intended purchasing supplies for the new Josephine county hospital at Grants Pass where Miss Aitchison will assume the management of the first of the year. Miss Aitchison sustained severe bruising which will keep her confined to her home for several days. The highway was very slippery at the point where the accident occurred. The car, a Buick coupe, was considerably damaged.

Ashland has not heard so much noise and thrills with such Christmas for many years as was heard on Friday when the populace turned out in the evening en masse to boost for the Ashland Monmouth game, which will be played on the high school athletic grounds this afternoon. The long procession formed at the Normal school and proceeded through the Main street to Helman street, where a detour was made to bring the line back to Main street again, headed through town for the second time and went as far as the junior high school, where a huge bonfire lighted the east end of town.

The noise machines and the shouting died long enough for the several pep talks which were given by President Churchill, Irving E. Vining, Coach McNeal and Bert Miller. Several members of the Southern Oregon Normal school football team also made snappy speeches. The town is in fine trim for the big game, and lovers of the sport are promised a splendid contest.

William Solikirk, Jr., golf instructor, is in Grants Pass for a few days to give instructions to several golf enthusiasts.

A charming tea was a social event at the Southern Oregon Normal school Friday afternoon. It was given by the women's honorary organization, Sigma Epsilon Phi. The auditorium was candle lighted for the affair and the tea table was particularly attractive with fine appointments of linen and silver and a note of color in the beautiful floral center piece. Miss Helen Anderson, dean of women, and Miss Virginia Hales poured during the reception hour. An informal program of music was a charming feature of the entertainment. Miss Evelyn Wold played pleasing piano numbers, Miss Lillian Olson contributed vocal numbers and Miss Ellen Galey played a group of selections on the violin.

IN THE WORLD OF SPORTS

merically small Moscow squad, expecting to take the Vandals "in stride", while approaching the inter-sectional struggle with Notre Dame here next Saturday.

RUGENE, Ore., Nov. 24.—(AP)—With injuries to the regulars commanding the appearance of understudy in the lineup, the University of Oregon football team undertook today to defeat a stalwart squad from Montana University. Fear at defeat at the hands of the Grizzlies was not foreign to Oregon thoughts. But this fear, when it did inject itself into the reckoning, made Oregon doubly determined to present its best brand of football for the annual homecoming game on Hayward field here, today.

Hassan and Kruse were evenly matched and provided one of the best wrestling bouts seen in Medford for some time. The Turk took the first fall in 17 minutes with a Frank Gotch toe hold and the second fall went to Kruse in 14 minutes with an arm scissors. The bout was lively and both wrestlers were in tight positions in many stages of the match.

In a special event, wrestling fans saw their old favorite, Sailor Jack Wood, in a bout with Fred Mortenson of Grants Pass. The men wrestled for 10 minutes and went after each other in a determined fashion. Although he has not appeared in a local ring for some time, Sailor Jack seemed to be as good as he ever was and perhaps better, with the exception that he has taken on a little weight since his last appearance.

NEW PLAYHOUSE FRANK'S COMEDIANS

Clay figures and objects modeled and moulded out of clay made a very interesting display. The school work of the children was grouped in attractive units and called attention to the class of work they are doing.

The forestry department, with its growth of standing evergreens and its warnings against fire, drew attention. The children had made an interesting collection of grains and when they made an appeal to D. M. Lowe for a little reinforcement in that department, he came over and personally supervised the placing of a large number of fine grain specimens taken from the splendid sweetstake display that Jackson county made at the Pacific International.

The fine courtesy of Mr. Lowe must certainly bear fruit in the interest, which he has helped arouse in the minds of these boys and girls in the various lines of agricultural endeavor. A home-made "movie show" called "The Farm" was one of the drawing cards and held the interest of all those who happened along at the time of its showing.

Give Home Industries a Chance

ALWAYS ASK FOR MEDFORD AND SOUTHERN OREGON MADE PRODUCTS AND HELP INCREASE PAYROLLS!

BUYING at home builds PAYROLLS and substantial payrolls spell PROSPERITY. A community's prosperity is measured by the success of her industries. Factories and business enterprises offer employment and any city or country with may employed people is a prosperous one.

Medford and Rogue River Valley industries, however, are not asking for favors. From the standpoint of QUALITY, SERVICE and PRICE they merit the patronage of people here. The success of each one of Medford's varied industries will be reflected in Medford's prosperity—Get the BUY-AT-HOME habit and always specify HOME PRODUCTS.

Here Are Home Products That Merit YOUR Patronage
