

# HEALTH PRIZES FOR STUDENTS BY FAIR BOARD

### Jackson County Health Association and Fair to Cooperate in Honor Roll—Awards Made at Fair This Fall, Is Plan.

In recognition of the efforts put forth toward a higher standard of health and attainment for children of the county of Jackson County Health association, the fair board has inaugurated a system of "health honor roll awards" which will be distributed on children's day at the fair this fall.

A parade past the reviewing stand will be staged before the awards are made and additional cash prizes will be given for schools in three classifications having the greatest number of pupils present for the occasion.

The awards and requirements for competition as drawn up by the fair board are as follows:

#### First-Class Districts.

**Medford and Ashland:** Banner for the individual building (elementary or junior high school) which has the largest per cent of its members on the health honor roll, May 2, 1929.

#### Second-Class Districts.

**Central Point, Phoenix, Talent, Rogue River, Jacksonville Gold Hill:** Banner for the individual school building (grades 1-8) which has the largest per cent of its members on the health honor roll, May 2, 1929.

#### Third-Class Districts.

All other schools in the county: Banner for school (grades 1-8) which has the largest per cent of its members on the health honor roll, May 2, 1929.

The banners used for award purposes shall not exceed \$10 each in cost and shall be designed by the Jackson County Health association and purchased by the fair board.

The number of members a school has is the number of pupils actually on the roll and in attendance, not marked "dropped" on May 2, 1929. Percentages in all cases are determined on this number as a base.

#### Requirements for Honor Roll.

Honor roll pupils must be certified to by the teacher (or principal, and the county (or city) nurse in the case of each school. These certifications properly made and checked must be in the hands of the county school superintendent before the close of the present school year, and in no case later than May 31, 1929. The certifications, in turn, will be duly reported by the county school superintendent to the secretary of the fair association before the date set for the award. Awards will be made to the schools winning them by the fair association on children's day at the Jackson county fair in September (date to be announced later).

#### Parade and Attendance Prizes.

There will be a short parade past the reviewing stand before the awards are made. The greatest per cent of pupils present in this parade, prizes will be offered the several individual competing schools as follows:

First and second-class districts: First prize, \$15; second prize, \$10.

Third-class districts: First prize, \$10; second prize, \$7.50.

All competing schools may enter the parade but no school will be counted in competition for the attendance prize which does not have at least 25 per cent of its membership present and in formation.

#### FEW ORCHARDS FIRE POTS LAST NIGHT

There was a light frost in Medford last night and this morning with a minimum of 29, and a heavier one in the north end of the valley, which caused two or three orchards there to smudge lightly. The evening forecast had been for a heavy frost, and clouds arising later in this vicinity warding it off, but because the north end of the valley remained clear, it was much colder in that section. Today was, for the most part, cloudy, but fair weather is fore-
