OREGON VICTOR OVER BEARCATS IN FIRST GAME

EUGENE, Ore., Jan. 5.—(AP)—The University of Oregon defeated the Willamette University basketball team 29 to 19 here tonight in a pre-season contest. The university players ran up fifteen points in the first ten minutes, while the Bearcats had yet to score. Willamette's first basket came sixteen minutes after the opening, and when Oregon finally stopped the determined but delayed Willamette drive, the Bearcats had boosted their end to nine while Oregon had sixteen.

In the second half Oregon's offense and defense were more coordinated, and Willamette, although far from outclassed, was easily kept on the defensive.

OAKLAND, Cal., Jan. 5.—(AP)—Holding desperately to a slender lead throughout the latter part of the second half, the University of Kansas basketball team nosed out the University of California, 24 to 23 here tonight in a contest that started slowly but developed into a thriller before the closing whistle.

CORVALLIS, Ore., Jan. 5.—(AP)—The Oregon State college basketball team showed better form tonight than in any pre-season game, and defeated the Multnomah club of Portland 37 to 18. The States led at half-time by 16 to 8 and kept this two-to-one lead to the end.

Ballard with ten points was high scorer of the game. Capen was high for the Clubmen with six points.

GAY COLORS AND SPLENDOR MARK NEW MODEL CARS

(By William E. Berchtold, Associate Press Automobile Editor)
NEW YORK, Jan. 5.—(AP)—Motor cars, excellent in comfort and splendor, the royal vehicles of kings today attracted the attention of thousands who milled through the Grand Central Palace for the twenty-ninth national automobile show.

Three hundred models, ranging from the tiny creations of a British manufacturer, guaranteed to run 50 miles on a gallon of gasoline, to the huge, luxurious limousines, give the 1929 show a variety of cars to meet the individual whims of each motorist.

The products of more than 30 years of automotive engineering evolution, the 1929 models have new refinements and innovations which force the excellent cars of 1928 into obscurity. The man who goes to the show convinced that last year's model is running fine and is good for another season, cannot help but feel that his fine car of yesterday is numbered among the "has-beens" of today.

It is the great American game of clanking the public's mind just when it is well made up that the automobile manufacturers have succeeded in playing successfully.

The 1929 show emphasizes greater beauty of lines, more perfect and pleasing color schemes, and greater comfort.

The old standard color combination of black, blue and green have gone by the board and the 1929 automobiles crop rivals the rainbow in its array of shades.

LABELS CAMOUFLAGE FOR PRUNE WHISKEY
TORONTO, Ont., Jan. 5.—(AP)—Thousands of dollars worth of "prune whiskey" was dispensed new year's eve to revelers in Detroit and Buffalo from bottles bearing the forged labels of well-known distilleries and sealed with Ontario liquor control board stamps. This information has been obtained by Ontario liquor board investigators acting on instructions of Sir Henry Drayton, chairman.

The board, through the use of specially marked labels, have always taken precautionary measures against forgery. Sir Henry said that measures would be adopted to make it more difficult to imitate the official seals.

EVANS IN 'PINK' FOR TILT MONDAY WITH BOB KRUSE

The big night for Art Evans, the Cherokee grappler, comes tomorrow evening at the Rialto theatre where he will meet Bob Kruse, Portland heavyweight, in what is expected to be one of the hardest fought bouts seen in Medford this season. Evans went through his last workout last night at the Playhouse theatre watched by a large crowd of spectators, all of whom were impressed by the improvement he has shown since he wrestled Moose Norbeck here two weeks ago, losing only after an hour of gruelling struggle when Norbeck accidentally became fortunate enough to give him an airplane spin.

Kruse will be outweighed by Evans but is given the edge in science and possibly speed, but the Indian is regarded as one of the strongest men in the ring today and was told so last year by Ed (Strangler) Lewis, ex-world's champion. Evans has a wonderful arm and shoulder development, often making it possible for him to break from holds which cause an ordinary wrestler to put the mat and stay down.

Kruse is expected to arrive today and will rest for tomorrow night's battle.

A semi-windup will precede the main event and will pit Tommy Ityan, Medford's wrestling tailor, against "Dummy" Powell, in a one fall match. The first preliminary of the evening will feature Tex Porter against Curly Woods in another one-fall match. Porter has not wrestled in Medford for a year and is expected to give Woods something to think about. The latter has been wrestling often and is thought to be possibly somewhat more experienced.

RICKARD, FAMOUS FIGHT PROMOTER IS GRAVELY ILL

MIAMI BEACH, Fla., Jan. 5.—(AP)—Dr. S. W. Fleming of New York City, Mrs. Tex Rickard's personal physician, arrived here tonight in an airplane from the Palm Beach, where he is spending the winter.

Hospital attendants said he was taken to the hospital where the promoter is critically ill, and went into consultation with Dr. Adkins, in Rickard's room.

The two physicians who completed their consultation at 7:20 o'clock, made no official statement, but said they were encouraged as Rickard seemed to welcome the sight of Mrs. Rickard's physician.

MIAMI, Fla., Jan. 5.—(AP)—Three physicians attending Tex Rickard, seriously ill at a hospital here, issued the following bulletin at four o'clock.

"Mr. Rickard's condition is still critical. The patient is very toxic with a temperature of 105 and a pulse of 132. The outlook is grave but not entirely hopeless."

Surgeon E. L. Adkins, C. P. Attiere, J. W. Snyder.

JONES PROFICIENT AT FISHING GULF COURSE

MIAMI, Fla., Jan. 5.—(AP) Robert Tyre Jones, of Atlanta, the Bobby Jones of golfing fame, now is a member of the "It was this long" club.

Robert Tyre deserted the golf course for the gulf course here and proceeded to land a seven-foot Barracuda. The giant fish had Jones stymied for an hour before the golf champ could lift. Because of the roughness of the course and the many water hazards, Bobby's one up score was considered unusual.

Old 1928 was a mere child once but now low at him.—(Pendleton East Oregonian.) That is a good moo.

HORTON SMITH IN FINE FETTLE FOR SAN DIEGO PLAY

CHULA VISTA, Cal., Jan. 5.—(AP)—Promising such "greats" as Walter Hagen, Leo Diegel and George Von Elm a bitter run before the 72 hole \$2500 San Diego open is completed, Horton Smith, 21 years old of Joplin, Mo., blazed over the first nine of his 18-hole qualifying round today in the amazing figures of 39, five strokes under par.

Smith, who completed his first qualifying round yesterday in 71, set a new record for the first nine of the San Diego country club course. The former mark was 31.

At the turn Hagen had a 33, two under par. Diegel also cracked par with a 34, while Von Elm completed the qualifying nine in 36.

Al Espinosa of Chicago, who with Mortie Dutra of Tacoma, paced yesterday's field with 68's, turned in a card of 69 today and led the early finishers of the 36-hole qualifying play with an aggregate of 137. Dutra slipped today turning in an even par card of 72 for a total of 149.

Four five-man teams have been organized among the bowling enthusiasts of the Elks lodge and a competitive series of games will be rolled, beginning January 5. Captains of the teams as selected by drawing include Eads, Erickson, C., Gates, Lantia, and C.

SALEM HI FIVE TO PLAY LOCALS TWO GAMES HERE

The Medford high school basketball team faces a hard schedule with games scheduled for Feb. 8 and 9 in this city with the Salem high school, and contests January 17 and 18, with the University of Oregon Frosh. The five goes to Eugene the following week for a return game on the university court.

The team opens its southern Oregon conference game this week with a game against the Klamath Falls high school at Klamath Falls next Friday. The southern Oregon conference season opened this week with Grants Pass playing

two games against Klamath Falls. Coach Callison will be back from a California trip Monday and will put his squad through a stiff course of sprouts before the Klamath game. The team has been practising under the direction of "Tennis" Fish.

The Salem games promise to be the stiffest engagements of the year, with both squads practically intact from last season. Medford defeated Salem at the state tournament, for the runner-up position and this is coupled with the natural rivalry.

UNIVERSITY OF OREGON, Eugene, Jan. 5.—(Special)—High school students, their advisors and principals throughout Oregon will turn their attention January 11 and 12 to the University of Oregon campus, where their delegates will be in session in what promises to be the most interesting and best attended high school conference ever held at the university.

Owing to the fog, and the curtains, many cars are now being driven by instinct.

Card of Thanks.
We wish to thank our many friends for their sympathy and kindness to us in our recent bereavement in the loss of our loved one; also for the many lovely flowers. Nancy E. Wilson and Family. 284
