PORTLAND, Ore., Mar. 26.—(AP)—Seattle drew first blood in the two-game post season for the right to meet the league-leading Vancouver hockey team for the championship, by defeating Portland last night, 2 to 1. It was a tough, hard fought contest, with Portland shining in the first period, but slowing up and allowing the visitors to take the aggressive in the last two periods. LEGIONNAIRE PLAY TO DEMONSTRATE WHOOPEE MEANING

What is whoopee? The definition of this new term has long evaded many local citizens and caused much conjecture as to its real meaning. However, the mystery promises to be solved on Monday, April 1st, when the "Legion Whoopee Revue" takes place at the Craterian theater. Those in charge of this big attraction state that the audience will be able to see "whoopie" hear "whoopie" and will probably make "whoopie" themselves before the show is over. The cast includes such prominent local exponents of the art of "making whoopee" as Earl Davis, Larry Mann, Mutt Williamson, Herb Alford, Ted Baker and many other star performers.
