In an article concerning the proposed Midway road in the Mail Tribune on March 27, there was a false statement given out which we wish to correct. It was as fol-

figures now seen everywhere are largely due to that.

That method is embodied in Marmola prescription tablets. People have used them for 20 years—millions of boxes of them. And everybody, in almost every circle, sees the change. New beauty, new health, new vitality.

Each box of Marmola contains the formula, also the scientific reasons for results. So users have no fear of harm. Learn the facts about Marmola, because of the good it has done. Ask your druggist—now—for a \$1 box with the book. Then decide.
