luncheon given by L. Horowitz, to promote arbitration in place of lawsuits, said that the word "alloy" that once meant "inferiority," now stands for improvement.

Stools are made better by alloys, the mixing in of other metals.

Human races are also improved by alloys, mixtures of other human beings.

We need all kinds of humans that mix satisfactorily. For remnant known to Providence the Mongolian and Caucasian races do not mix well.

Those that gamble in stocks or anything else are foolish and will regret it. But the country is prospering and business is going.
