The big event of this week among the youths of the city will be the opening of the second semester of the school year tomorrow morning. There will be increased enrollment in all the school buildings, especially in the senior high school with the advanced registration of last week giving indication of a student body of over 800 members. Monday forenoon will be given over to promotion and registration of pupils in the elementary schools. This work has already been practically completed in the high and junior high schools.

Makes Fat People Slim

New York Physician Perfects Simple and Easy Method of Reducing Weight.

Dr. R. Newman, a licensed practicing physician of 286 Fifth avenue, New York, announces that he has perfected a treatment which has quickly rid fat people of excess weight. What is more remarkable is the Doctor's statement that he has successfully treated thousands of patients for fat reduction without unnecessary change of diet or burdensome exercise. He also says that fat people who suffer from chronic rheumatism, gout, asthma and high blood pressure obtain great relief from the reduction of their superfluous flesh. The Doctor has offered to send without charge to anyone who will write him, a free trial treatment to prove his claims, as well as his "Pay-when-reduced" plan. If you want to rid yourself of superfluous fat, write him today, addressing Dr. R. Newman, 286 Fifth Avenue, New York City, Dept. R.
