

ROTARIANS TELL ESTIMABLE LIFE OF DR. JOHNSON

Dr. R. R. Johnson, local dentist, who passed away here Sunday was eulogized as a Rotarian, as a friend, and as a man by three members of the Rotary club who probably knew him best, at a meeting of the organization held this noon at Hotel Medford.

Dr. Ed Shockley, as secretary of the club, told of the dentist's faithful attendance at meetings during the five years he has spent in Medford, and stated that the deceased had an average record of 90 percent attendance during all that time. He also brought out his unselfish service in the interest of the organization.

Dr. Charles T. Sweeney, who shared his office with the local dentist for eight or nine years in Great Falls, Montana, their first association beginning 28 years ago, paid a beautiful tribute to the departed as an unselfish, loyal and inspiring friend during that long period.

That Dr. Johnson as a man was an ideal in every field of activity in which he took part, was brought out in the talk by Attorney Frank Newman, who ended by repeating the appropriate poem "All Is Quiet Along the Potomac."

Announcements were made by John Carlin, in behalf of the Lions club which is sponsoring the Russian Royal Choir, to be heard at the armory next Sunday afternoon at 3 o'clock; and Horace Bromley, who advertised the Legion Whoopee Review, which will be seen at Hunt's Craterian next Monday night.

LEGION SHOW HAS CAPACITY THROUGH ASSURED MONDAY

With only five days left before the big American Legion Whoopee Review is presented to an assured capacity audience of southern Oregon theater goers, the meeting of the local post held at the armory last night under the direction of Commander Ferguson was particularly given over to final plans for the production.

The new Medford airport was the subject of an inspiring plea on the part of Legionnaire Sealey Hall, who urged all members to get out April 2 and vote for the bond issue necessary to put it across. All registered voters are eligible to cast their ballots for the new airport.

A dance and supper will feature the meeting to be held in Jacksonville on April 8, when the Legion and Auxiliary will accept the invitation extended last night by Legionnaire Dunnington in behalf of the members of that city to hold the next convalesce there.

Following last night's meeting the Legion and Auxiliary members enjoyed dancing to the splendid music furnished by the Medford high school orchestra. A supper was served by the ladies in the armory dining room.

RADIO PUBLIC TO HEAR PIPE ORGAN RECITAL

Much interest is being shown by radio music lovers throughout the valley in tonight's Copeo program which will present Miss Betty Brown, popular organist in a most attractive pipe organ recital. The recital will be broadcast by remote control from the new Presbyterian church, where one of the finest pipe organs in this section of the state will be used by this well known artist.

TIRED OF MOTHER, DAUGHTER SHOTS

LOS ANGELES, March 26.—Mrs. Sarah Brown, 83, said to be a wealthy widow, probably was fatally shot here today by her 45-year-old daughter Sadie Brown. The daughter told arresting officers that she was "tired of my mother."

"I couldn't stand her any longer," police said the daughter explained.

Police were informed that shortly before the shooting, the mother and daughter had quarreled. The mother fled from the house, police were told, the daughter fired at her. One shot pierced the woman's back and hospital attaches said that probably would prove fatal because of the woman's age.

"She wanted every cent of my money," the mother told police.

FLAG TOURNAMENT AT GOLF COURSE FRIDAY

The women members of the Rogue Valley Golf association will hold a flag tournament Friday at the links and a comparatively large number of entrants are expected. The last match must be off the first tee by 10:30 a. m. to insure an early start for all players. A luncheon will be served at the club house at noon.

Our Silk Stockings Reach Two Thirds of the Way to the Pole

Just figure it out for yourself! Last year we sold over 7,000,000 pairs of Women's Full Fashioned Silk Hose which would measure more than 32,000,000 feet. The distance that Commander Byrd traveled before he reached the Pole was—roughly—over 47,000,000 feet—so our Silk Hose is about two-thirds of the way there.

We didn't count Men's Hose either, or Children's, or perhaps we would have been over half the way back by now!

QUALITY

In our plan of Store-Keeping, Quality and Service are each dependent on the other. We could not give Quality without also giving Service—nor Service without giving Quality—and remain very long in business. In this respect our business ideals have never changed. For Quality and Service were the warp and woof of the first J. C. Penney Company Store, founded 27 years ago.
