

# Opportunity knocks more than once at everyone's door

## No age limit on success if you keep fit

PEOPLE used to think that if you hadn't made your mark by the time you were 40, you never would. "That's all bunk," people say today. There's many a man who'll tell you he was past 50 when he made his first big success. Their experience runs something like this:

"I'd been going through life, always just missing out on everything. Worked like a dog, too. But never seemed to get anywhere.

"It was a doctor who put me wise to myself. Told me not to blame it on luck. That the trouble was with me—right inside myself. He recommended Nujol. I took it for three months. Never missed a day. And, say, I began to feel like a younger brother myself. Decided there was life in the old dog yet. When my big chance came, I was all ready, waiting to grab it. And I did."

Nujol keeps your body functioning just as Nature meant it to, under all conditions. Contains no drugs or medicines. Just a pure substance that

works normally and naturally. It not only keeps an excess of body poisons from forming (we all have them) but aids in their removal. These poisons slow you up mentally and physically, dull your whole outlook on life, make you half-hearted.

Buy a bottle of Nujol today. Perfected by the Nujol Laboratories, 2 Park Ave., New York. In sealed packages only. Your druggist carries it.

# EAGLE POINT PTA HOST TO MEETING COUNTY TEACHERS

(Special.)—The Parent-Teachers circle of Eagle Point was host to teachers of Jackson county on Saturday, March 9th. Nearly 100 teachers gathered at Eagle Point in one of the local institute sessions, which Mrs. Carter, county superintendent, has made so popular through her special efforts.

Many interesting topics were discussed, especially the new individual study, which plan received much favor from those teachers who have given it a trial.

Music was furnished by the Eagle Point school. Miss Jamison's primary pupils sang several very clever little motion songs. Miss Atkin's pupils sang "Star Dances" and a song for spring. Mrs. Bonham's harmonica band played a number of popular selections and a quartet consisting of Vance Pearce, Lyle Cingcade, Frank Helms and Dale Cox, played a very pretty special piece. The boys are doing some splendid work.

At noon delicious chicken dinner was served, for which Eagle Point women are famous.

The P. T. A. rooms are so nicely arranged that with the folding doors between, the teachers were seated in one division, with the town folks in the other, making it possible for each group to visit and discuss those subjects most vital to each.

The committee on general arrangements included Mrs. Bonham, chairman; Mrs. Bitterling, Mrs. J. E. Stowell, Mrs. Walker, Mrs. J. Smith and Mrs. S. Coy.

The committee for serving were Mrs. Myrtle Smith, chairman; Mrs. Castor, Mrs. Hankins and Mrs. Davies. They were ably assisted by the high school girls, Margaret Marshall, Gladys Cowden, Sybil Castor, Katherine Philbrook and Mary Hannaford.

Due to the high esteem which the Parent-Teachers circle has for the local Grange, in their efforts to raise the standards of our community, socially, industrially and morally, they pledged themselves to give half of the net proceeds from the dinner to the home economics committee of the Grange, which seems to be much in need of culinary articles since the late destruction of their beautiful new hall. Twenty-four dollars was turned over to the chairman of that committee, Mrs. Myrtle Smith, by the treasurer, Mrs. Grace Cowden.

S. H. Harnish visited at the home of Mr. and Mrs. R. A. Weidman Sunday evening.

Hugo Daly and family of Medford visited all day Sunday at the home of W. C. Daly and Mrs. Myrtle Van der Hellen.

Mr. and Mrs. William Perry, Mrs. Nettie Grover and Mrs. Ayers attended the picnic dinner at Reese Creek Sunday.

Mr. and Mrs. Bonham, Alex Vestal, Tom Rigby and Mrs. Ayers were pleasant callers at the home of Rose Smith Friday evening.

Mrs. Charley Humphrey went to Medford and visited all day with their daughter and family, Mr. and Mrs. Hildeback, Sunday.

Mrs. Swazy accompanied Mr. and Mrs. Patterson and Mother Patterson to Butte Falls and attended the Christian Endeavor meeting and church service. Mrs. Swazy reports that the young people are splendid singers and there was a very big congregation. Mrs. Patterson sang a solo which was beautifully rendered, and Mr. Patterson preached the sermon.

Mr. and Mrs. Frank Ditworth went to Euna Valley and visited all day with Mr. Ditworth's sister and husband, Mr. and Mrs. Ada Leart, Sunday.

Mr. and Mrs. Childreth have adopted Margaret Sixty, whose parents have moved to Brownsboro and Margaret will stay with them until school is out. Mrs. Childreth still feels weak and is not yet able to be out. Among the friends visiting Mrs. Childreth were Mrs. Rosie Smith, Mrs. Lizzie Perry, Alice Daly, Mrs. Grover, William Crandall, Mrs. Morgan, Mrs. A. R. McDonald and Mr. and Mrs. Clarence Robinson and family of Medford.

Rev. Morgan is just about the same, slowly improving. He is cheerful and is looking forward to the warm weather coming so that he can get out a little.

A birthday dinner was given at the home of Mrs. Otto Castor Sunday, it being Mrs. Castor's birthday anniversary. A very beautiful dinner was served and a cake with lighted candles graced the center of the table. Among the invited guests were Mr. Edsall and Mrs.

# GOLD HILL TRACK AND BASEBALL TO INTEREST SCHOOL

(By Asil A. Walker.)

GOLD HILL, Ore., Mar. 12.—(Special.)—With the basketball season nearly over, the students of the Gold Hill high school are now looking forward to the baseball season.

The baseball diamond will be cleaned thoroughly and then the whole field will be made perfectly level. It has not been put in shape for about two years, and after the students get it fixed up it will be an excellent field for this sport. A tractor and a scraper have already been secured to start the operations. It is expected that it will be ready for practice in a week or two.

The season will be opened about the middle of next month. A number of last year's players remain on this year's team.

Practically all of the boys in high school this year will turn out for the team. It is expected that with the talent now on hand and with the others who will try out, it will be possible to turn out a winning team. Regular practice will be started about the first of next week. The first game will be scheduled during April.

Much interest seems to be taken in baseball this year by the students, and with their cooperation the coach, Charles Orr, will probably turn out an excellent team. Previously, they have met with much better success in baseball than any other sport.

The basketball tournament of the high schools will be held at Ashland on Friday and Saturday, March 15 and 16. The Gold Hill team will compete in the tournament with the remainder of their district.

Track has also become one of the sports at the high school. A number of students are now preparing to start track practice. Ribbon winners from last year will enter again this year, especially so in the lower classes.

It looks like a very bright future for the Gold Hill high school in respect to track activities. The meet will be held probably at the fairgrounds during the latter part of April or the first of May.

# NO PATIENCE WITH CHILDREN

Lydia E. Pinkham's Vegetable Compound Steadied Her Nerves

Dalton, Pa.—I was weak, nervous and run-down before my last baby was born. My other children tried me. I had no patience with them and they just wore me out. My mother told me about someone who took Lydia E. Pinkham's Vegetable Compound, and it helped her. I took it myself and got fine results. I am getting along fine now, thanks to your Vegetable Compound. My husband and I both feel sure that it helped me.—Miss HATFIELD STRAIN, P. O. 2, Dalton, Pa.
