ORDINANCE NO. 2382

An Ordinance declaring the assessment of the property benefited for the cost of grading and graveling of Welch Street between West Jackson Street and the S. P. R. R. Co. Right of Way; and directing the recorder to enter a statement thereof in the Docket of City Liens and directing the Recorder to publish a notice thereof as required by the Charter.

The City of Medford Doth Ordain as Follows:

Section 1. Whereas the City Council did heretofore by resolution declare its intention to grade and gravel Welch Street, between West Jackson and the S. P. R. R. Co. Right of Way; and to assess the cost thereof on the property fronting on said portions of said street in proportion to the frontage of said property and the benefits thereto and did fix the time and place for hearing protests against the grading and graveling on said street and the assessment of the cost thereof as aforesaid.

And Whereas said resolution was duly posted and published as required by Section 79 of the Charter of said City.

And Whereas a meeting of the council was held at the time and place fixed in said resolution for the purpose of considering any such protests, but no protests were at such time, or at any time made to or received by the council to the grading and graveling on Welch Street or the assessing of the cost thereof as aforesaid, and said council has considered the matter and deeming that said grading and graveling was and is of material benefit to said city and that all the property to be assessed therefor will be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said grading and graveling done.

And Whereas the cost of said grading and graveling has been and hereby is determined to be the sum of $1,348.91.

Now Therefore, it is hereby further determined that the proportionate share of the cost of grading and graveling of each parcel of property fronting on said portions of said street is the amount set opposite the description of each piece or parcel of land below and that each piece or parcel of land is benefited by the grading and graveling to the full extent of the amount so set opposite such piece or parcel and that the respective amounts represent the proportional benefits of said grading and graveling to said respective parcels of property and also the proportional frontage thereof on said portions of said street and the council does hereby declare each of the parcels of property described below, and each of the same is hereby assessed the amount set opposite each respective description for the cost of grading and graveling.

ORDINANCE NO. 2381

An Ordinance declaring the assessment of the property benefited for the cost of grading and graveling of West 12th Street between Peach Street and Newtown Street; and directing the recorder to enter a statement thereof in the Docket of City Liens and directing the Recorder to publish a notice thereof as required by the Charter.

The City of Medford Doth Ordain as Follows:

Section 1. Whereas the City Council did heretofore by resolution declare its intention to grade and gravel West 12th Street between Peach Street and Newtown Street; and to assess the cost thereof on the property fronting on said portions of said street in proportion to the frontage of said property and the benefits thereto and did fix the time and place for hearing protests against the grading and graveling on said street and the assessment of the cost thereof as aforesaid.

And whereas said resolution was duly posted and published as required by Section 79 of the Charter of said City.

And Whereas a meeting of the council was held at the time and place fixed in said resolution for the purpose of considering any such protests, but no protests were at such time or at any time made to or received by the council to the grading and graveling on West 12th Street or the assessing of the cost thereof as aforesaid, and said council has considered the matter and deeming that said grading and graveling was and is of material benefit to said city and that all the property to be assessed therefor will be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property, did order said grading and graveling done.

And Whereas the cost of said grading and graveling has been and hereby is determined to be the sum of $1,632.48.

Now Therefore, it is hereby further determined that the proportionate share of the cost of grading and graveling of each parcel of property fronting on said portions of said street is the amount set opposite the description of each piece or parcel of land below and that each piece or parcel of land is benefited by the grading and graveling to the full extent of the amount so set opposite such piece or parcel and that the respective amounts represent the proportional benefits of said grading and graveling to said respective parcels of property and also the proportional frontage thereof on said portions of said street and the council does hereby declare each of the parcels of property described below, and each of the same is hereby assessed the amount set opposite each respective description for the cost of grading and graveling.

NOTICE

To the owner, or reputed owner, of each parcel of property described in the foregoing Ordinance, as named therein and in the Lien described by said Ordinance as recorded in the Docket of City Liens:

You are hereby notified that the assessment declared by the foregoing Ordinance has been made and the Lien therefore entered in the City Lien Docket, and that the same is due and you are hereby required to pay the same to the City Treasurer within ten days from the service of this notice, which service is made by publication of the foregoing Ordinance and this notice one time in the Medford Mail Tribune pursuant to an order of the City Council of said City.

(SIGNED) M. L. ALFORD,
City Recorder.

ORDINANCE NO. 2376

An Ordinance declaring the assessment of the property benefited for the cost of grading and graveling of Haven Street between Grape Street and Columbus Avenue; and directing the recorder to enter a statement thereof in the Docket of City Liens and to publish a notice thereof as required by the Charter.

The City of Medford Doth Ordain as Follows:

Section 1. Whereas the City Council did heretofore by resolution declare its intention to grade and gravel Haven Street between Grape Street and Columbus Avenue; and to assess the cost thereof on the property fronting on said portions of said street in proportion to the frontage of said property and the benefits thereto and did fix the time and place for hearing protests against the grading and graveling on said street and the assessment of the cost thereof as aforesaid.

And Whereas said resolution was duly posted and published as required by Section 79 of the Charter of said City.

And Whereas a meeting of the council was held at the time and place fixed in said resolution for the purpose of considering any such protests, but no protests were at such time or at any time made to or received by the council to the grading and graveling on Haven Street, or the assessing of the cost thereof as aforesaid, and said council has considered the matter and deeming that said grading and graveling was and is of material benefit to said city and that all the property to be assessed therefor will be benefited thereby to the extent of the probable amount of the respective assessments to be levied against said property did order said grading and graveling done.

And Whereas the cost of said grading and graveling has been and hereby is determined to be the sum of $6,585.63.

Now Therefore, it is hereby further determined that the proportionate share of the cost of grading and graveling of each parcel of property fronting on said portions of said street is the amount set opposite the description of each piece or parcel of land below and that each piece or parcel of land is benefited by the grading and graveling to the full extent of the amount so set opposite such piece or parcel and that the respective amounts represent the proportional benefits of said grading and graveling to said respective parcels of property and also the proportional frontage thereof on said portions of said street and the council does hereby declare each of the parcels of property described below and each of the same is hereby assessed the amount set opposite each respective description for the cost of grading and graveling.
