BANANA IMPORTS SHOULD PAY 70C A BUNCH, IS VIEW

Interesting figures on banana imports, on which fruitgrowers of this section, co-operating with horticulturists of other sections, are seeking a tariff, are furnished in the report of the department of commerce, issued March 29, says Albert Burch, president of the Jackson County Fruitgrowers' League. Sixty-four million, three hundred thousand bunches of bananas were imported last year. The banana is the only duty free import, and comes in direct competition with pears and apples. A tariff of 70 cents a bunch is asked. The 70-cent tariff would put the banana on a parity with Rogue river fruit costing a dollar a box to put on the cars. The Rogue River valley fruit shipments, it is said by Mr. Burch, amount to one thirty-second of the banana imports. The banana imports showed a slight increase last year over the previous year, the report shows. It is expected that the banana tariff question will come up at the special session of congress, which convenes next Monday, and the orchardists have been promised the support of Senators McNary and Stelwer and Representative Hawley in its behalf.

LEGION WILL GREET NATIONAL COMMANDER ASHLAND, APRIL 24TH

The Medford American Legion post will be represented by a delegation ranging from 50 to 60 members at the special luncheon arranged in honor of Paul V. McNutt, national commander of the legion, when he visits in Ashland April 24, on a tour of the west, visiting as many posts as he can reach. The Ashland post was represented at the local post meeting and party held at Jacksonville last night, with Commander Debsman and Comrades McCracken and Enders present. The visitors outlined plans of the luncheon and brought with them a supply of tickets which were turned over to Adjutant Garlock. The gathering is expected to be one of the largest of its kind ever held in Ashland and, in addition to Medford, will draw delegations from Grants Pass, Klamath Falls and other southern Oregon points. The reception committee of the Medford post to greet Commander McNutt will be composed of H. L. Bromley, chairman, D. G. Tyree, L. B. Walther, Lester Wellington, E. C. Ching, Warren Butler and J. R. Foy.

TROUT LIMIT GIVEN FOR COMING SEASON

With the opening of the trout season next Monday in the Rogue river, fishermen are reminded the bag limit is 30 fish or pounds in any one day or 60 fish or 40 pounds in any seven consecutive days, provided that it shall be unlawful to have in possession 60 fish or 40 pounds at any one time. Steelhead are classified as trout, and it is unlawful to take them except with hook and line under the same restrictions as given above. In Jackson county the Rogue river is closed for a distance of 400 feet below the Cold Ray dam and Squaw Creek is closed between Big Squaw and Little Squaw lakes.

SNOW NO HAMPER TO LOGGING OPERATIONS

Snow which fell the past three days in the hills, did not hamper the logging operations of the Owen-Oregon company in the Butte Falls district, according to Gain Robinson, sales manager. A foot of snow fell at the two camps. Two train loads of logs are being hauled to the mill daily from the woods, and are sufficient to maintain the plant in its present full time basis.
