

**MASONIC BODIES
JOINTLY ATTEND
EASTER SERVICES**

The members of Malta Comman-dary No. 4 and Scottish Rite Ma-sons will join in observing special Easter services Sunday in this city. At 12:30 o'clock those who attend will gather at the Masonic temple at Main and Holly streets and wit-ness the impressive "lighting the lights" ceremony, which will be held by the Scottish Rite body in memory of Philip S. Malcolm, for-mer eminent York and Scottish Rite Mason.

At 1:30 o'clock an Easter dinner will be served, after which the Comman-dary and Scottish Rite members will attend special Easter services at the M. E. church. Re-vereud Raymond S. Rees, pastor of the M. E. church, will deliver the sermon. Wives and mothers of the Comman-dary and Scottish Rite members will enjoy all of the cere-monies and Easter dinner and the members of Malta Comman-dary No. 4 will attend in uniform.

**TICKETS ON SALE
FOR KRUSE MATCH**

Tickets for the Tarro Mylake and Bob Kruse wrestling match at the armory next Wednesday night were placed on sale today and are expected to be sold rap-idly. Mylake, a big 190-pound Jap-anese, recently arrived in the United States on a tour of the nation and it was only through a special concession of his manager that he is appearing in Medford.

Kruse, through former appear-ances, is becoming a local favorite, but is expected to find one of the hardest matches of the season when he meets the Japanese. The semi-windup event will pit Tommy Ryan against a hard-head-ed wrestler from Portland and fans are assured of a hard-fought match. The opening event will feature Curly Woods against Eddie Welch. The former has wrestled several times in Medford but the latter has not appeared here for over a year.

**POPULARITY CONTEST
HAS EIGHT ENTRANTS**

Opened last Wednesday night, entrants in the popularity contest being carried on by Walker's Dance pavilion on East Main street are increasing and up until today, eight contestants had entered. More are expected at the regular dance tomorrow night and during the course of the contest, which will cover a period of several weeks.

The entrants are as follows: Bobbie Long, Marine Norman, Theima Sullivan, Peggy Alexander, Ada Vroman, Mayme Welsh, Eva-lyne Reynolds and Marge Hum-phrey.

**FATHER OF WITNESS
SLAIN AT TELEPHONE**

LOS ANGELES, March 29.—(AP)—Police today were investigating three angles in the mysterious slaying late last night of Jack Crawford, 42, a former Los Ange-les policeman, and father of Don-ald Crawford, 29, scheduled to appear today as a witness in the Councilman Carl I. Jacobsen al-leged frameup arrest case.

Crawford was shot twice, once through the head and then through the heart, while standing at a telephone in his home. His wife and two sons told police that his life had been threatened by a man named Evans, who is alleged to have told Crawford that unless he "kept his kid off the stand they would get him."
