### FLEAS NOT BARRED IN CHILDREN'S PET SHOW AT ARMOY APRIL 20

Pet fleas are eligible—oh yes, indeed they are—to the children's Pet Show to be held in the local armory, April 20—only they are apt to have a tough time of it. There are going to be a number of attractive prizes awarded to both girls and boys, entering animals that prove to be either the most popular pet, the most unusual pet or the best cared for pet.

Just try and imagine a flea being popular! Or well cared for. In fact most hard-hearted folks are in the habit of thinking all sorts of mean things about Mr. Flea, and they don't seem to care whether he likes it or not. But as to him being an unusual pet! Well that is something different!

The Pet Show is being sponsored by the Humane Society of Jackson County, as a climax to national Pet-Kind-to-Animal-Week which starts tomorrow, April 14 and ends tomorrow, April 14 and ends tomorrow, April 14.

There will be a parade (if it doesn't rain) from the playgrounds where all the boys and girls entering pets for the show will meet at 9:30 in the morning and form an imposing procession, escorted by the Boy Scouts. They will march down Main street to the Medford folks know what it is all about, and then proceed to the armory, where the actual show is to take place from one o'clock to 10 p. m.

All children who wish their pets to be represented at the exhibition must obtain their entrance blanks from the teachers in the city and rural schools which they attend, and register their pet by Wednesday, April 17.

Each animal entered is to be given a thorough examination by Dr. D. W. Stone, before it is allowed to enter a place in the show. Dr. Stone is also offering, in addition to the numerous other prizes by the humane society, a cash prize for the best trained dog entered.

There will be a first and second prize given to each girl and each boy whose pet proves to be the most popular, the most unusual or the best cared for animal entered.

### SOUTHERN CROSS HAS THANKS FOR RESCUE EFFORTS

SYDNEY, N. S. W., April 12.—(AP)—First direct word from the missing airmen of the "Southern Cross" was received at Sydney today in messages signed by C. P. Uim, noted pilot. His few crisp words in the form of telegrams gave some slight inkling of the suffering which the crew of the plane has undergone since they were forced down on March 31 while en route from Sydney to Wyndham.

"We have been through a terrible time, but will be returning to recondition the Southern Cross for the flight to England."

This was the first message signed by Uim. It was addressed to Chairman Garlick of the Sydney citizens' fund through which part of the two weeks' search for the missing men had been conducted.

In this same message Uim asked Mr. Garlick to convey in behalf of himself, Captain Charles Kingsford-Smith and their companions "heartfelt thanks to the citizens of Sydney for all they have done for us."

The message was telegraphed from Derby, having been carried there by a Heath Airways plane. The pilot had made a landing near the Southern Cross, which was discovered yesterday near Port George.

NEW YORK, April 12.—(AP)—Reduction in pension payments under the \$30,000,000 Carnegie foundation for the advancement of teaching, was the subject of controversy today.

### SPORTS YANKS-GIANTS PICKED TO WIN LEAGUE FLAGS

Associated Press Conducts Annual Pre-Season Dope Consensus—Philadelphia Second Bet in American League Race.

By Alan J. Gould Associated Press Sports Editor. NEW YORK, April 12.—(AP)—The threat of another all-New York monopoly of major league baseball's highest laurels stands out in the advance dope for the pennant races that get under way next Tuesday.

It was not so long ago, in 1921-22-23, that the world's series was just a subway affair. This trust was broken up and only half of its former partnership—the Yankees—has since operated with any conspicuous success.

This year the Giants again join their fellow townsmen as favorites in the forthcoming championship races, as a result of the official consensus of newspaper experts compiled for the third successive year by the Associated Press.

Here are the predicted orders of finish in the two leagues on the basis of the consensus: American league—New York, Philadelphia, St. Louis, Detroit, Washington, Cleveland, Chicago and Boston.

National League—New York, Chicago, Pittsburgh, St. Louis, Cincinnati, Brooklyn, Philadelphia and Boston.

The three-year record of the Associated Press consensus, in which an increasing number of newspaper critics have co-operated annually, reveals the expert batting on the bright side of the 500 mark. They picked the Pirates successfully, on the basis of pre-season dope in 1927, the Yankees in 1928 and came close enough on the others to fortify their records. The Yankees of 1927 were second choice to beat out the highly favored Athletics. In 1928, the first-choice Pirates upset calculations by skidding down to fourth position in a ding-dong race, but the St. Louis Cardinals, a robust second choice, came through to justify a lot of opinion in their favor.

While fishing licenses have not been sold in large numbers at the county clerk's office, reports from sporting goods stores in Medford indicate the sales has been fairly heavy. The fishing season for trout opens next Monday, but not many fishermen are expected to be out until the following Sunday, meaning a heavy license sale next week.

The weather is reported to be unfavorable for good angling and the fish are also reported to be scarce in the Rogue river and other county streams. However, the arrival of brighter weather is expected to do much to improve this condition.

SAN FRANCISCO, April 12.—(AP) Corporal Izzy Schwartz of New York lambasted Boy Walley of Singapore to an easy 10-round decision here last night. Eight rounds went easily to the New York boy, one was conceded to Walley and the seventh round was shared.

SACRAMENTO, April 12.—(AP)—In as thrilling a battle as has ever been staged in the L Street arena here, Al Garcia, Spokane welterweight, knocked out Freddie Hoppe of San Francisco in the tenth round here last night.

HOLLYWOOD, Cal., April 12.—(AP)—Joe Roche, San Francisco Italian, won a 10-round decision over Homer Sheridan, Sioux City, Iowa, middleweight, in the main event here last night.

SAN DIEGO, Cal., April 12.—(AP) Jack Bewley, Oakland heavyweight, won the 10-round decision over Larry Serrati, San Francisco, here last night. Bewley outboxed and outpunched Serrati throughout.

Says Talkies Tiresome. NEW YORK, April 12.—(AP)—Al Woods, theatrical producer, disents from the rush to the talkies. "There is a tiring monotony about them," he thinks, "and in a year or so all the actors will be back on the legitimate stage."

The most dependable sign of spring, according to old timers of Norfolk, Va., is when prices on strawberries and shad roe are reduced.

### WOOD WILTS AS BROW MASSAGED BY BUTCHER BOY

Although he started out in whirlwind form, slapping on hold after hold until he won the first fall in 16 minutes, Sailor Jack Wood, local pride, lost the next two falls to Billy Edwards, Kansas City wrestler, at the Armory last night before a fair sized crowd. Edwards' chiropractic headlocks, bringing the knuckles in active play against certain nerves in the head, were Wood's undoing.

The match was no tame affair. Wood sent Edwards over the ropes several times and on one occasion attempted to wrestle the Kansas City man when both were out of the ring. Kicking and slapping composed a portion of the playfulness in which they indulged, and once when Wood nearly had a perfect "crucifix" hold, Edwards bit him in the leg, breaking the hold at once. Obtaining a choice hold on his adversary's toe, Wood won the first fall in 15 minutes and 12 seconds, when Edwards was forced to pat the mat.

The men wrestled on fairly even terms for the second fall until Edwards managed to slip several headlocks in succession. Edwards appeared to be groggy and held onto the ropes for protection, and at times flayed his arms through the air like a windmill. Despite this form of protection, Wood repeated the headlocks until the crowd believed Edwards was defeated, but in the turmoil, the latter slipped another knuckle headlock on Wood, and the match was over. The fall came in approximately five minutes.

In the special event, Tommy Ryan defeated Joe Corbett of Roseburg in 12 minutes, without particular difficulty.

The opening event between Curly Woods andummy Powell was wrestled 15 minutes to a draw. The boys spent a good share of their time wrestling on their feet.

While the main event was rough, it was not as rough as others staged in Medford. Wood did not lead a determination to throw Edwards as quickly as possible. A return match between the two men would be interesting and would be welcomed by the fans.

### KID CHOCOLATE AND GRAHAM IN WILD RING BOUT

Cuban Wins On Foul—Four Knockdowns in Fracas—Thousand Counterfeit Tickets Sold—Crowd Stages Minor Battles.

NEW YORK, April 12.—(AP)—The question of bantamweight supremacy, a complicated problem since the night two years ago when Charley Phil Rosenberg forfeited his title on the weighing-in scales, was no nearer settlement than ever today, but New York fans at least had one gala night to look back upon as a part of the arguments.

Some 15,000 jammed Jess McMahon's new fistic emporium last night for the 15-round struggle of Kid Chocolate, the Cuban sensation, and Bushy Graham, wire-haired phantom from Utica, N. Y. They saw a great fight while it lasted, the decision given to Chocolate on a foul in the seventh round.

The big barn-like structure far up in the Bronx was opened by the former matchmaker at Madison Square Garden. One thousand sold and spectators arriving late found their seats already occupied. There was major fighting within the ring, minor battling within the spectators and general squabbling and milling outside.

The fight itself was spectacular while it lasted and ended in disappointing fashion when the King of the Ring, four times warned for low punching, shot a final blow to Chocolate's belt line when on the verge of a knockout in the seventh. There were four clean knockdowns in all.
