Dance, Gold Hill Sat. night. 22\*

A rich vein of ore has been uncovered in the Robertson mine at a depth of 200 feet, according to K. Dean Butler, who has just returned from a trip to the property. He brought back a sample of the ore, which shows heavy values in free gold. The extent of the vein is not yet known. Mr. Butler states that work is progressing on the road to the mine from Galice and 11 men are now working on this job.—Grants Pass Courier.

Highest grade Utah coal, any size, anywhere, any amount. Hansen Coal Co. Phone 239. 16\*

Fishermen having complaints to make in regard to salmon fishing in the Rogue river are reminded by the deputy game warden that such complaints must be made to the state fish commission, as the salmon is regarded as a commercial fish and does not come under the jurisdiction of the state game department. Deputy Warden Parr returned yesterday from Portland, where he had attended the annual convention of Oregon game wardens, and this matter was brought up for discussion during the course of the convention.

Upholstering — Call Jacksonville 262. 386
