Contrary to popular belief, service in the World war does not subjects in medically confer citizenship, the recruiting officer explained. The veteran must make formal application for his citizenship appers in the same way as any other forcign born person. Thousands of ex-service men have neglected to do this in the mistaken belief their war service had given them citizenship.

The specific privilege given them citizenship appars without first filing a notice by them up until a year ago.

The booklet is a complete resume of the program and details of the entertainment of the hundreds of visitors where the control of the hundred of visitors where the control of the hundred of the who will be here during the Shrine ceromonial which will be held in Medford on the 27th and 28th of this month.

The booklet is particularly time-

ly and striking, and is also being sent to all members of Hen All temple of Sacramento, who will stage and perform the initiatory and ceremonial work in connecion with the meet. This will giv Medford a great deal of favorable publicity as a major portion of the prominent business men of the Callfornia city are members of the Ben All chapter.
