### FORMER STUDENT OF EAGLE POINT HOME FOR VISIT

EAGLE POINT, Ore., March 27.—(Special)—William Miller a graduate of Eagle Point high school of the class of 1925 and now attending agricultural college at Corvallis surprised us by a visit on Wednesday, March 26. Equal to the occasion, the high school pupils gave a surprise party in honor of his visitor. The party was held at the high school building the evening of March 21. Miss Jamison and Miss Burt, in charge of the activities planned a number of new games which kept up the enthusiasm for the entire evening.

At 10 o'clock refreshments were served consisting of a delicious variety of sandwiches, cake and coffee. The refreshments were prepared by the high school girls and proved that we have a number of good cooks among the high school girls.

On Friday evening at 8 o'clock began a beautiful, colorful illustrated lecture by Mr. Patterson, showing scenes along the Redwood highway beginning at Grants Pass and extending southward over its full length. Mrs. Patterson's illustrated song of her own composition, "Columbia," was most inspiring and expressive of the beautiful waters and its secrets of charm, which have been held for only those paying her a personal visit.

A surprise which is also bringing much comment among the more mature folks of Eagle Point is the quality and resonance of the voice of young Rudy Weidman as a lyric tenor. At this program was his song, "Sunny Boy," in a most pleasing manner. The double duet rendered by the choir was very acceptably received also.

The church was filled to its full capacity as is usual when the people of this vicinity are called upon for a benevolence. A real surprise was realized, the full assembly going to the Ladies Aid society of the Eagle Point community of the church to be placed in the gallery where it may be of most benefit.

"Somewhere the Sun is Shining," and "In the Shadow of His Wings," were rendered by the choir. Mrs. Rosie Smith, Mrs. Edith Weidman and Mrs. Jesse Mittlestadt. The body was then taken to the Medford cemetery when "There's a Land that is Fairer Than Day" and "Nearer My God to Thee," were rendered.

The pall-bearers, his neighbors each one of whom loved him as a brother, were George Stowell, Charles Givan, Lester Throckmorton, Karl Esch, William Holman and John W. Smith. The service closed with the words, "Brother Holbrook, farewell." Ross Kilne was in charge of the funeral.

STRENGTHEN THE BOWELS

HANDY HINGED-TOP TIN BOXES THEY WORK WHILE YOU SLEEP

Don't suffer the consequences of persistent lack of exercise. Learn the simple secret of the exerciser in the vast-pocket box for a dime! Millions know it!

Cascarets make bilious, headachy, constipated people feel wonderful. Their effect is not only quick, but it's lasting. They give the bowels as much real exercise as they get from an hour in the saddle.

Oil, salt and ordinary laxatives do not act like Cascarets. These things produce only mechanical or chemical action. They actually weaken the bowels. You have to keep dosing with them.

Each time you use Cascarets, your bowels become stronger. They are made from Cascara Sagrada, which stimulates the natural peristaltic action of the bowel muscles. Nothing else does this. That accounts for the popularity of Cascarets and their tremendous sales of over 20 million packages a year!
