BIG CROWD SEES BUNION BRIGADE START TOE TRIP

ELIZABETH N. J., April 1.—(AP)—The second edition of Charles C. Pyle's cross-country alic and rain parade is off to a good and apparently profitable start.

With a crowd that dwarfed the best they could collect last year gathered to see them start and many thousands more lining the course on the first day's run, the 78 wearers of willing legs made their first day's run of a mere 21 miles. Today they continued with a longer jaunt to Trenton, the last stop in New Jersey, thence westward on their 80-day, 2500 mile journey that is due to wind up in Los Angeles June 18.

Ed Gardner, Seattle negro star, who finished eighth last year, turned in the best performance of the day, leading the pack home in one hour, 52 minutes, 30 seconds.

MISSION PITCHER KILLED BY AUTO

MERCED, Cal., April 1.—(AP)—Pitcher Clyde L. (Farmer) Nance, 21, of the San Francisco Mission baseball team, was killed Sunday in an automobile accident. Nance was en route from Turlock to Fowler with T. J. Patton of Turlock. While driving at high speed at a point four miles south of here, according to authorities who investigated, Nance attempted to pass another machine without sounding his horn. The other car at the same moment swerved to the left to pass a preceding car without sounding its horn. Patton told officers, Nance's car was crowded from the highway and plunged into a ditch, where it overturned. He died shortly after reaching the hospital. His companion was uninjured.

CLUB'S SHOWING DISGUSTS CONNIE

PHILADELPHIA, April 1.—(AP) Returning from Florida where for the last five weeks he had watched the Philadelphia Athletics prepare for the season's American league race, Manager Connie Mack today was far from optimistic over the baseball outlook.

He said he was disappointed, dismayed and somewhat disgusted with his club.

"The team hasn't shown me anything all spring," he added. "You can't expect to win all the time, but there is a way of losing and still looking rather good."

Lefty Grove, pitcher, and Jack Foley, shortstop, returned with Mack to consult physicians. Grove has a sore finger and Foley a sore arm.

WILL TRY LYN LARY FOR THIRD SACKER

PENSACOLA, Fla., April 1.—(AP) Miller Huggins, the master mind of the Yankees, has decided to make another change in his infield. Lyn Lary, expensive California recruit who lost to Durocher in the contest for the shortstop job, will get a chance at Mark Koenig's third base post.

OREGON WEATHER

Fair tonight and Tuesday; heavy rains tonight. High variable winds.

Relief from Gas Stomach Pains Dizziness

The doctors tell us that 90 per cent of all sickness is due to stomach and bowel troubles. You can't be well if your digestion is bad; you are likely to get sick unless you relish food and digest it properly.

Tanlac has a wonderful record as a relief from digestive troubles, even those of years' standing.

Mrs. Annie Waters, of 2752 44th Ave. S.W., Seattle, Wash., says: "I suffered from nerve-racking stomach trouble. Every available remedy brought no results until I tried Tanlac. It built me up till my stomach trouble was cured."

If you suffer from gas, pains in the stomach or bowels, dizziness, nausea, constipation, or torpid liver; if you have no appetite, can't sleep and are nervous and all run down, you need Tanlac. It is good, pure medicine, made of roots, herbs and bark. Get a bottle from your druggist today. Money back if it doesn't help you.

Striking Demonstration Essex Car

A stock model Essex car making a 32 per cent grade near Jacksonville.

Another striking demonstration of the power of the new Essex Challenger was recently made by H. F. Lange, vice-president and service manager of the Armstrong Motors, Inc., when he drove a stock model car up the side of a deep gravel pit along the Applegate road, a short distance southwest of Jacksonville. While the sides of the pit were nearly perpendicular, the bottom had a steep grade of approximately 32 per cent up, which the Essex, containing Mr. Lange and a representative of this paper, for a short distance.

The hand brake, working on all four wheels, was set and the car never slipped an inch, although the occupants experienced difficulty in remaining upright. On the same afternoon, Mr. Lange drove the Essex over the Old Channel mine dike and over a steep road, used originally only for teams. The car had little difficulty in making the pull.

It is a matter of pride for Mr. Lange to point out the Essex as having a special feature in its brakes, the foot and hand brakes working on four wheels whenever put into use. Mr. Lange has a standing challenge to meet any car in the Hudson or Essex price range in regard to pulling power in high second or low gears, and as to brake efficiency.

"Greater gas economy," said Mr. Lange, "has been obtained by a new system of carburation, which converts heat into power—something that is entirely new and means so much to additional gas mileage. We sell by comparison and invite the public to compare the Hudson and Essex as to quality and performance with other cars, including those selling at a higher price."

Mr. Lange has given several convincing demonstrations as to the quality of the new Essex, and along with T. S. Armstrong, president of the company, invited the public to see the car demonstrated at any time.

MORGAN AND ZORILLA WIL MEET THURSDAY

NEW YORK, April 1.—(AP)—Ted Morgan, who holds the Junior lightweight championship, and Santiago Zorilla, who will try to lift it, furnish this week's fight feature. They meet Thursday night at Los Angeles.

The fight originally was carded for Tuesday night but a boil on Morgan's leg forced a postponement until Thursday.

On Friday night in Boston, a pair of big fellows, Otto von Porat, Chicago Norseman, and Johnny Risko, pugilist Cleveland, meet in the week's most important heavyweight fray. Risko, rated among the top notch heavies a year ago, will essay the role of trial horse to prove or disprove the genuineness of Von Porat's claim to recognition among the contenders.

Cons See Baseball.

SAN QUENTIN PRISON, April 1.—(AP)—Fifteen condemned men awaiting execution by hanging saw an Easter Sunday baseball game within the prison walls.

TARIFF DISCRIMINATION DISCLAIMED BY JAPS

TOKYO, April 1.—(AP)—The Japanese foreign office today forwarded to the American embassy here a reply to its memorandum of March 25, protesting the new tariffs on lumber imports as discriminatory.

Contents of the reply were not disclosed, but it was understood it disclaimed any discriminatory intent. A foreign office spokesman said the new tariff was non-discriminatory, and in any event not of sufficient importance to call for American retaliation.

MA KENNEDY JUST GOOD LITTLE GIRL TRYING GET ALONG

PORTLAND, Ore., April 1.—(AP) That she might appear "presentable" in her conference with two California assemblymen who are here to take her deposition in the impeachment proceedings against Judge Charles P. Hardy of California, Mrs. Minnie Kennedy, evangelist, today donned a brand new dress. "Of course I'll see them," she declared when asked if the two legislators from California really were going to see her today. "Why shouldn't I see them?" she queried.

These legislators, William Hornblower and Walter Little, for four days have been searching Oregon and Washington for the evangelist. She stoutly denied she had hidden from the Californians.

FOOTBALL PRACTICE STARTING ON COAST

EUGENE, Ore., April 1.—(AP)—Forty-six football players reported today to John J. McEwan, Oregon grid coach for spring practice at the University of Oregon. A number of players not in school last term have returned and will report. The list includes George Christianson and Austin Colbert, first-string tackles, and the backbone of Oregon's line and George Chappell, reserve center.

SEATTLE, April 1.—(AP)—With husky football players drawing suits for spring practice today, it was announced that poor scholastic work had eliminated David Nesbit, promising end candidate, from further athletic competition. A score of men have already drawn suits and are working out in the athletic pavilion preparatory to the opening of spring practice, Monday.

COMMISSION ASKS COUNTY SHARE IN CAVE ROAD FUND

PORTLAND, Ore., April 1.—(AP) The state highway commission late Saturday awarded a bid for the surfacing of 12 miles of highway between Burns and Sage Hill in Harney county. The award went to Wren & Greenough, contractors, for \$79,765.

J. W. and J. R. Hillstrom were awarded the contract for regrading and resurfacing eight miles of Snake River section of the Old Oregon Trail in Malheur county. The bid was \$52,416.

J. H. Gallagher's bid of \$41,695 was approved for work on the Corvallis-Kilne's Mill section. The stretch is in Benton and Lincoln counties.

The Greenleaf-Low Pass section of Siuslaw highway in Lane county will be resurfaced for 12.3 miles at a cost of \$55,500 by the Holdener Construction company.

In Wallowa county the commission awarded to the Hart Construction company work on the Lostine-Enterprise section of La Grande-Wallowa Lake highway, 7.67 miles resurfacing. Low bid was \$49,974.

The commission awarded John H. Dickson contract for bridges over Four-Mile creek, Johnson creek and Crooked creek in Coos county, at \$21,229.

Mr. bid of \$7,291 by Rudolph K. Krause for construction of bridge over North Power river in Baker and Union counties was held for investigation.

The commission informed the Josephine county delegation that if Josephine county will contribute \$2,500 the commission will match it so that the widening of the road to the Oregon Caves will be continued.

NEW YORK, April 1.—(AP)—Federal Judge Francis A. Winslow, against whom articles of impeachment were recently read in congress, announced his resignation from the federal bench through his attorney today.

CHILDREN ENJOY EASTER HOLIDAY IN HOOVER YARD

WASHINGTON, April 1.—(AP) The White House grounds were thrown open today to a crowd of laughing, shouting youngsters for the annual Easter Monday egg-rolling.

Although the skies were dark and rain threatened, several hundred children gathered within an hour and scrambled about the lawn. As they played, the children of the government gathered within the White House and were greeted by

Max Hoover before joining the crowd outside.

As an unusual feature of the event, Mrs. Hoover had two may-poles to present to the youngsters in person. They were brought to the executive mansion a short while after the egg-rolling began and were carried inside the White House until the first could find an opportunity to slip outside and turn them over to the children.

Neither Mr. nor Mrs. Hoover made an early appearance, the president being busy at his desk, but both planned to look on at intervals during the day.

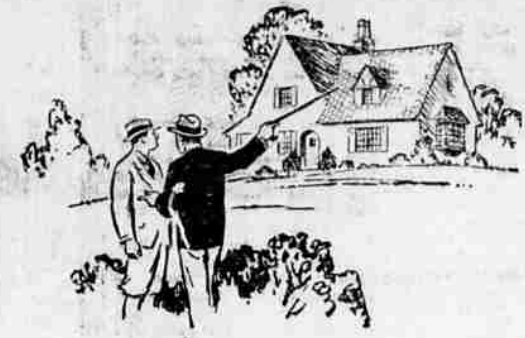

Larson Quits Grocery.
LA GRANDE, Ore., April 1.—(AP)—G. L. Larson, manager of the La Grande Grocery company, wholesale firm, and divisional manager of MacLarr stores here, today retired from the company. He will engage in the automobile business. Larson came to La Grande 17 years ago to the day.

VOTE TODAY FOR CHICAGO CONTROL

CHICAGO, April 1.—(AP)—Extraordinary precautions to prevent stealing of ballot boxes, slugging of watchers and casting of illegal votes were ordered by Police Commissioner William Russell today for the runoff elections in 11 wards, tomorrow.

Control of the city council will be decided. The present administration, headed by Mayor William Hale Thompson, now holds a majority of the aldermanic posts, but opponents of the mayor and his "America First" platform could wrest control from him by winning a large proportion of the positions to be decided tomorrow.

"I'd call my new Certain-teed roof a sound investment"

—And, hundreds of homes are being modernized, made more valuable, given longer life . . . through the right choice of the right Certain-teed Shingle.

For instance, there are some types of homes which need the Certain-teed Hexagonal Shingle (as shown above). Others demand a square-butt Individual Shingle or a long straight shingle of diverse colors. The Certain-teed line fulfills most any requirement for color, design, coverage, or price.

Perhaps you are planning on building a new home . . . it will well repay you to look over our Shingle line first. Or, your old roof may be in such bad condition that a new roof is necessary.

Made of finest materials—known all over the world for value—Certain-teed Shingles are always a worthwhile buy. We have the types, colors and prices that will interest you.

You Can Rely Upon Our Knowledge of the Building Field

Our experience in taking care of home-owners and others in this community may be of value to you on your roofing, remodeling or repairing problems. Make use of it as freely as you want. The confidence and satisfaction of others we have dealt with are indications of the type of service we can render you.

Send for your copy of the new Certain-teed Shingle Circular: "Color, Color, Color".

Coated Tongue Means Poisoned System

Your tongue tells your health! If tongue is coated by the morning and you have a bad taste in your mouth, it usually means your system is filling with poisons from waste matter retained in the body. This state of self-poisoning, or auto-intoxication, causes chronic constipation, sick headaches, sour stomach, and often high blood pressure and hardening arteries. You need to stimulate your liver so it can remove the poisons from the blood and clean the waste out of the colon. Pure ox gall is the best thing for the purpose. It is a natural liver stimulant, as any doctor will tell you.

You get the genuine, pure, ox-gall in handy, tasteless form in lozenges. Each tablet represents 10 drops of the precious ox-gall and costs less than 2c. Try a few for three or four days. The amount of old waste matter expelled from your body will amaze you. Note the new feeling of health, strength and energy that is yours. You'll feel like a new person. All druggists sell boxes of tablets. Special agent: Javania & Woods Drug Store.
