### IN CASE OF ACCIDENT Who Pays Damages?

TOO often it's Jimmy's education, Mary's musical career, or some much needed new equipment for the business, that really pays damages awarded the victim of an accident. One never knows what a difference a few thousand dollars can make in his business or in the life of his family until he is caught without insurance.

GENERAL OF AMERICA automobile insurance definitely answers the question: "Who pays?" GENERAL full coverage insurance protects you in case of fire, theft, collision, property damage and public liability. It indemnifies you for your loss — it indemnifies any person suffering injury or property damage from your car.

Protect your business and your family from that quick-striking blight, the damage suit, and the other expenses that may result from accidents. Remember—you can buy GENERAL OF AMERICA indemnity much cheaper than you can pay damages!
