PRICE CUT ON DODGE BROTHERS SENIOR SIXES

Substantial price reductions on all models in the Dodge Brothers Senior Six line is announced today by Egan Motor Co., Dodge Brothers dealer for Medford and Jackson county.

The new price schedule goes into effect immediately. Models affected include two and four door sedan, landau sedan, two passenger coupe and roadster.

The Senior Six was the first creation of Dodge Brothers under the directing genius of Walter P. Chrysler and was introduced soon after the Dodge interests were acquired by the Chrysler organization.

"These new low prices on the Senior line," said Charles W. Matheson, general sales manager for Dodge Brothers, "are made in accordance with the established Chrysler principle of giving the public the benefit of economies made possible by more efficient manufacturing methods, reduction of manufacturing costs, and the savings of Chrysler Motors' great unified purchasing power. All these savings now are passed on to the Dodge Brothers public in new and much lower prices for a still better product."

MANY FRIENDS OF R. H. PAXTON PAY FINAL RESPECTS

During their last respects to a well known Jackson county resident who died last Monday at his home in Central Point, friends from all parts of the Rogue River valley were present at funeral services held yesterday afternoon at the St. Mark's Episcopal church for R. H. Paxton.

He was well known in Central Point, where for years he had been the proprietor of the Paxson Drug company, and was one of the city's most respected citizens.

He was an energetic civic worker and took an especial interest in affairs of the Central Point schools, the students of which all learned to know him as an individual all ways ready to cooperate in school and student matters when cooperation was needed. He was loved by all who knew him and regarded as a friend by strangers who would stop at his establishment, well known in its community for being headquarters for news agencies and magazines.

Up until a few years ago he took an active interest in flower growing and Paxson's dahlias were known to every flower lover of this section for their particular type of beauty.

The Masons, by having been one for years, were in charge of the funeral services, the sermon of which was delivered by Rev. W. R. Hamilton. Mr. Paxson was also a Spanish-American war veteran and was an active member of the local camp.
