LAST GAME HERE WILL BE PLAYED ARMORY TONIGHT

Medford fans will have their last chance to see the Callison crew in action on the home floor this evening, when the team plays Ashland high school in the third and deciding game of the annual basketball series to decide the district championship. Unless an unexpected challenger shows up, the local team will take it easy until they go to the state tournament at Salem, Monday evening, March 21.

The Ashland team is in the midst of a comeback after a disastrous season, and has high hopes of winning tonight, though defeated decisively in the first two games. They have a chance. The Medford team is cocky; the Medford fans are confident—the two main ingredients of an upset. It is certain that the Ashlanders will put up more of a struggle than they did at the start, as Coach Bjork has cured his squad of trying to throw baskets the length of the hall.

The starting lineup of the Medford team will be:
McDonald, center; Melvin and Bowerman, forwards; Garnett and Moran, guards.

BID FOR BIGGER AND BETTER PAY LOST BY HERMAN

CLEARWATER, Fla., March 1.—(AP)—Habe Herman bids come to terms with the Brooklyn Robins. The hard hitting outfielder-infielder signed yesterday after trying unsuccessfully to have Wilbert Robinson give him a raise.
Habe played to the 340 batting average he compiled last season to lead the club at the plate. Robinson, in reply, pointed out that there's no use in winning a ball game with a hit in one inning and losing it in the next with some fielding error.
Herman's capitulation decreased the holdout list to Dazzy Vance and Doug McWeeny.

SAN ANTONIO, Texas, March 1.—(AP)—Frank (Shanty) Hogan, the burly catcher for the New York Giants, may play third base during the spring, but the chances are that Fred Lindstrom will be at the hot corner when the season starts. Hogan can't keep his mind on his work at that position.
"Shanty" was stationed at third during a practice game yesterday, but he got so interested in watching how the old master, Ray Schalk, performed behind the plate that he did not even notice a hard rounder until it breezed by him unimpeded.

ST. PETERSBURG, Fla., March 1.—(AP)—Gloom hangs over the New York Yankees' training camp, for there are whispers that all is not well with Lazzaro's arm.
Beyond admitting that the sling sling second baseman is suffering from a sore shoulder, Miller Huggins has little to say. Tony played a good part of last season on his nerve. He could hardly throw the ball at times. There are fears that he has not recovered.

HARD ROCK TO FACE MALONEY IN BOSTON

BOSTON, Mar. 1.—(AP)—Tom Heoney of New Zealand returns to the ring here tonight after a lay-off since his defeat by Gene Tunney in last July's title bout. He will face Jim Maloney, the Boston heavyweight whom he knocked out in the first round of a fight 18 months ago.
Maloney has blazed a successful comeback since then and he was confident today that he would dispose of the New Zealander in short order.

HUSKY TEAM READY FOR BEAR INVASION

SEATTLE, Wash., March 1.—(AP)—An undefeated University of Washington basketball team was ready to meet the northern invasion of the University of California Bears, champions of the southern half of the Pacific coast intercollegiate basketball conference, tonight before what is expected to be Seattle's largest basketball crowd, more than 9000 persons. The Huskies and the Bruins will clash in the first game of a three-game series for the title of the Pacific coast.

MCKESSPORT, Pa.—Dominic Profilo of Pittsburgh knocked out California Joe Gans of Gary Ind. (2).
ST. LOUIS, Mo.—Benny Bass of Philadelphia outpointed Davie Abad of Panama (10).

GIRL LINKS STAR GETS LUCKY DIME AND WINS MATCH

ORMOND LEACH, Fla., March 1.—(AP)—Sixteen-year-old Ruth Replogle of Oklahoma City won her consolation flight match in the women's South Atlantic golf tournament here yesterday, and a shiny new dime played an important role in the victory.
Just before she teed off, John D. Rockefeller, who was waiting for his turn on the Ormond course, called her to his side and said: "Little girl, I've been watching your shots, and especially your drives. I think I'll give you a dime for good luck and I hope you continue to keep shooting straight down the fairways."
Whereupon the oil magnate reached into his pocket and selected the brightest dime he had for her.
"That certainly is a lucky dime," Miss Replogle told her mother at the end of her match. "I played better than ever."

FATHER OF FRENCH TENNIS STAR DEAD

NICE, France, Mar. 1.—(AP)—"Papa" Lenglen, father of Suzanne Lenglen, French tennis star, died here this morning.
"Papa" Lenglen, for many years secretary of the Nice Tennis club, taught his daughter Suzanne the game which brought her international fame as a peerless player. He frequently told how speed and accuracy had been the secrets of his success in teaching his daughter to play the game.
Interviewed in 1929, he said: "When Suzanne was young she was frail and delicate. I wanted to develop her physique. I first thought of swimming, but remembered that I had been a tennis player in my youth and began to give her 15-minute lessons daily. Speed and accuracy are what I concentrated on."
Mrs. Florence Keith walked 60 miles from Visconti to Chicago to have her husband arrested.

INFIELDER HOLDOUT WORRYING BEAVERS

ANAHEIM, Cal., Mar. 1.—(AP)—If the Portland club had Max Hillis, infielder acquired from the Pittsburgh Nationals in the Tony French deal, in camp, one-half of its worries would be erased.
Hillis' whereabouts is unknown to Tom Turner, president of the Beavers. When last heard from the infielder was in Cambridge, Mass., en route to the coast. That was more than a week ago.
The other half of the club's worries center upon "Cowboy" Ed Tomlin, pitcher. Tomlin, the only member of the club who has not signed a 1928 contract, turned up at the Beavers' spring training camp here yesterday, but did not get anywhere in his demand for an increase in salary. Although not signed, he donned a uniform and worked out.

JIMMY AND GLICK RENEW RING FEUD GOTHAM TONIGHT

NEW YORK, March 1.—(AP)—Jimmy McLarin, smiling battler from the Pacific coast, enters his bout with Joe Glick at Madison Square Garden tonight a nine to five favorite to record his third victory over the Williamsburg panis presser.
McLarin and Glick first met on the coast several years ago as featherweights. They renewed their feud in the Garden six weeks ago and McLarin again carried off the verdict after a torrid struggle.
Their third meeting again is for ten rounds at 138 pounds. Glick probably will be outweighted by three or four pounds.
McLarin was forced to continue his workouts yesterday in an effort to remove two excess pounds.

AGED CRESCENT CITY WOMAN VICTIM OF HIT AND RUN CAR DRIVER

ALAMEDA, Cal., March 1.—(AP)—Mrs. Ora Murphy, 77, of Crescent City, widow of the late Judge Jas. Murphy of the Del Norte county superior court, was killed by a hit-and-run automobile containing four young men here last night.
Witnesses said Mrs. Murphy was carried for a block on the bumper of the machine. The motorists turned into a side street later and disappeared.
Police later arrested R. H. Kearney, 28, automobile sales manager; F. E. Steel, 25, railroad clerk; Malcolm Rogers, 29, and S. M. Graham, 24, all of Alameda. They found Kearney at the steering wheel of an automobile which showed marks of a collision and had bits of clothing on the license plate. They said Kearney admitted their machine struck Mrs. Murphy, but alleged Steel was driving at the time. Police filed tentative manslaughter charges against the four prisoners.
Marilyn Ann Cuffell of Cleveland traveled from her home city to Chicago by airplane at the age of two months, and is believed to be the youngest baby ever to make such a flight.
J. L. Hodgkinson, 32-year-old Londoner, has requested that when his dies that his body be cremated in a blue coffin representing the sky, and that his ashes be scattered to the winds on top of Bunny Hill near Nottingham.

WOMAN VICTIM OF HIT AND RUN CAR DRIVER

Some close contests are expected to result when the Copco Forum basketball and bowling teams of this city meet their Klamath "partners in progress" in Klamath Falls today. The Klamath teams are out for revenge after the two defeats they met here three weeks ago and promise to get even this time. However, the local "light-horse" employees plan to bring home the bacon with two more victories and some real competition is anticipated. The teams will be accompanied by a number of Copco rooters from this city.

BOWLING COLUMN

The Tomlins were unable to stem the tide of pins which swept over the Net alleys last night from the accurate shooting of the Elk bowling brigade, and dropped the first and third games to the lodge men in their City Bowling league match. Andy Runk was a big factor in turning back the anticipated herd in the second canto by shooting in a brilliant 213 for the Tomlin bow factory outfit.
Runk's performance in the only game won by his men also gave the archer a high single game for the match and high three-game total with 552.

'UNLOADED' GUN KILLS FOUR-YEAR OLD BOY

KANSAS CITY, Mar. 1.—(AP)—Nine-year-old Alvin Kraus last night pulled a rifle from its resting place above a door, pulled the trigger, and killed his four-year-old brother, Donald.
Donald, an older brother, recently assured his parents, Mr. and Mrs. Louis H. Kraus, that the weapon was not loaded.

MRS. STRAUS GATHERS DATA ON WILD LIFE BRITISH EAST AFRICA

KAMPALA, British East Africa, Mar. 1.—(AP)—Mrs. Oscar S. Straus, widow of the former American ambassador to Turkey, is spending six days here collecting data on native and animal life, and securing motion and still pictures for the American Museum of Natural History at New York.
Mrs. Straus and her grandson, Edward Schafer, who is with her, will return to the United States by steamer from Mombasa. Mr. and Mrs. Ruyard Boulton of Pittsburgh, also with her, will proceed to Nyassaland by way of Mombasa and Biera for a four months' visit. They hope to obtain a large collection of birds.
Mrs. Boulton is recording native music with a portable phonograph. They will return to America by way of South Africa. The party arrived here February 26.

WILD POLICE DOG BAND BROKEN UP NEAR LA GRANDE

LA GRANDE, Ore., March 1.—(AP)—A report was received here today that a band of wild police dogs had been partly broken up after harassing a herd of deer near Ladd canyon on the edge of the Blue mountains, a few miles from La Grande. Hunters have killed three of the dogs. The animals are said to use the same methods as coyotes in hunting, and to have killed two deer recently. One dog is said to have been killed by a cornered deer.
The band of ten dogs is believed to have started from a litter of puppies someone turned loose last year. Six of the dogs are said to be large and a party of hunters is after them.
