

### COPCO PICTURES SHOWN AT FORUM FOR SQUAD, FANS

Guests at the best attended Copco forum luncheon on record, members of the champion Medford high school football squad this noon at the Hotel Medford saw themselves as others see them in viewing moving pictures, taken and projected by H. L. Bromley, of the Benson-Medford game in Portland on Thanksgiving Day. The pictures, preceded by short impromptu speeches by John C. Maan, Prince Callison and Harlan Rosworth, Jr., faithfully reproduced the game as it was played before the largest high school football crowd in the history of the state.

In speaking of Medford's champions, Mr. Rosworth, today's chairman of the luncheon and he himself, an ex-football player, having been a quarterback on the Cornell university team, included four features of a good football team, including the coach, material, speed and substitutes. He gave the position of coach the most important, as on him rests the responsibility of teaching football knowledge and teaching them to play the game square, leaving with them impressions to endure the remainder of their lives.

John C. Mann, president of the Medford chamber of commerce, in a few well chosen words told of his admiration for the champions and led the luncheon crowd in three Canadian cheers for football heroes, who were each introduced by name by their coach, Prince Callison. The players also gave three cheers for the Copco organization.

In addition to showing 400 feet of film taken at Portland, Mr. Bromley ran through a short reel taken at the Medford-Corvallis game, ending in a score of 50 to 7 in favor of the locals.

### TURK PREPARING FOR TOUGH BOUT MONDAY

"I no take chances with Kruse. He is bad man," said Hassan Muhammed, the Terrible Turk, this forenoon in speaking of his match next Monday night at the armory with Bob Kruse of Portland in a return bout, following Kruse's defeat here two weeks ago. Muhammed is figuring that Kruse may use rough tactics and has been going through special workouts the past several nights to come up to any of the tricks the Portland man may choose.

Tommy Ryan is also preparing for his bout with Cecil Barrick of Grants Pass in the thought that Barrick may be one of the toughest men he has ever wrestled. Both men are fast and each is determined to win.

### FIDDLES ARE TUNED FOR DANCE CONTEST

Fiddles throuth the valley are tuning up in great shape for the "Old Time Fiddlers Contest" which will be held at Walker's dance hall December 17 and 18, according to Gene Stowell, Charles Skotera and Ray Muckey, patrons of the Tuesday night old fashioned dances. The contest will be held on both nights during the fore part of the evening, and will give way to square dances in which dance lovers of all ages will join and have a jollicking good time. The prizes are to be awarded for the winning fiddlers, after the dance Tuesday night.

Judges for the contest will be announced later.

**Notice.**  
School District No. 22, Josephine County, Oregon, desires bids on drilling a 3-inch or 6-in well, 100 feet or deeper. Driller to drive casing as deep as necessary. Address D. E. Heller, Clerk, Hugo, Oregon. 2614

### Cold Can't Cause Them to Disappoint!

Singers can't always keep from catching cold, but they can get the best of any cold in a few hours—and so can you. Get the compound that comes in pleasant-tasting tablets, one of which will break up a cold so quickly you'll be astonished. Pape's Cold Compound is what they call it, and any druggist you visit will have it—for thirty-five cents! A cold that has settled on the lungs is conquered the same way; it takes a little longer. Pape's way is better than "doping," so remember the name.

### KMED GIVEN NEW WAVE LENGTH BY FEDERAL BOARD

Medford has been given another wave length. On account of interference due to the proximity of six or seven other stations, the federal radio commission has granted KMED, the Mail-Tribune-Virgin station, a wave length of 228 meters, or 1310 kilocycles, to replace the 1420 kilocycle length the local station has used since the reallocation went into effect November 11.

With the 1310 wave length there is practically no interference with exception of one station at Oakland, Cal., which will cause only a slight wail now and then, according to Floyd Rush, local station mechanic.

Listeners, tuning in tonight for the Mail Tribune news and market reports, will find KMED about 10 points higher on the dial. Later they will be pleased to find that the new wave length is still better for distance, on account of the lack of interference, than either of the two had her previously.

### INFORMAL DANCE AT HIGH SCHOOL

An informal student body dance will be held at the local high school Friday evening at 9 o'clock, in honor of the championship football squad. All boys must have student body tickets, and all interested townspeople and parents of the students are cordially invited to attend.

The committees acting for the dance are: Decoration: Alberta Knips, Mildred Lawrence, Elinora Hulander, Frances Barr, Marjorie Fliske, Marguerite McAllister, Melva Parrett, Gene Whitlock and Ruby Hamlin. Refreshments: Jessie Gibbons, Wilma Ranney, Robert Stearns, Josephine Anderson, Doris Bundy. The music will be furnished by an orchestra from Ashland.

### BUDGET HEARING TOMORROW AT 10

The annual public hearing on the county budget for the year, will be held at the court house tomorrow morning beginning at 10 o'clock.

Up to noon today, no notice of protests had been filed with the committee. The procedure of the hearing will be for the chairman of the budget committee to read a section for the committee to approve. Upon the final approval of the budget, it will be given to the county assessor for extension upon the tax rolls, and fixing of the tax levy for the year.

### SUMMIT RANCH SOLD BY HOWARD

Another large sale of rural property in the Jackson county territory became known today when it was announced that Chas. B. Howard, the well known Medford-Klamath stage line operator, had sold the Summit ranch and service station on the Green Spring mountain road 1 1/2 miles from Ashland, to M. L. Lovitt, who took possession yesterday.

### DEVASTATION IN SMYRNA FLOODS

PERIA, Turkey, Dec. 6.—(AP)—Widespread devastation with a loss of life that had not yet been estimated today, has been caused in Smyrna by floods which followed torrential rains.

The lower part of the city, sometimes called the "unfortunate city of Asia Minor," was reported to be submerged to a depth of five feet. Many houses collapsed and others washed away, the inhabitants being forced to take refuge on roofs and in trees.

A number of people also were homeless in the low lying lands of Smyrna Vilayet, which also was flooded with much damage.

### Parted In Shipwreck

Late photograph of Mr. and Mrs. Alfred C. B. Fletcher of San Francisco, who were passengers on the Vestria. Mrs. Fletcher was rescued, but early reports included him in the list of missing.

### EMERGENCY FIELD USED BY PLANES BECAUSE OF FOG

Because of the dense fog in the valley the air mail planes today again landed at the Barron ranch emergency landing field eight or ten miles south of Ashland, due to inability to land at the Medford airport. The northbound plane from San Francisco was a little late, but the south bound plane from Portland arrived practically on schedule time, 9 a. m. The pilots of the planes report that they had little difficulty in flying through the valley beyond that of locating the local airport.

The method of getting the air mail to the Medford postoffice when the planes land at the Barron emergency field is that it is quickly loaded onto the Pacific Air Transport motor truck and hurried to the Medford airport, where it is turned over to the air mail messenger of the local postoffice, who rushes it to the postoffice.

**To Open Bids**  
SALEM, Ore., Dec. 6.—(AP)—Highway construction bids in seven counties and bridge bids in two counties will be opened by the state highway commission at its meeting in Portland, Wednesday, December 12. None of the work is located in Jackson county.

**Troubled no longer by spells of dizziness**  
Bothered with stomach and back all his life, this man was subject to such spells of dizziness that he could hardly stand up. "I haven't had a dizzy spell since I began taking Agmel," he writes. Letters from people benefited by Agmel are received daily. One says: "A siege of influenza left me so weak I could scarcely get around. Then I started to take Agmel. I now feel so well I can't seem to realize my good fortune."

What is Agmel? A great natural health food. The sap or milk of the Mexican Maguey plant concentrated by removing excess water. Nothing added. Extraordinarily rich in important minerals and other vital elements necessary for the proper adjustment and functioning of the body. A vital tonic. Not a medicine. Non-alcoholic. Thousands praise Agmel. If you have any of the following symptoms, investigate Agmel today: headaches, backaches, gynecaria, and frequent nervousness to get up at night, etc. Ask your druggist about Agmel. Or write direct to The Agmel Corporation, 250 Park Avenue, New York, N. Y.

### CRESCENT COMMITTEES WILL HAVE CHARGE OF JOINT MEET TONIGHT

A subject of interest to every southern Oregon resident will be discussed this evening at the Hotel Medford, where representatives of Del Norte, Josephine, Jackson and Klamath counties will gather to discuss the construction of the Crescent City, Calif., harbor, regarded as a sea outlet for the large inland empire of southern Oregon.

The program will entirely be in charge of Crescent City committees, is open to the general public and will begin at 6:30 with a big banquet. Assurances have been received that good sided delegations will be present from Josephine and Klamath counties.

### NOVELTY DANCE AT HOT SPRINGS

The novelty of seeing a football game played on a dance floor will be the feature of next Saturday's regular dance at the Jackson Hot Springs pavilion according to an announcement made today. The details of the game were not announced, but it is expected to be one of the most novel stunts ever attempted on a dance floor.

The pavilion is proving to be one of southern Oregon's dance attractions and a large crowd of dancers is expected to be present there Saturday night.
