WALL STREET HAS STRONG RALLY ON OPENING OF WEEK

NEW YORK, Feb. 11.—(AP) Disregarding an eight per cent renewal rate for call money and the mysterious meeting of the directors of the New York Federal Reserve Bank after the close, the stock market rallied briskly today under the leadership of the Copper and public utility shares. Some irregularity developed at the opening but the losses were quickly cut down or wiped out, and scores of ... were marked up 2 to 11 points.

... the ... were reached by some of the speculative ... during the last hour as buying for ... accounts continued despite the holiday tomorrow. The trading, however, was comparatively dull. International Combustion Engineering, Union Carbide and Power and Light, Johns Manville and Interstate Department Stores mounted 5 to 7 points. The close was strong. Total sales approximated 3,500,000 shares.
