CARDS REVAMP INFIELD SQUAD FOR NEXT YEAR

League Champions to Have New Manager and Change in Outer Garden—Pitching Mainstays Will Report for Training.

By Rex Newman,
(Associated Press Staff Writer.)

ST. LOUIS, Jan. 11.—(AP)—The St. Louis Cardinals, National lague champions, will start the 1929 baseball season with a new manager in Billy Southworth, a revamped infield and possibly one change in the outfield.

Although eight players have been disposed of since the club captured the 1928 pennant, the prospects are that the start of the new race will see all but two of those classed as last year's regulars in Redbird uniforms. These are Walter Maranville, shortstop, sold to Boston, and George W. Harper, outfielder, traded to the Braves.

Club owners are confident that the team they will send out to defend the championship laurels this year will be strong in every department and that it is certain to be in the title race all the way.

All the mainstays of the 1928 pitching and catching staffs are to report for training this spring. The hurlers are Grover Cleveland Alexander, Jess Haines, "Wee Willie" Sherdel, Clarence Mitchell and Frank Frankhouse. James Wilson will again carry the burden of catching.

Flint Rhem, on the bench much of last season, has been shunted to the minors, but "Wild Bill" Hallahan is to report from Houston and Herman Bell from Rochester to bolster up the pitching staff.

Thevenow Traded.

Tommy Thevenow, shortstop, has been traded to the Phillies and Charley Gelbert, a youngster from Rochester, is slated to fill the gap at short left by the departure of Tommy and Maranville. He has been described by big league veterans as another Larry LaJoie, fast and a slugger.

Carey Selph, a young second baseman from Houston, is expected to replace Frankie Frisch at second. He is rated as a hard hitter and the Cards are banking on him to strengthen the infield. Frisch volunteered to move over to third to make room for Selph. He did this, it was explained, because Selph can play no position other than second effectively. Andy High and Roscoe Holm, who played third last season, will be retained, Holm probably as an outfielder and High as a utility third sticker.

Under present arrangements, Jim Bottomley, first baseman, is the only infielder of last season's team who will return to his old post.

Manager Southworth has announced he will be a candidate for a regular place in right field, replacing Harper. However, young Ernest Orsatti, Minneapolis star who performed brilliantly in right field last season, is expected to give the boss a contest for the job. Taylor Lee Douthit and Charles Hafey, slugging regulars of last season's outfield, probably will be back in their old positions.

When the Cardinals go to camp they will be greeted by a new head coach, Earl "Greasy" Neale, former star outfielder of the Cincinnati Reds, obtained to replace Jack Onslow, head coach under Manager Bill McKechnie last year.

CAGE SEASON TO BE OPENED HERE SATURDAY NIGHT

Medford opens the local basketball season tomorrow evening at the Armory when the high school meets the Alumni in their annual clash. The game promises to be one of the hottest and best of the season. The main event will be held until nine o'clock, in order to allow the business men to get to the Armory in time. As a preliminary the Junior High, under the able coaching of Ray Henderson, will met Gold Hill. Henderson will use a picked squad, limited by the conditions of the game to weight.

In the main contest both teams are hopped up to a high pitch. Not for several years has the Hi team been able to overthrow the Alumni. This year the high school five realize it is their last opportunity for some seasons to come as they have their last year's team intact, with the exception of Phipps. With this strong aggregation, which came so near winning the state championship last season, they will endeavor to overthrow the ex-stars. Next season the entire squad finish, and they, in turn, will be on the Alumni, which will be a hard bunch for the next year's squad to beat.

On the other hand the Alumni, for the first time in three years, will have sufficient men on hand to make up for any handicap they may have on account of decrepitude. There will be Knips, Allen, Williams, Dunn, Herriott, Hurt, Dew, Newlin, Bryant, Mills, Brown and others. They will give the boys a run for their money, as they have been practicing hard for the game.

For the high school there will be Morgan, McDonald, Bowerman, Melvin and Garnett. They will be backed up by Green, Hughes, Clay, Thomas, and a string of promising youngsters, who are fighting for positions on next year's squad.

Tonight the high school plays the Klamath high school at Klamath Falls in Medford's first conference game.

FOUR 'O' REGULARS LOST TO SQUAD; ARCHER TO STAY

UNIVERSITY OF OREGON, Eugene, Jan. 11.—(Special)—The University of Oregon football team, 22 strong, accompanied by Virgil D. Earl, director of athletics, Dean James H. Gilbert, faculty representative, Captain John J. McEwan, head coach, Dick Reed, assistant coach, and George Schade, football manager, arrived this week after a month's trip that took the party to the Hawiian Islands, wher, the team played two games.

Oregon won both games it played in the islands. It defeated the Honolulu town team, 13 to 2, Christmas day, and the University of Hawaii, 6 to 0, New Year's day.

The victory against University of Hawaii brought the sum total for the season to eight out of ten games played. It was the most successful season Oregon has enjoyed in a decade and the northwest championship was its reward.

While the two defeats the Webfoots suffered were against California teams, they won all their northern games with good margins to spare.

The 1928 football season closed the career for four regulars and four subs. Morril Hagan, guard; George Burnell, captain and halfback; Cotter Gould, fullback, and Ted Pope, end, are the regulars who have played their three years. The substitutes who will not be eligible for next year's team are: Ira Woodie, quarter; Bob Keeney, guard; Whippet Ord, halfback and George McCutchan, guard.

George Stadelman, all-coast center, will be back for one more season. George Christensen and Austin Collett, powerful tackles; Marshall Shields and Woody Archer, end, are the line regulars who have two more years of competition.

In the backfield Bobby Robinson and Chuck Williams have one more year left, while Johnny Kitamiller, the "flying Dutchman," has two more.

Oregon's complete 1928 record follows:

Oregon	45	Pacific	0
Oregon	32	Stanford	26
Oregon	38	Willamette	6
Oregon	27	Washington	6
Oregon	0	California	13
Oregon	12	Ore. State	0
Oregon	32	Montana	6
Oregon	26	U. C. L. A.	6
Oregon	13	Honolulu	2
Oregon	6	Hawaii U.	0
Total	211	Total	59

Early Arrival of Song Birds

Mrs. C. Carey telephoned from her home near Phoenix today saying wild canaries, blue birds, wrens and chickadees all appeared at their home today.

She said this was the earliest she remembered these birds having returned and is anxious for someone who is posted on bird lore, to tell thru the Mail Tribune what the songsters' early arrival means.

Clean rags wanted at the Mail Tribune office. tf

BUS SERVICE IS GIVEN UP HERE

Because of the lack of patronage the auto bus street car service, started here about December 10th with a 20-minute service has been discontinued by its owners, George D. Kimsey and W. D. Leek who for some time past have operated a similar service at Corvallis, and who obtained a six months franchise from the Medford city council to operate by paying $12 a month license fee for each of its two busses.

The bus service over the city streets, with two routes covering chiefly the east and west sides, for some reason did not meet with popular favor from the start, and a few days after its inauguration one bus was taken off the service.

The future plans of Messrs. Kimsey and Leek are not known, altho they may re-establish the service next spring, it is reported.

SCRIPTER TO GET STOLEN CAR BACK

Earl D. Scripter, city mail carrier, whose Chevrolet sedan car was stolen from the street in the down town section over a month ago and was recently recovered near Phoenix, Ariz., and the thief arrested there, leaves tonight for Phoenix, having been subpoenaed to appear before the grand jury there Jan. 14 to identify the car, which will be turned over to him after he has testified.

Mr. Scripter will drive the car back to Medford, as word received from the Arizona authorities is that it is in fairly good condition and well worth taking home.

News of the SCREEN

Presenting the outstanding western star of the screen, Tom Mix, in the picturesque surroundings of the desert country inhabited by the Riff tribesmen of Northern Africa, "King Cowboy" comes to the Rialto theater tomorrow.

The fast-moving story concerns the adventures of a party of American cowboys who journey to the Mediterranean countries, ponies, guns, big hats and all, seeking to rescue the owner of their Nevada ranch. Dashing Sally Blane has the leading feminine role, as the daughter of the missing American and leader of the expedition, while Mix portrays the hard-riding, danger-scorning ranch foreman who has "the boys" in charge. Tony, his wonder horse, does more stunts than ever.

THE MARKETS

Livestock

Milk—Steady and unchanged.

Poulty—Steady and unchanged. Turkeys, dressed No. 1, 35c.

Onions, potatoes, wool, nuts, hay, cascara bark, hops—all steady and unchanged.

Wall Street Report

NEW YORK, Jan. 11.—(AP)—Heavy buying of the steel shares, based on reports of unusually favorable trade conditions, featured the irregularly higher price movement in today's stock market.

The announcement of a new public utility holding company by J. P. Morgan & Company interests revived speculation for the advance in the power and light stocks. Commonwealth Power and American Water Works quickly advanced 1½ points, the former to a new high at 117 3-8, and several others moved up a point or two.

Week-end profit taking assumed rather large proportions in the late afternoon, with U. S. Steel and several other leaders dropping back a couple of points from their earlier high figures, the motors, especially General motors, showed increased heaviness. In the meantime a handful of stocks reflected confident accumulations, resulting in advances of 4 to 6 points in Pere Marquette, Ludlum Steel, Columbia Gas and Electric, American Steel Foundries, and Beechnut Packing. Commonwealth Power rose 19 points to 123 a new high. The closing was irregular. Sales approximated 4,500,000 shares.

FEATURE COMEDY HUNT'S THEATRE

If good hearty laughs are to be enjoyed, George Sidney and Jean Hersholt will supply them in "Give and Take," a feature length cowboy talkie showing at the Centerian theatre this week. Uproarious laughter at the theatre last night bore testimony to the success of he two well known Jewish actors. Another feature of the production were the improvements shown in the dialogues of the actors, who seemed to speak in a voice more natural to humans than had been given to the latter in other talking films.

Rural Juror Prospects Hitherto Unpublished Reported for County

The jury list for the year for the county rural districts, heretofore unpublished, as drawn and approved by the county court, is as follows:
