## PORTLAND LOSES CLOSE GAME AND WINS JOKE TILT

SACRAMENTO, Calif., April 6.—(AP)—Sacramento and Portland shared today's double header, played before packed stands, with the solons taking the first 4 to 1 and losing the seven-inning night cap, 11 to 7. Ed Bryan and Fred Ortman tangled in a mound duel in the first, Bryan walking off with the spoils although hit harder than the loser. A homer by Art Koehler in the fourth and two walks and a single in the sixth proved Ortman's undoing.

The second game was a joke affair until the Sacs finally got within reach, and chewed down a ten to one lead by scoring five runs in the fourth and fifth frames. Seven hurlers paraded to the hill in this battle. The series now favors the Senators 3 games to 2.

First game: R. H. E.  
Portland 1 9 0  
Sacramento 4 7 0

## KENTUCKY DERBY WINNER FIZZLES

LINGFIELD, England, April 6.—(AP)—Carrying a weight of 124 pounds, 24 more than the winner, Reich 'Cotton' American Jockey ran his first race in England today and finished eleventh in a field of 25 in the Lingfield handicap for 1500 pounds (about \$7,500). It was the first time the Kentucky derby winner ever had been called upon to run on turf or on a downhill course.

Squire Rock, an outsider at 100 to 6 owned by Z. G. Michaels, finished first a length ahead of Cahbero, also 100 to 6. Cahbero, at 10 to 1, was third, a neck back. Traveling Light, Squire Rock covered the one-mile sloping course in just a minute and a half.

Tournament play will be enjoyed on the Rogue Valley golf course today with prizes hung up for low gross and to what scores. An entry fee of fifty cents will be charged.

Lunch will be served at noon by a committee who have prepared appetizing viands for the hungry golfers to be disposed of at the nominal sum of 25 cents per plate. The luncheon is by way of an experiment and if sufficient patronage is enjoyed the practice will be continued.

The lunch committee includes Mrs. G. M. Roberts, Mrs. Sylvia Smith, Mrs. D. Russell, Mrs. W. H. Multhead, Mrs. T. J. Pusey and Mrs. D. R. Wood.

Dates have been changed for the ladies' tournament and the next competition will be held on Tuesday, according to announcement made Saturday.

## GOLF TOURNAMENT AT LOCAL LINKS FOR LOW GROSS AND NET SCORE

Plumbers who charge for the time spent in going back for tools are less reprehensible than joke-smiths who take money for that old wheeze.

## STANFORD HANDS TROJANS DEFEAT IN TRACK MEET

ALTO CAL., April 6.—(AP)—In a surging drive that brooked no opposition, Stanford's Cardinals smashed out a great 74-57 victory over southern California's Trojans today to win the Pacific Coast dual meet title and at the same time sound a warning to the rest of the country that it will make a serious bid for a third successive national track and field championship.

Showing unexpected strength on the track that surprised even their most ardent supporters, the Cardinals clinched victory after the thirteenth event. Eleven thousand persons clustered in the huge bowl responded to three thrilling upsets that brought Stanford points in the low hurdles, the half-mile and broad jump.

On the track the teams broke even, each scoring 34 points while the Cardinals came through as expected to snatch 40 victories in the field trials. Southern California piled up 23 points in the field.

Two sons of Stanford won their way into places in the hall of athletic fame. Alex McKinnon, hero of the half-mile, entered this event for the first time this year and left the crowd gasping with a thrilling victory, after previously winning the mile. Untrained for the event, he led the southern California entrants across the line in 2 minutes 3-8 seconds.

There were no startling times of distances throughout the meet. Wardmonds was high point man with 11 with Jacob and McKinnon each taking ten points.

## Splendid Cast at The Isis Theatre

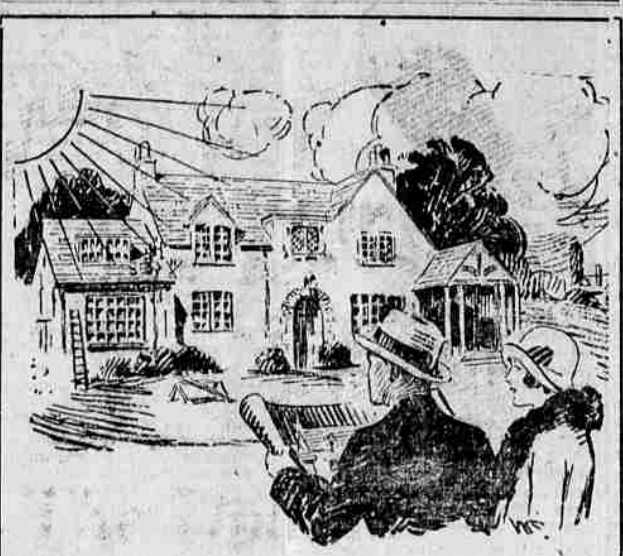

There are three important male roles in "The City of Purple Dreams," at the Isis today and Monday. Each characterization requires a rugged personality for its portrayal. Robert Frazer plays the lead, fights against destiny and wins. David Torrence is a leader in the financial world, and Paul Panzer, a dangerous radical. And the feminine leads were selected with equal care, with Barbara Bedford and Jacqueline Gadson handling the contrasting forces of good and evil in the dynamic career of this young man.

It is a powerful story of a young man with the determination to win his place in the world.

PERTH, N. S. W., April 6.—(AP)—Captain Charles Kingsford-Smith and his three companions of the Southern Cross were believed today to be down southwest of Thuruburn Bluff, western Australia. A government launch with a government searching party was sent for them. The information was conveyed in a telegram this morning to Philip Collier, premier of western Australia, from Colonel Mansbridge, resident magistrate at Broome, far west Australian coast.

# Why . . . Have Tire Trouble ?

Side-wall breaks, rim cuts, bruises and excessive tread wear are the results of under-inflation.

This condition destroys more tires than any other one factor.

Having your wheels in proper alignment is also very important. Unless this is done your tires have a dragging side motion that acts like a file, quickly wearing them away.

Come in once a week and let us inspect your tires. It will mean a great saving to you.
