Popularity of the New Majestic Radio sets in Medford continues to take up all available stocks that the Palmer Music House has been able to secure. The first shipments were taken quickly. Many orders have been left by local people for the February allotments. The new small cabinets, the deep, rich tone and the moderate price have made them the outstanding radio set for this year. They have the unique position of being first to offer their 1929 sets to the public. The Palmer Music House is handling all orders in rotation and offer free demonstration in your own home, to insure your satisfaction. 317*

Guests from a distance registered at Medford hotels include T. E. Brown, of Chicago and Mr. and Mrs. R. Anderson of St. Paul.

Since the Radiola and Victor companies merged the public is assured of permanent installations from any merchandise bearing either trademark. The Palmer Music House is very happy to secure both radio and Victrolas, many combining units, which is the trend with purchasers right now. Many Medford homes are enjoying these wonderful instruments. Home demonstrations are given free, with both records and radio. In this merchandise there is no danger of the owner having an orphan instrument in a year or so. Palmer Music House reports the sale of several last week. 315*
