urges all members to come out as many topics of interest will be discussed, also it is past time to pay annual dues.

New people are cordially invited to join at this time. Come any way and judge for yourselves as to what a worthwhile treat you are missing if you do not join.

Mrs. I. E. Williams, a well-known local authority, will talk on the iris. She will inspire you as the iris has inspired her. The iris can be grown in any well drained garden soil, and will stand both excessive heat and cold. It is in reach of all and Mrs. Williams will tell you many things that will enthrall you into becoming an iris grower.

There may be a rose specialist also at this meeting but nothing sure about that yet.
