

KINCAID IMPROVES GOLD HILL DANCE HALL AND GROUND

GOLD HILL, Ore., Nov. 26.—(Special.)—L. Kincaid, owner of the Gold Hill dance pavilion, is having Lawrence Whitsett and W. W. Little of this city, put gravel in front of and around the side of the dance hall as well as upon the road, which leads to the hall from the highway. The road and ground near the hall has become muddy since the recent rains, as well as so much dirt being taken off the hall. The grounds near the hall are being cleaned off so as to make more parking space for those who attend the dance.

These dances are lately drawing large crowds. A great number of the people from this city attend them, as well as a large number from Grants Pass and Medford. Mr. Kincaid has been the owner of the pavilion now for a few months, having recently purchased the hall from M. D. Bowers of this city.

Virgil Edington is carrying the mail upon the rural route to Rogue River and up to the above named place. Mr. Edington left for Grants Pass last Monday, where he will receive radiogram treatment. The Star route thru the Sams Valley district, which was formerly carried by Mr. Edington, is being taken care of by Frank Childers. Mr. Childers formerly carried the mail on that route, while the regular carrier was in the vacation.

W. E. Thompson, who has been slightly ill for the past several days, is able to be out again and resume his work upon his farm. Mr. Gould, who recently returned from the Vernon service, is in this city from Grants Pass, where he has taken immediate possession of the station. It has been open for business for the past few days.

Mr. and Mrs. Vaughn Quakenbush were visitors to the city of Medford on Wednesday evening of this week.

B. E. Whitsett and Mr. Ebbs of Portland arrived in Gold Hill the first part of this week. They will visit at the home of Mr. and Mrs. Lawrence Whitsett of this city for several days. Both are of the Portland police force, Mr. Ebbs being a sergeant. They have both wanted to come to Medford to this valley and take up a road and line in quest of the wily fish in Rogue River. While they are visiting in this city they intend to make every possible effort to catch a steelhead or so from the river. The fishing season closes on the 26th of this month and at present this sport seems to be very good. Mr. Ebbs states that he has heard much about the noted Rogue River and has always wanted to test his fishing skill in this river and this yearning has resulted in his trip from Portland. After a stay here of several days, they will both return to Roseburg for a visit there of a day or so and then continue their trip to Portland. We certainly hope they have better luck than President-elect Hoover did.

Charles Centers, who recently moved to Gold Hill from Rock Point has now moved to Medford. He completed the task of moving household furnishings the fore part of this week from this city to Medford.
