

### RAIN WELCOME IN BEAGLE DISTRICT AFTER DRY SPELL

BEAGLE, Ore., April 18.—(Sp.) The rain that came in the last few days was a welcome visitor. Everything was so dry that the garden seeds were not even coming up in some of the gardens here.

There have been three new cases of chickenpox reported in the community this week.

The pie social that is to be given by the Young People's society was changed from Friday, April 19th, to Saturday, April 20th, on account of the entertainment which is to be given at Sams Valley school Friday evening, April 19th.

Sunday guests at the home of Mr. and Mrs. Eugene Gray and family were Mr. and Mrs. Nahas and family, Mr. and Mrs. O. A. Young, Lake Southerland of Medford, Jack Conger of Grants Pass and Miss Ella Blackman of this place.

The Young People's meeting was led by Ella Blackman last Sunday evening. The subject was "Bible Lesson Needed Today." The prayer meeting was led by Mrs. Ruly Mayfield, the subject being "Prayer."

Sunday guests at the home of W. H. Smith and daughter, Miss Ella Smith, were Mr. and Mrs. Charles Smith and family from Medford.

Miss Ella Blackman spent the week end at the home of Ethna and Lois Gray on account of chickenpox at the Blackman home.

Mr. and Mrs. Ellis and son Ralph spent Sunday with Mr. Ellis' folks who live near Grants Pass.

Mrs. Charles Sanderson, who has been confined to her bed for the past week with erysipelas of the face, is slowly improving at this writing.

Mrs. L. W. Jordan of Roseburg has been visiting a few days at the home of her brother and family, E. B. Lucas, and her mother, Mrs. Lucas, who has recently come here for her health and is slowly improving.

The Boy Scouts held their regular meeting Saturday evening. As their leader, Mr. Lucas, was unable to be there, Mrs. Lucas met with the boys. They held a short business meeting and adjourned.

We as a community are proud of the standing our troops have, as they came in second best when the scout rating was taken.

Mr. Mase has accepted a position in the line with below Gold Hill. He expects to be there for some time.

### AIR CORPORATIONS AGREE IN TRAFFIC COOPERATION PLAN

NEW YORK, April 18.—(AP) Two of the greatest aeronautical corporations of the country, controlling thousands of miles of airways in North and Central America, were in agreement today to cooperate and exchange traffic on lines which ultimately will extend from Seattle to South America and possibly from Alaska to Buenos Aires.

The corporations are the Aviation Corporation of the Americas, which owns Pan American Airways, and the United Aircraft and Air Transport Corporation, which controls Boeing Air Transport and Pacific Air Transport.

The agreement was revealed in the announcement of Richard F. Hoyt, chairman of Aviation Corporation, that United Aircraft and Air Transport Corporation had purchased 50,000 shares of the capital stock of the Aviation Corporation, representing a value of approximately \$3,000,000.

The deal also involves an agreement whereby United Air Transport takes over from the Boeing company options on the Compania de Transportes Aereos Lino Americano, which holds the Mexican air mail contract from Tijuana via Mexicali, Nogales and Mexico City to Tapachula.

### LAKE CREEK HAS GRANGE BIRTHDAY PARTY AND CAKE

LAKE CREEK, Ore., April 18.—(Special.)—At its last meeting, held Thursday evening, April 11, Lake Creek Grange celebrated its first birthday anniversary. A delicious angel food cake, decorated with its one candle, was baked by Miss Mary Hanley, who is noted not only for the quality of her cakes but for her generosity in bringing them to the Grange.

This one was certainly appreciated and greatly enjoyed by all present. Miss Hanley has surprised the members very agreeably a number of times by appearing with an interesting looking box under her arm.

The literary program, under the direction of the three graces, was postponed until the second Thursday in May because of the degree work which occupied most of the evening. The first and second degrees were conferred upon three new members, Hazel Wilhite, Donna Monia and Norval Willey.

The degree team deserves much praise for the impressive manner in which it handled its work. It was not at first planned that this team should give first and second degree work. For that reason it took a good deal of hard work to prepare in so short a time for this occasion.

Preparations for the third and fourth degrees will be completed very soon. The costumes for both men and women will be prepared within the next few days.

A short business meeting was held, during which several important discussions came up.

A resolution favoring a telephone line direct to Medford was adopted by the Grange.

Several members spoke of the vital importance of a Medford line to this community. It was pointed out that not only the members on such a line were benefited by it, but many others as well.

Shareholders on the eight line are especially handicapped in case of illness. It has been practically impossible for some time past to reach the Eagle Point central office from any except some half dozen or less telephones nearest that office.

The poison barley will soon be mixed and ready for distribution. Grange members will be able to obtain his poison at a much more reasonable price by purchasing it in this manner instead of buying it in small quantities from a store.

Mrs. Helen Culbertson, who served the Grange so faithfully as its efficient lecturer when it was first organized, was able to attend this meeting. This is the first time Mrs. Culbertson has been with us since she moved from the community. All were glad to welcome her and hope she can attend more often. She was accompanied by Mrs. Ina Stanley, who was also a welcome visitor.

Both of these ladies made short speeches commending the drill team for the work put on.

The next meeting will be held Thursday evening, April 25.

The regular Grange dance will be given April 29. Come and bring your friends. All are welcome.
