SPAFFORD SENDS BEST WISHES TO MEDFORD LEGION

The many members of Medford Post No. 15 will be interested in the following letter recently received by H. L. Bromley, past commander, from Edward E. Spafford, past national commander of the American Legion. The picture of Crater Lake mentioned in the letter was presented to Commander Spafford by the local post at a banquet held here in his honor last spring.

"December 20, 1928
H. L. Bromley, Esq., Commander Medford Post No. 15, The American Legion, Medford Oregon.
My dear commander:

The year 1928 is drawing to a close and our festive holiday season is before us. We finished our Legion year some weeks ago and at this time of Christmas cheer I want to extend to you, all best wishes, great happiness and success in the future.

Will you not be good enough to extend these wishes to the Legionnaires who assisted you in accomplishing so much during the past Legion year. I shall never forget the cooperation which I received and I desire that you think me expressed to all.

Good luck, prosperity for you and all.
Cordially and fraternally yours,
Edward E. Spafford.
That handsome picture of Crater Lake is before me as I sign this but it is not necessary to bring memories of Medford.

It is a pleasure to local Legionnaires to note that Mr. Spafford thought so highly of the Crater Lake painting which they gave him to place it in a prominent position in his private office.

With plans of locating in Medford next year, Mr. and Mrs. E. A. Vallier are spending a short time here with friends.

Harold Brown, local Boy Scout worker and general agent of the National Insurance Co., returned last night from Canyon City where he spent the Christmas holidays with relatives.

The recent addition to the Tuscaloosa, Ala., municipal airport has been completely graded; grass seed has been sown so that the area should become available for use early next spring. Tuscaloosa is postponing the postoffice department for a stop on a regular air mail route.

Rogue River Valley—The Scenic paradise of the world.

STONE ORCHESTRA HERE THURSDAY

Warner Stone, nationally known orchestra leader, comes to Walker's dance pavilion, on Thursday, January 3, with his famous 12-piece orchestra.

After investigating the record of this well known orchestra, Manager Walker lost no time in signing them up for a special dance engagement as a real treat for his many dance friends.

Medford is one of the few cities in southern Oregon to be favored in the brief tour of this orchestra, and a record crowd is expected to greet them on the night of January 3.

Twelve accomplished musicians and entertainers make up the personnel of this organization, and over a score of instruments are used in the manufacture of their tuneful melodies.

Modern dance tempos are used with special arrangements of the late popular song hits as the theme.

The Warner Stone orchestra during the past seven years, has played on the stage of some of America's largest theatres, as well as in some of the leading dance pavilions of the country.

The band has two successful seasons as headliner over the Pantages circuit to its credit, and more recently played a month's engagement at the new famous Jantzen Beach resort, at Portland, Oregon.
