

GOVERNMENT WILL EARL DAVIS CAST ASHLAND CHAMBER PREPARE OUTLOOK AS CUB REPORTER COMMERCE CHIEF REPORT FOR FARM FOR COPCO DRAMA WILL ARRIVE SOON

A report which will help farmers to organize their business on the basis of the probable domestic and foreign demand for farm products during the ensuing year will be prepared by agricultural economists meeting in Washington, D. C., the week of January 21.

Representatives of 45 state agricultural colleges and extension services will meet with economists of the United States department of agriculture, following which the bureau of agricultural economics of the department will issue on January 28 its annual agricultural outlook report covering each of the major agricultural products. The state colleges will then prepare state and regional reports for their respective areas, the object of which is to help farmers to plan to balance production with the probable demand at harvest time. "One of the difficulties with agriculture," according to Nils A. Olsen, chief, bureau of agricultural economics, "has been the tendency to make plans on the basis of current market prices for farm products, instead of on the basis of the probable demand at harvest time. A world-wide system for gathering economic information pertaining to our agricultural products has been set up by the bureau, and a staff of foremost agricultural economists employed to interpret the facts for the benefit of American producers and consumers."

Have you ever read a rather breezy interview with some noted or notorious personage, and imagined yourself in the role of the interviewer? If so, you will enjoy listening in on the adventures of Benny Dalley, the cub reporter, who gets his first chance at an interview over KAMEI, the Mail Tribune-Virgin station, in the Call-Tribune Oregon Tower company radio drama, "It Is Alleged," which will be broadcast tonight from 9 to 10.

Benny, who is scared to death of women, gets his first big news assignment, an interview with one of them—and a murderess at that. But how the interview takes place, and how the reading public imagines it took place, after having read Benny's story and used their own imaginations a bit, are two different situations. The radio audience will be allowed to listen in on both of them.

The cast in tonight's play include Harold Corliss, in the role of the editor; Earl Davis as Benny, the cub; Fred McKen, the villain (if a reporter could be such a thing); Mable Williams in two interpretations of a murderess—the way she is and the way the reading public pictures her; and Mary Greiner as the office typist on the newspaper.

Punch Portland Safe
APPROXIMATELY \$100 in cash was taken from a safe at the Mutual Creamery here last night. The robbers carried the safe from the creamery office to the rear of the building where they punched it, using no explosives.

Yreka Man Suicide.
YREKA, Cal., Jan. 22.—(AP)—O. S. Garey, 23-year-old rancher, shot himself to death at his ranch here last night, in a fit of despondency.

Guarding Against the FLU

Any cold can mean the flu; the surest way to avoid flu is to avoid colds.

To avoid coming down with a cold make prompt use of Bayer Aspirin.

Don't wait to see if that first sneeze or cough is going to be a cold. Take Bayer Aspirin at the first sign of any cold, and be safe.

And whatever you do, don't neglect a sore throat these days; gargle with Bayer Aspirin and remove the infection.

Guard against the flu by guarding against the colds that make you susceptible to the flu germs that lurk in crowded and poorly ventilated places.

Little Chats About Your Health

No. 12

Pasteur, Lazear, Banting—Who Are These Men?

Are you familiar with the achievements of these men who studied and slaved that we might enjoy a life free from many of the dangers of yesterday?

It was Pasteur who revealed the origin of diphtheria and lockjaw and who showed how they could be prevented. Lazear pointed out the cause of yellow fever and sounded the death knell of that great scourge and only recently Banting gave to mankind insulin, which is saving hundreds of lives which would otherwise be sacrificed to diabetes.

When physicians have at their command so much knowledge—so many certain ways of combating illness—why will people continue to waste time in attempting to diagnose and treat their own ills.

Go to your physician whenever illness threatens. Bring us your prescriptions.

Medford, Ore.

ASHLAND, Ore., Jan. 22.—(Special)—G. H. Mosser of Bellflower, Cal., is to be the new secretary of the Ashland Chamber of Commerce in place of E. G. Harlan, who is now with the State Chamber of Commerce in publicity work. Mr. Mosser is a personal acquaintance of Mr. Harlan, who recommends him for the post.

Mr. Mosser has been identified with chamber of commerce work for 20 years. He comes to Ashland with a full experience in this line of work in the eastern cities of New York, Indianapolis, St. Louis, Trenton, N. J.; Evansville, Ind., and Altoona, Pa. He is also a friend of Irving E. Vining, former president of the Oregon Chamber of Commerce.

Besides the men mentioned as acquaintances Mr. Mosser has a number of relatives in the valley. The date of Mr. Mosser's arrival is not exactly determined, but he is expected in the near future and the chamber looks forward to a new activity with very competent leadership in 1929. During Mr. Harlan's absence of some weeks from Ashland the work of the chamber has been very efficiently handled by George W. Dunn, president of the chamber, and Mrs. Helen McCallan, the assistant to Mr. Harlan.

George M. Green, manager of the Ashland Tidings, a member of the Jackson County Republican central committee and a member of the executive committee, has won a prize for "loyal and effective service rendered the Republican cause in Jackson county." The prize is a fine autographed photograph of Herbert Hoover, president-elect of the United States. The picture is suitably framed and makes a prize of real value.

One of the buses of the Oregon Stages collided with a Ford truck driven by Clem Anderson in the Ashland plaza Saturday morning. The Ford cut skidded directly into the path of the larger car and was badly damaged by the driver escaped with only minor injuries.

George Dunn, senator from Jackson county at Salem, visited his mother in Portland during the recess of the legislature beginning last Thursday.

The benefit entertainment for erection of a new bicycle shed at the junior high school netted \$60. The program was handled by the ladies of the two Parent-Teachers' associations of the junior and senior high schools. Dr. Mattie B. Shaw gave a delightful rendition of "The Lady of the Lake" in her usual entertaining style, and illustrated with pictures loaned from the University of Oregon. Miss Ellen Waters, physical training director of the public schools, superintended various feature numbers of the program. Miss Margaret Arnold, director of music in the public schools, directed the presentation of instrumental and vocal numbers while the high school band, under the leadership of Ward V. Croft, did its full share toward entertaining the large crowd which filled the house. The circle plans further activities of this nature for later in the season.

Harold L. Atkins, for 20 years past in the service of the Pacific Telephone & Telegraph Co. and now manager of the company's Ashland office, was signally honored at a dinner given for him at the Lutan sprinks hotel last Friday evening, at which time he was presented with the company's 20-year service emblem. The formal presentation was made by J. M. Lamb, district plant chief of Eugene, who thanked Mr. Atkins heartily for his faithful and efficient service with the company during the long period. Others who were present at the meeting and spoke appreciatively of Mr. Atkins and his work were Robert B. Hammond, manager of the Medford office; K. S. Bennett, manager at Grants Pass; and E. D. Crittendon, Klamath Falls manager.

Two fire calls were responded to by the city fire department during the last day or two, one on Mountain avenue and one on Seventh street, with but little damage resulting in either case.

On Friday evening two games of basketball were on at the gymnasium of the junior high school. The preliminary was between the teams of the Ashland high school and a team from the normal school, the game resulting in a score of 21 to 17 in favor of the high school. The main game of the evening was between the first team of the Southern Oregon normal school and an independent team from Cottage Grove in which the former won in a score of 54 to 35. Coach McNeal of the normal has a well organized team able to hold its own or better in anything like an even case.

Louis Dodge, the local official weather observer, reports a temperature of 11 degrees above zero Friday night. It was by far the coldest weather in Ashland this winter. With the light fall of about two inches of snow preceding the cold snap, which froze the partially melted snow, the youngsters have been provided with excellent coasting on several of the hills where tracks had been broken Friday.

Mr. and Mrs. Clarence Lano have returned from a trip of several weeks in southern California, where they visited friends in Santa Monica, Los Angeles and other places. They made the round trip by automobile and enjoyed the vacation from their store on the Boulevard.

A. C. Waterman of Talent was in Ashland on business Friday.

R. B. Hammond, manager of the telephone company at Medford, was in Ashland Friday evening to attend the dinner given H. L. Atkins, Ashland manager for the company. J. C. Williams of Talent was in Ashland Friday on business. Dick Evans of the Lakeview country and Mrs. R. L. Burdick left Ashland Sunday for a motor trip to Portland and other towns in the northern part of the state for a

short stay for combined business and pleasure.

try was in Ashland last week attending to business affairs.

William Petrie, who has a ranch home south of Talent, was in Ashland last Friday on business.

Mr. and Mrs. Earl Jones, whose home is on a fine ranch west of Talent, were in Ashland Friday on business and to visit friends.

"Duke" Lorton, general clerk at the Lithia Springs hotel, has just come through an operation for appendicitis at an Ashland hospital. He is said to be doing well but will not be back at work for several weeks, probably.

R. F. Morse and L. H. Christenson of Klamath Falls were in Ashland last Friday on a business trip.

Herbert G. McCarthy of Dunsmuir, where he has an official position with the Southern Pacific company, was visiting friends and attending to business matters in Ashland last Friday. He and his family lived here for many years until his transfer by the company about a year ago.

KNIGHTS OF PYTHIAS APPOINT THREE FOR YEAR'S AMUSEMENT

Talisman Lodge No. 21 Knights of Pythias held another interesting meeting last night at which Frank Howard, Harry Barnsbury and Roland Smith were appointed as the amusement committee for 1929. The year promises to see much more doing in every way in Talisman lodge.

Chancellor Commander Chas. Gould reported that a large delegation of local Knights and Pythian Sisters attended the joint installation of officers last Friday evening of Ashland lodge. District Deputy Grand Chancellor H. Herbert Hoover, president-elect of C. Hoehne was installing grand chancellor for the Knights with other Medford Knights in the other chairs. Local Pythian Sisters also assisted in the installation of the Pythian Sisters. This was followed by refreshments and everybody reported a very enjoyable time.

POULTRY COURSE WEDNESDAY NIGHT

The agricultural night school being conducted by C. D. Thompson, agriculture instructor of the local high school, will meet Wednesday and Thursday of this week in the agriculture building of the high school at 7:30.

The meeting held last Wednesday night for the purpose of organizing proved of interest, there being 20 present. The subject for Wednesday evening will be "Systems of Poultry Farming," and for Thursday "Housing of Poultry."

This course is sponsored by the Smith-Hughes agricultural department, which is backed by the state and national boards of vocational agriculture. The instruction will continue for several weeks, and all of those interested are urged to attend. There is no fee charged for this course.

Old Golds Popular the World Over

E. E. McKinney of Portland, representing P. Lorillard Company, Inc. is spending a few days in Medford and other southern Oregon cities in the interests of Old Gold cigarettes, one of the most popular brands among smokers the world over and especially in this territory.

Mr. McKinney, who is popular in this territory, is calling on the dealers and installing window displays.

Old Golds "are made of heart leaf tobacco and there is not a cough in a car load."

ACID STOMACH RUINS APPETITE

Thin, pale people—the despondent sort who never have an appetite, and complain of headaches, indigestion, flatulency, biliousness, usually have too much acid in their stomachs. And unless they dissolve it, they feel they eat turps into sour bile and foul gases, which poison their system.

Pape's Diapiesin dissolves that poisonous acid, sweetens the stomach and digests your meals. Many thousands of people have brought back the appetite of their youth and gained weight simply by having one of the pleasant tablets of Pape's Diapiesin after meals.

It does what it promises. That's the reason 5 million packages are used a year—ask your nearest druggist for it.
