

School Notes From the City and Valley

Junior High

Reporter: Betty Stennett.

Banking
Junior high banked 99.2 percent. All rooms banked 100 percent except room 3 with 94.5 percent. This shows an increase over last week. Keep this up and we shall reach our goal of 100 percent!

Spelling
The spelling average for the school was 87 percent. The 1's made 99.4 percent; 1-2's, 99.2 percent; 2-1's, 98.8 percent; 2-2's, 95.5 percent; 3-1's, 100 percent; 3-2's, 99.1 percent.

Music
The harmonica quartet will play today during the social hour, at the Old People's Home.

Steps are under way for uniforms for the harmonica band and Mr. Walter's band. The capes will be made of gold colored felt bound with black silk military braid. The regular junior high caps will be worn.

Assembly
The regular Friday assembly was held and an interesting program was enjoyed by all.

The banking report was given by Dora Crawford.

The basketball letters were awarded to the following: George Harrington, Billy Walker, Ray Washam, Elmer Zumburn, Lloyd Hammack, William White, Bob Dietrich, Billy Knips, Frank Roberts and Orville Davison.

"Neapolitan Night," Zamecreek, girls.

"Hark, Hark the Lark," Schubert, Glee club.

"La Paloma," Victoria record entered on music memory contest.

Solo, "Girl of My Dream," Goldie Elliot, accompanied by Naomi Frost.

Blackface stunt, Earl Davis, Medford's famous comedian.

Boys' Athletics
The boys have started to practice for the Southern Oregon Junior High track meet, which will take place May 11, with Ashland, Medford, and Grants Pass participating. It is not known whether Roseburg will send a team or not. Our boys won the cup last year and hope to bring it home again. It has to be won three times in succession before it can be kept permanently.

Girls' Athletics
At the meeting of the G. A. A. a week ago last Thursday, the girls changed the constitution. It had been very hard to obtain 100 points, which is the required amount to get a G. A. A. letter. It was changed so the 100 points could be obtained in one semester.

Last Thursday membership campaign ended. To be a member now, two-thirds of the members must vote for the girl wishing to join.

Mathematics
All the arithmetic classes have been taking tests in the four fundamental processes of decimals and fractions. The pupils are looking forward to the results, which will be posted on score sheets.

Special drill classes will be organized for those pupils who desire to improve in this line.

The fair work for arithmetic will be started soon. A number of entries will be prepared.

Girls' League
The Girls' league met Monday at 4 o'clock with Nellie Green presiding. Evelyn Herman gave a reading, and Marjorie Lewis rendered a piano solo. Both were much enjoyed.

Mrs. Maybelle Church, one of the teachers, gave a short, interesting talk. As a surprise feature

a singing contest was held. Zoe Dell Lantis was the winner.

Science
The high school science class is preparing a sketch for assembly, which is to be given the last of this week.

The 11-1's have finished geography and are starting elementary science.

Personals
Mrs. Clarke was absent the first of the week. Mrs. Neilson substituted for her.

David and Olive Wallace returned last Monday after a six weeks absence due to scarlet fever.

Sybil Jean Young, Loleta Bennett, and Miriam Watson, are among the victims, who have scarlet fever.

Lorena and Walter Atkins are two new pupils.

Teachers See Show
As guests of George Hunt, the teachers of Junior high were invited to see the picture of the "Great White North," at the Rialto theater, Wednesday evening at 10:20. The teachers reported it a very fine picture.

Students See Exhibit
The students were admitted free to the Colonial Art exhibit, Thursday afternoon from 3 to 6 o'clock, at the M. E. church.

Many beautiful paintings were seen by those who attended. Among the well known ones are: "The Age of Innocence" and "Simplicity," by Sir Joshua Reynolds, "The Gleachers" by Millet, "Song of the Lark" by Breton and "Dance of the Nymphs" by Corot.

Fire Drill
A fire drill took place Thursday. The building was emptied in fifty-one seconds.

Special Assembly
A special assembly was held Friday morning. Mr. Rice, the founder of the Rice Tenmanship system, was the principal speaker.

Roosevelt School

Reporters
Among the reporters for this week are two 5A pupils, Mary Powell and LaVonne McCulloch. They wrote about the art exhibit and the 5A library lesson. Other reporters are: Mollie Browne, Stanley Kunzman, Catherine Brandt, Irene Alcock, Betty Dinnan, Ray Offord, Marjorie Archer.

Library Work
Our class, 5A, went to the library on Tuesday. We reviewed the use of the card catalog. We learned that an encyclopedia is a reference book. Miss Cryster is the librarian. She gave us some "Books of Knowledge," a few "Wonder Books," and some of Compton's encyclopedias to look at. She said she would ask us all about what we learned the next time we came.

Art Exhibit
I am sure everybody enjoyed the art exhibit given at the Methodist church last week. It was very kind of the Colonial Art company to show us these pictures free. There were many beautiful paintings there. The ones I especially enjoyed were: "Spring," "Feeding Her Birds," and "The Age of Innocence." Those who did not go missed something worth seeing.

Banking
If Roosevelt children keep on banking as they are now their parents won't have to put them thru college. They can put themselves thru. Also, when a rainy day comes they can help their parents. The banner rooms last week were as follows: 2B-2A, 115.4 percent; 1A, 112.9; 1A, 103.3; 5B-6B, 102.9; 3A, 100. The building average was 96.7 percent.

Health
Most of the Roosevelt school boys and girls are going to be on the Health Honor Roll. At least most of us are trying. Last week the building percentage was 81.8. The room having the highest percent was 3A, 93.7.

Boys' Baseball
In their final game, which was with Jackson school, the 4th graders won. It could be seen from the start that our team was stronger. The score: Jackson 14, Roosevelt 17. Coss, our little midget pitcher, pitched a fine game from the time he was put in to the end. Many onlookers commented on "the little sweet-off kid's" pitching. The 5th and 6th grade team came mighty near beating the Jackson also, on Saturday, March 30. In the beginning four innings, we had seven partly second string men to play for us. We held them 4-3 till more men came. Then we piled in four more runs in the beginning of the final inning. Hubler, our pitcher, got a little too excited and Jackson's team tied the score. Another inning was played. We made no runs but the Jackson made 1. The score at the end of the game was Jackson 3, Roosevelt 8.

Visit of Mr. Rice
Mr. Rice of the Rice System of Writing paid us a visit Friday morning. He made us feel that we were progressing well in our penmanship and like the attitude shown the work.

Spelling
The spelling percent for the Roosevelt school the past week was 94.7 percent. The 5B grade had the highest average which was 98.7 percent. We wish some room would get 100 percent.

P. T. A. Meeting
The Roosevelt Parent Teacher association held a meeting Friday, April 5, at 3 p. m. After a short business meeting there was a mu-

being made in Ray Henderson's physical education classes. All events entered last year will be this year also. The meet will be held Saturday, May 4th. The events are as follows: Running high jump, 50.75 and 100 yard dashes, and shot put. Henderson is also thinking of adding the baseball throw.

Fire Drill
The Roosevelt school children were rushed out of the building on Thursday morning shortly after 9 o'clock because of an unexpected fire alarm. The children were out in 55 seconds. But we have made a better record.

Tooth Poster Contest
Some time ago there appeared in the Child Health Magazine, an article about tooth posters. Then a rush and scurry for colored papers, scissors, paste, and ideas ensued. Many anxious contestants were vainly hoping to win a certain \$5.00 or \$2.50 prize. But that \$5.00 prize was not meant for us. But wait a minute. Who won the \$2.50 prize? Why, our Raymond Daugherty. A little coal black negro with a full set of shiny, white teeth, and a healthy smile on his poster won due credit. His slogan was, "No Tooth Trouble."

Pupils Leaving
The following pupils left Friday for the Red Top school in the country: Agnes Van Ortwick, 1A; Bertha Van Ortwick, 4B; Velma Van Ortwick, 5B; and Clyde Van Ortwick, 6A. We are sorry to have them leave but we hope they will enjoy their new companions at the Red Top school. Pearl Manfull, 5A and Mollie Manfull, 4A, also left for Klamath Falls.

American Tree Association
The Roosevelt school has a thriving Tree association of about 30 members. To be a member of this American Tree association a child must fill out an application signed by two witnesses showing that he has properly planted a tree.

During the year 1928 there were 118 trees planted by pupils of Roosevelt school.

In recognition of this, the Greater Medford club and the Garden club awarded \$5.00 to the school. This money will be spent for something nice for the school.

The pupils are very grateful for the interest of these civic clubs and plan to continue the good work of beautifying the East Side.

Two years ago this school received honorable mention in the Nature Magazine for the tree planting done during that year.

Jackson School

Banking 97.7, 100 percent rooms: Mrs. Henderson's, Miss MacNiven's, Mrs. Gustine's, Mrs. Taylor's, Mrs. Lindley's.

Health inspection: Good, 100 percent rooms: Mrs. Laidley's, Mrs. Taylor's, Miss Hansen's.

Fire drill: 48 seconds.

Spelling 88.7. High grades, 3B's, 99.5 percent; 6B's, 99.2; 4B's, 99.7; 5A's, 99.4; 2A's, 99.5.

Baseball games: Jackson 4, grade boys 14, Roosevelt 4th grade boys 17, Jackson 1st team, girls, 23, Roosevelt 1st team, girls, 43.

Mr. Rice assured the teachers of the Jackson school that they were getting very fine results in their writing classes. He was making a tour of inspection and spent a part of last Friday morning advising with the teachers and noting methods in developing his system.

About two hundred attended the art show at the M. E. church, then went to the show, The Great White North, at the Rialto. One was free, the other was cheap and the children assured us that they both were very much worth the trip and efforts.

An evening of social pleasure was planned by Mr. McCouaghney, and Saturday evening a large number gathered at the court house in Jacksonville. The evening was spent in games and dancing, and all pronounced it a most enjoyable hour of pleasure.

The chorus class is enjoying a very pleasant drill in singing nearly every day, with Prof. Parrish as the leader. Each student sees more possibilities in his untrained voice than ever before, and desires to make the most of the training being given.

The senior class is beginning to realize that the time is short, and all are working hard, getting ready for graduation.

Rogue River Academy

The Missionary Volunteer convention of the young people was held at Medford, March 23 and 24. Delegates from all parts of southern Oregon conference were in attendance, and a very enjoyable and profitable meeting was held. Pastor J. L. McCouaghney from College Place, Washington was present and gave much helpful counsel to the young people.

An evening of social pleasure was planned by Mr. McCouaghney, and Saturday evening a large number gathered at the court house in Jacksonville. The evening was spent in games and dancing, and all pronounced it a most enjoyable hour of pleasure.

The senior class is beginning to realize that the time is short, and all are working hard, getting ready for graduation.

inc at Miss Hansen's apartment from 7 until 9. Near time it will be a swimming party.

The two teams in the 5A arithmetic contest are so close together that we have a hard time to remember which is in the lead. Scores: Marion 31.5, Jan 21.0.

Bruce Henselmann was so excited when the fire siren rang Wednesday afternoon that he grabbed one of the geranium plants in room 8 and dashed outdoors; breaking all former records. At that, he brought the plant back none the worse for wear.

Marion Brigham of the 5A class had a birthday Wednesday and we took advantage of this fact to give her a few hard paddles.

It is probably due to the fact that the 5A class scores a 100 percent every week in health that they have so many on the honor roll.

The children in the first A are quite enthusiastic about "Health Street." Each day that we have 100 percent for health inspection, a new house is added. The average this week is the best we have had this year. Only two people were on the "black list."

Thursday Mrs. Jones tested the eyes of the children in the department. Out of an enrollment of only — only four were found with defective eyesight. This test completes the physical examination for eligibility on the Health Honor Roll.

The Hygiene classes have been enjoying a new set of health posters. They are effectively colored and most attractive in their portrayal of life among children of other countries. We have also another set of posters showing hazards in everyday life of members of the Simple Family. Strange but we seem to have found several members of this same family who are attending Jackson school. However, we are expecting the Simple Family at Jackson to decrease rather than increase.

St. Mary's Academy

The lower classmen together with the junior trio held an intriguing conference in the office the first of the week, arousing the curiosity of the seniors.

The more conventional members of the senior class bled, to the summit of a neighboring peak Sunday, from which they are gradually recuperating.

Because they were defeated in a vocabulary contest, the Cavalier fraction of the Spanish class treated the Trombadors Friday.

The monthly C. B. (Candle Bearers) meeting was held Friday morning. Plans were made for the annual C. B. day program and committees were appointed for various activities. The date has not yet been definitely decided.

The magnanimous juniors still have hopes that their mythical snow man will materialize.

The members of the music club are making preparations for their annual party, which will be held in the near future.

The music club served a lunch Thursday noon, which met with us favorable a success as their previous sales.

JEWISH WOMEN DEFER DATE OF ANNUAL MEET
LOS ANGELES—(AP) Women representing 235 local organizations with a total membership of 52,000 will meet here next January when the twelfth triennial convention of the national council of Jewish women is convened. This meeting was originally scheduled for November, but the date has been changed.

Hear the radio program of the "Hudson-Exes Challengers" every Friday evening

THE CHALLENGER

THE BIG SWING is to ESSEX

It Challenges Your Interest in These Important Ways

EASY TO BUY

For Instance, the Coach \$295.00 Down, and monthly Payments of \$38.80

Your present car will probably cover the entire first Payment.

The H. M. C. Purchase Plan Offers the lowest available finance terms on the balance.

EASY TO OWN

On our own streets, here in Medford, Essex the Challenger, under competent observation, averaged 22 miles per gallon. The average owner in this city can expect 18 to 20 miles and upward. Hundreds of records all over the country during "Challenger Week" prove Essex economy. Commercial users operating large fleets of Essex cars say that SERVICE AND MAINTENANCE COSTS, covering millions of miles of operation, are lowest of any car they ever tested.

Essex the Challenger sweeps aside the barriers of price class. It challenges the performance, the style, the luxurious roomy comfort of any car at any price, on the basis that no other gives you back so much for every dollar you put in. That is why the big buying swing is to Essex. That is why motorists by thousands are switching from past favorites, and trading in their present cars for the big values Essex the Challenger gives.

A Wide Choice of Colors at No Extra Cost

A Big, adult-size "Six." Fine to look at. Roomy and comfortable. Rich, handsome upholstery and appointments. A SUPER-SIX motor—70 miles an hour—60 miles an hour all day long. In get-away and hill climbing it challenges any car.

Hydraulic shock absorbers, 4-wheel brakes, radiator shutters, and air cleaner are standard. They do not cost you one cent extra. The same with the new type GLARE PROOF rear view mirror, safety lock, starter and electric gauge for fuel and oil on dash. Bright parts are chromium-plated. Ask for a ride and WATCH THE ESSEX.

\$695 AND UP - AT FACTORY

Coach	695
2-Pass. Coupe	695
Phaeton	695
Coupe	725
(with rumble seat)	
Standard Sedan	795
Town Sedan	850
Roadster	850
Convertible Coupe	895

Standard Equipment Includes: 4 hydraulic shock absorbers—electric gauge for gas and oil—radiator shutters—saddle lamps—windshield wiper—glare proof rear view mirror—electrolock—controls on steering wheel—all bright parts chromium-plated.

FORWARD-LOOKING PEOPLE WILL INVESTIGATE THIS CAR

Brakes—

another All-American feature that arouses owners' enthusiasm

The brakes of the New Oakland All-American are internal-expanding . . . fully protected . . . unaffected by mud or rain or ice. They are always positive and smooth in action . . . always exceptionally quiet . . . Yes . . . Oakland's brakes are far from ordinary. . . But the same is true of everything else in the New All-American Six. Come in . . . and we will show you how much more it offers for its price.

Prices \$1145 to \$1375. J. O. Pontiac, Michigan, plus delivery charges. Spring covers and Lovelock Hydraulic Shock Absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values. Oakland-Pontiac delivered prices include only reasonable charges for delivery and financing.
