### FRANKIE FORBES WINS MAIN BOUT ROSE CITY CARD

PORTLAND, Ore., March 27.—(AP)—Frankie Forbes of Hollywood, Cal., won a 10-round decision over Frisco McGale, Panama negro welterweight, in the main event here last night. The fight was tame. McGale was content to keep in his shell, his body well protected with his elbows and head covered with his gloves, making a hard target to reach.  
Leo Lamelli of Los Angeles and

Eddie Thomas of Bellingham boxed six last rounds to a draw.  
Billy Church of Portland took a six round decision over Landles of Eugene. It was a slugfest match, with Landles displaying a vicious left, but not sufficient to stop the aggressiveness of the local boy.  
Fred Kelly of Portland knocked out Spud Murphy of Hubbard in the second round of a scheduled four-round bout. Eddie Graham of Portland won a decision over Dove Kibicht of Vernonia in the curtain raiser.

### BAR MIXED MATCHES IN CHICAGO COLISEUM AFTER MONDAY PANIC

CHICAGO, March 27.—(AP)—Mixed boxing matches will not be permitted hereafter at the Coliseum, Charles Hall, president of the Coliseum corporation, announced today.

One person was dead and two others were reported dying today as a result of the panic and stampede of spectators at the bout Monday night between Jackie Fields and Young Thompson, California negro.

Herman Landfield, 38, who fell or was pushed over the balcony during the excitement, died of skull fractures and internal injuries.

Eleven persons, suffering from fractures and other injuries, were still under treatment.

A coroner's investigation today into Landfield's death was but one of several inquiries into the affair. The state boxing commission, the city building commissioner and the city council all had taken steps to determine the cause of the panic and to prescribe methods for preventing a recurrence.

CHICAGO, March 27.—(AP)—Ray Alvis, manager of Young Jack Thompson, who was defeated by Jackie Fields Monday night for the N. B. A. welterweight boxing title, said today he would protest the decision awarding Fields the bout and championship.

Alvis said the bout was stopped for more than five minutes and the ring was invaded by others than the fighters and referee. Under the rules of the Illinois Boxing commission, no one except the principals and referee are permitted to enter the ring during the contest, except between rounds.

### LOU GEHRIG CONFIDENT YANKEES WILL REPEAT

ST. PETERSBURG, Fla., Mar. 27.—(AP)—Lou Gehrig, who is one reason why the Yankees won the world's championship last year, thinks his team will repeat this season, or at least take the American league pennant.

"We have six pitchers this year," is Lou's argument. "You can count on Hoyt for 20 games and upward. Penneck if his arm is right, which it seems to be, is good for 20 more. Zachary is a sure bet. Besides those we have Phipps, Henry Johnson and Rhodes. There are several others, but I'm counting on the first six when I say we'll get better pitching this year than any year since we joined the Yankees."

### BAD HEAVING HAND BOTHERING GROVE

FORT MYERS, Fla., Mar. 27.—(AP)—Lefty Grove, pitching ace for the Athletics, will not see service in any of the remaining exhibition games in the south. Manager Mack announced today. A nail on his pitching hand has become imbedded in the flesh, and it will be two weeks at least before he will be able to grip the ball properly. Mack is not entirely pleased with the condition of the squad, and only the pitchers and catchers receive commendation. There is no telling when Bishop will be in shape, due to his long holdout, and Boley's arm shows little improvement.

### BROOKLYN TEAM MAY LOSE JAKE FLOWERS

TAMPA, Fla., March 27.—(AP)—The condition of Second Baseman Jake Flowers is giving Wilbert Robinson more to worry about than all the rest of Brooklyn's large hospital list. Flowers may be lost to the team for two months if his doctor decides he must have his appendix removed. The discovery that this operation might be necessary was made yesterday, after Jake had had his tonsils cut out and a damaged finger repaired. He has decided to consult his own physician in Baltimore.

Pinkham's Sanative Wash. I am a housekeeper and I am still taking the Vegetable Compound as a tonic to enable me to do my work."—Mrs. E. F. VICKNAIR, 529 Hancock Street, Gretna, La.

*Not what you do, but how you do it, that counts*

EVERYONE knows the story of Gene Tunney. How he fought his way up, until at 30 he has retired, undisputed heavy weight champion of the world. From the very beginning of his career Tunney never once let himself get out of condition.

"I started taking Nujol internally seven years ago. The first month Nujol brought remarkable changes in my physical condition. My elimination became active and normal. Since that time I have taken Nujol about five nights a week. If I discover that I have taken an excess I stop its use for a couple of days, when I renew my daily practice of taking a swallow from the bottle before retiring. I have found during my seven years' experience with Nujol that it is not habit-forming, or in any way unpleasant or harmful."

Nujol contains no medicine or drugs. It is simply a pure natural substance (perfected by the Nujol Laboratories 26 Broadway, New York.) It not only keeps an excess of body poisons from forming (we all have them) but aids in their removal.

Buy a bottle of Nujol today. Sold only in sealed packages.
