OAKS MIX HITS WITH MISCUES OF ANGELS AND WIN

LOS ANGELES, April 13.—(AP)—After tying the score in the eighth with an eight-run spurge, Oakland nosed out Los Angeles two innings later by a 12 to 11 score in a wild struggle here today. The Angels at one time were leading 11 to 2, but the Oaks put over eight tallies in the eighth, with the aid of five Los Angeles errors, to even up matters. In the tenth another Angel misplay paved the way for Bob Hurst, young Oakland hurler, who crossed the plate with the winning run. Butler, Holling and Berger poked for the circuit, while "Bugs" Arlett, who started on the mound for Oakland and remained there until hammered to the showers in the seventh, likewise lifted one over the fence. R. H. E. Oakland 12 18 6 Los Angeles 11 11 6 (Ten innings). Batteries: A. Lett, Dumovich, Hurst and Reed; Holling, Peters, Platt and Warren.

SAN FRANCISCO, April 12.—(AP)—The Seals gave the Senators the "run around" today and defeated them 16 to 7, in a contest which left no doubt as to the result after the sixth inning. R. H. E. Sacramento 16 21 0 San Francisco 7 12 0 Batteries: Gould and Koshler; Couch and Reed. Hollywood-Portland double header postponed; rain. Missions-Seattle game postponed; wet grounds.

WEEKLY PRACTICE OF RIFLE CLUB

(By G. A. Liber) The Medford National Rifle club will hold the regular weekly practice on the outdoor range this forenoon. The following week the rifle club will not use the outdoor range, as all targets will be used by the national guard for a competition between teams from the Grants Pass, Klamath Falls, Ashland and Medford guard companies. The local company team will devote the entire day today to practice over the outdoor firing, in preparation for the match next Sunday. A number of the most expert riflemen in the company have been trying out for the team, and the competition for places as firing members has been rather keen, in spite of the fact that the practice has been carried on for only a short period. Every effort is being bent upon developing a winning team in the short time remaining before the contest is held. The civilian rifle club members have continued their indoor and outdoor practice following the usual schedule, indoor rifle practice Wednesday evenings, pistol practice on Thursdays, and outdoor rifle practice Sunday forenoons. Members who have their own sporting rifles are privileged to use them if they so desire, but

club titles are available for those who prefer to use them. Outdoor pistol practice at 15, 25 and 50 yards is to be started by both the guard company and the rifle club in the near future, and some consideration has been given to building an outdoor small-bore range for 50, 100 and 200-yard practice with the .22 caliber rifles. Visitors are always welcome at the ranges to witness the practice and the competitions.
