VETERAN STARS FIND HAVEN IN BOSTON TEAM

President Emil Fuchs Worrying About Club — Claimed Or Brought All Aging Players Offered Since October.

By William C. King. Associated Press Sports Writer. BOSTON, Jan. 24.—(AP)—President-Manager Emil Fuchs of the Boston Braves hasn't been worrying about his ball club lately. He hasn't had time. The genial magnate, who started the baseball world when he sold Rogers Hornsby, and then announced he would manage the club himself, does not even know how many players he will have when his squad gathers at St. Petersburg, Fla., several weeks hence. During the last few weeks, when he should have been perfecting his pre-season plans, Fuchs has been kept on the jump explaining his club's connection with the change of the Sunday sports referendum and his efforts to obtain a Sunday baseball permit from the Boston city council. Fuchs is positive about one thing, however. He is going to have plenty of assistance managing his 1929 edition of the Braves. After trading Hornsby, he retained Johnny Evers and Hank Gowdy, who played for the club back in the happy days, as his understudies. He is also going to have many veteran ball players. Or he has claimed or bought every aging star wavered or put up for sale since last October. Among these are Joe Dugan, who led the Yankees with five world series, and Rabbit Maranville, who played for the inspired Braves in 1914 and who, since then, has been burning up the National League with his extraordinary spurs. Dugan On Third. Though Fuchs has given it no thought as yet, it is more than likely that Dugan will be holding down third base with Rabbit on

IBAHO NOSES OUT WIN OVER OREGON IN EXTRA PERIOD

MOSCOW, Ida., Jan. 24.—(AP)—In an extra-period game here last night, Idaho nosed out the University of Oregon basketball team, 35 to 33, in a sensational game. Idaho got the jump on the West-footers, scoring 19 points to Oregon's one ten minutes after the game started, but Oregon brought the score to 12 to 8 at half time. The score was tied five times in the last period, with the score at end and standing 25 all. In an extra period, McMillen, Idaho forward, converted two free throws and Burcher, center, counted a field goal. Burcher and McMillen, Oregon guard, were high scorers, with 11 points each.

SHARKEY AND FOE OOZE CONFIDENCE ON EVE OF BOUT

NEW YORK, Jan. 24.—(AP)—There was an abundance of confidence today at the training quarters of Jack Sharkey of Boston and K. O. Christner, graduate of the Akron rubber plants, who meet in a 10-round clash in Madison Square Garden tomorrow night. The loquacious glib can see nothing in the scrap but a good warning up for his battle with Young Stribling at Miami Beach, while the 34-year-old Ohioan, who sprang into prominence by punching Knute Hanson out of the heavyweight picture a couple of months ago, has told the world he expects to tax Sharkey with the same wallop he used on the Melancholy Dane. Realizing that he must make a better than ordinary showing if the Stribling fight is to meet with any financial success, Sharkey says he will end the affair in show order. "One-punch hitters are always dangerous, even to the cleverest ring man," he declared. "But I have met them before, held my own and carried the fight my way. I am not blind to the fact that Christner can hit. But I feel I am good enough to beat him and go on just Stribling and the rest of the thrif." Christner used fewer words but made them fully as confident. "My manager, Tiny Herman, has been everywhere in the world but Miami Beach," he said. "I plan to take him down there when I fight Stribling in Sharkey's place."

BABE RUN RAGGED BY REPORTERS IS PLAINT

NEW YORK, Jan. 24.—(AP)—Babe Ruth is more interested in dodging newspaper reporters than in reducing his weight. During his usual workout yesterday the Bambino voiced a complaint that the news hounds were "ragging him ragged." "I don't blame them," he said. "They have their instructions and they must carry them out. But I don't have a minute's peace. They even follow me in automobiles when I try to get away in my car."

TRIBUNE BOWLERS ROLL OVER HEADS TO BEAT TOMLINS

Mail Tribune bowlers performed in mid-season form last night in their match with the Natatorium alley 27th in Tomlin Box Factory quarter. In fact, it was asserted by L. B. Walthers, who scouted the game for the Cope team, which meets the Trib team, that the newspaper contingent rolled considerably over their average form. The Tribos took all three games of the match, as well as high single game of 217, and high three game total of 545, both made by Al Hagen, one of the creek ball beavers of the city. Montgomery-Ward and Cope tangled on the alleys Friday night. M. Tribune.

FOUR CHAMPIONS ASKED TO FIGHT

ROCKFORD, Ill., Jan. 24.—(AP)—Sammy Mandell is ready at any time to defend his light title, but he would like to know from Paul Prehn, president of the National Boxing Association, just who he is supposed to defend it against, and who will take care of the guarantee. Prehn yesterday announced that the three of four champions, including Mandell, would be decided in a 2 states by member of the N. B. A. if the men did not defend them within a specified time.

MISSOULA, MONT. JAN. 24

Roderick Ballard, a sophomore forward with an eye for the cage, accounts for Montana's defeat here last night at the hands of the Oregon State basketball team, with the final score 29 to 25. Only accuracy at the left line offset Ballard's sharp shooting, to keep the Staters' score down to a four-point margin. Eleven of Montana's points were from foul conversions.

MEHENVILLE, ORE. JAN. 24

Lindfield college basketballers shook off their jinx here last night and defeated Pacific university, 32 to 28. Flashy floor work interspersed with lax playing on the part of both quintets characterized the game.

REIGH COUNT IS 'SCRATCHED' FOR RACE IN MARCH

LONDON, Eng., Jan. 24.—(AP)—Reigh Count, regarded as the best of the American 3-year-olds last season, has been withdrawn from the Lincolnshire handicap to be run in the middle of March. There was no explanation when the name of the horse, nominated by Mrs. John D. Herzog of Chicago, did not appear on the list of acceptances. Racing critics in the newspapers today said that the withdrawal of the horse caused no surprise since the horse had also been withdrawn from the Liverpool Spring Cup and had never been expected to go further than the entrance stages of these races. It is understood that Reigh Count came over solely to compete for the gold cup at Ascot. It had been thought that he was likely to have a tryout in one of the handicaps to accustom him to race-course conditions before the big event at Ascot. Reigh Count was given top weight of 128 pounds for the Lincolnshire handicap. This impost was also given to Pohnman.

"I light a Lucky and go light on the sweets"

That's how I keep in good shape and always feel peppy."

Al Jolson, Famous comedian and star of song.

Something sensible. "Better to light a Lucky whenever you crave fattening sweets." It brings to men the health and vigor that come with avoiding overweight. To women it offers a slender, fashionable figure.

20,679 physicians have stated that Lucky Strike is less irritating to the throat than other cigarettes. Very likely this is due to toasting which removes impurities. This same process, toasting, improves and develops the flavor of the world's finest tobaccos. This means that there is a flavor in Luckies which is a delightful alternative for the things that make you fat. That's why "It's Toasted" is your assurance that there's real health in Luckies—they're good for you!

Keep fit—reach for a Lucky instead of a fattening sweet. That's what many men have been doing for years. They know the evidence of prominent athletes whose favorite cigarette is Lucky Strike and who say Luckies steady their nerves and do not impair their physical condition.

A reasonable proportion of sugar in the diet is recommended, but the authorities are overwhelming that too many fattening sweets are harmful and that too many such are eaten by the American people. So, for moderation's sake we say:—

"REACH FOR A LUCKY INSTEAD OF A SWEET."

"It's toasted"

No Throat Irritation-No Cough.

Coast to coast radio hook-up every Saturday night through the National Broadcasting Company's network. The Lucky Strike Dance Orchestra in "The Tunes that made Broadway, Broadway."

PURDUE CAGEMEN LEAD SINCE 1918

CHICAGO, Jan. 24.—(AP)—Purdue and Northwestern are the top and bottom teams of the big ten basketball world, statistics covering the era from 1918 to the near midway stage of the present championship race reveal. Winning 89 games and losing but 43, the Boilermakers are far in front of the field with a grand average of .667, while Northwestern has won but 39 out of 127 for the lovely average of .497. Regardless of the outcome of the present race, Purdue will hang onto its all-time leadership as its closest competitor, Wisconsin, could win its remaining games while the Boilermakers lost all of theirs and still be behind. Purdue is tied with Wisconsin in the business of winning big ten basketball championships, however. Each school has won one and tied for three, since 1918.

BERKELEY, CAL. JAN. 24

Leadership of the southern division basketball race of the Pacific coast conference will be definitely established in the Oakland coliseum Saturday night, when California and Stanford clash in the first of their three game series. Both the Cards and Bears are as yet undefeated in conference competition, but the Bears have chalked up four victories and the Cardinals two.

SCHISSLER BACK FROM EAST TRIP

CORVALLIS, Ore., Jan. 24.—(AP)—Paul J. Schissler, head football coach and director of athletics at Oregon State college, returned to the campus Wednesday following a month's trip to the east, where he attended meetings of coaches and arranged an inter-sectional football game. The game arranged with Detroit university is expected to be one of the leading post-season clashes of the middle west, as Coach Gus Dorais had an undefeated team in 1928, and closes but one or two men.

Detroit has an excellent stadium and is enthusiastic over college athletics, Schissler found. The Oregon State coach said spring football training will start here next month.
