Wednesday Study Club
Have Enjoyable Meeting.
The Wednesday study club met on January 2nd at the library. Mrs. Lane of Crescent City was a guest of the club.

Mrs. Hodges made her initial appearance on the club program with an exceptionally fine paper on the "Golden Rule." She described the wide-reaching effects on the country at large and the west in particular of the discovery of gold first in California, then in Oregon and Nevada. She had delved into personal histories and had much of personal interest for her listeners.

Mrs. Grey, the president of the club, reviewed a book by "Constance Houder" entitled "Troupers" which is a history of Lotta Crabtree's life as a history of the theatrical developments in California. Mrs. Grey with her fine discrimination brought wonderful glimpses of early camps and cities and people of the west both on and off the stage. The entire book is vividly sketched and Lotta from her debut at eight laughed, danced and sang even when a theatrical necessitated 1000 miles by foot and horseback thru the west.

Mrs. Pickel closed the program with discussion of the World's Work. Her choice of heartlines who went skimming in the green and green houses to review was one that appealed to her hearers. The interesting accounts of budgets, inventories, the real values of historical furniture, salaries, amusements and privacy, gave many amusing viewpoints on the serious business of living in the White House.

The next meeting of the club will be on January 14th at the home of Mrs. Deuel when Guest day will be enjoyed.

Mrs. Carlin and Mrs. Myers will conduct the study periods.

Wenatchee Study Club
Have Enjoyable Meeting.
The Wednesday study club met on January 2nd at the library. Mrs. Lane of Crescent City was a guest of the club.

Mrs. Hodges made her initial appearance on the club program with an exceptionally fine paper on the "Golden Rule." She described the wide-reaching effects on the country at large and the west in particular of the discovery of gold first in California, then in Oregon and Nevada. She had delved into personal histories and had much of personal interest for her listeners.

Mrs. Grey, the president of the club, reviewed a book by "Constance Houder" entitled "Troupers" which is a history of Lotta Crabtree's life as a history of the theatrical developments in California. Mrs. Grey with her fine discrimination brought wonderful glimpses of early camps and cities and people of the west both on and off the stage. The entire book is vividly sketched and Lotta from her debut at eight laughed, danced and sang even when a theatrical necessitated 1000 miles by foot and horseback thru the west.

Mrs. Pickel closed the program with discussion of the World's Work. Her choice of heartlines who went skimming in the green and green houses to review was one that appealed to her hearers. The interesting accounts of budgets, inventories, the real values of historical furniture, salaries, amusements and privacy, gave many amusing viewpoints on the serious business of living in the White House.

The next meeting of the club will be on January 14th at the home of Mrs. Deuel when Guest day will be enjoyed.

Mrs. Carlin and Mrs. Myers will conduct the study periods.

The following were elected delegates to the department convention next June: Tallitha Pickel, Etta Krane, Bortha Timmerman, Esther Almeron; "Katharine" Peterson. Alternate delegates, Margaret Noble, Fidelity Woods, Della Neighbors, Nellie Witherill, Emma Wheldon.

Over \$50 was realized at the recent banquet, the sick, aged and infirm have been visited and cheered with flowers and other material expressions of love and remembrance, and many pleasant and profitable social gatherings have been held. The retiring president, Mrs. Pickel, was presented with a beautiful silver bon-bon dish and the chairman of executive committees, Mrs. Governor, received a recognition pin, both for these ladies being honored for their faithful and untiring devotion to their duties.

The following ladies were on the banquet committee, and are to be congratulated on their success: Mrs. Mulhollen, Mrs. C. K. Webb, Mrs. Daniels, Mrs. Neighbors and Mrs. Noble, the two ladies last named being especially concerned with seating and entertainment arrangements.
