The resignations came as the result of an inquiry into the death of Helen Askew, 18-year-old inmate at the home, which revealed that the girl had died from "lack of water and an injection of twilight sleep."

PORTLAND DOPER VICTIM QUIZZED

PORTLAND, Jan. 19.—(AP)—The "doper" fifth victim was being questioned by detectives here today.

James E. Long said he lost \$18 in cash and a \$20 traveler's check to the well-dressed man who puts "knock-out" drops in liquor, induces the victim to imbibe, and when the victim falls unconscious, robs him.

One new development in the case was that the "doper" has a confederate.

Long said he met two men Wednesday night. He was offered a job by one and given a drink by the other. He remembers nothing more until he awoke the next morning.

Four other men have reported being robbed under identical circumstances.

Payroll Taken. CHICAGO, Jan. 19.—(AP)—Ordering 50 employees to keep their hands down on their desks and their hands over their eyes, three robbers, armed with shotguns, today invaded the offices of the Cuneo Press company in 22nd street, seized a \$5000 payroll and fled, firing several shots in the air as they left.
