Of general interest to the local motoring public is the fact that Herbert Moore, who was released recently from temporary duty with the state traffic department, after having worked out of Medford for several months, will be given a position of probable permanence. He is to be stationed at Grants Pass and will patrol the Pacific and Redwood highways out of that city.

Mr. Moore made many friends while here and was regarded as that type of officer who has played an important part in keeping up the high standard that the state traffic department holds in courteous and accommodating treatment of the motoring public.
