BASEBALL RACE UNDER WAY ON EASTERN FIELDS

Walter Johnson's Crew Open Season On Short End Against Mackmen, As Notables Look On—Red Sox Undeclared—As Yet.

By William J. Chapman, Associated Press Sports Writer. The east is gradually thawing out and the scheduled baseball openings along the Atlantic seaboard may be held, as witness the promising start in Washington yesterday. Although clouds hung low and cold winds swept Chesapeake bay, the Senators went through their opening frills, the most elaborate along the major league trail, for the entertainment of President Hoover. Mrs. Hoover, a good part of the official family, and a small but select gathering of paying guests.

Walter Johnson made his managerial debut in Washington by tagging the venerable Sad Sam Jones for mound duty against Mr. McGillicuddy's choice, Carrol Yerkas, lately of Portland, Ore., and Hahboro, Pa.

The Athletics led by 5 to 4 as the second-choice boxmen settled into position after the second inning, but continued their familiarity with Senatorial pitching, or throwing, until the ninth had been come in 4 at the end of the fifth. Adolph Liska halted the outrage at this point, but the Mackmen gave no ground and the score remained stationary through to the finish.

Red Sox Undeclared
While all this was going on, the Yankees were announcing their second postponement with word that everything possible would be done to put on the opening game today. The Red Sox of Boston have been within arm's length of the exasperated Yankees for 48 hours now, and have not yet lost a game, which will stand as a Red Sox record for some time to come. The Detroit Tigers poured a neat dose of shellac down the throats of the Cleveland Indians to the tune of 15 to 3, notwithstanding Earl Averill's second home-run in two days of major league effort.

Dan Howley urged his St. Louis troop on to its second straight triumph over the White Sox in the remaining American league skirmish. The score was 5 to 3. Alvin Crowder outpitched Grady Adkins and George Connally.

As rain prevented the Giant fully spared the countryside whatever might have happened between the Braves and the Robins at Boston, the National league spotlight remained upon Wrigley field. The full power of Cub bats, diverted from Grimes' head until too near the finish in the opener on Tuesday, struck Remy Kremer where it hurt yesterday. The result was a Pirate rout, 13 to 2.

MAY MATCH ACE, MICKEY WALKER

LOS ANGELES, Cal., April 17.—(AP)—Jack Kearns, manager of Mickey Walker, the middleweight champion, took under consideration today an offer of \$100,000 for a title bout between Walker and Ace Hood, Nebraska "Wild Cat," at Wrigley field. The bout would be held June 4, and staged by Jack Doyle, Los Angeles promoter, who made the offer.

Kearns said today that promoters in Chicago, Detroit and New York are after the same match, and he will accept the most attractive proposition. He refused to give Doyle a definite answer. Walker now, in Hammon, N. J. On the other hand, Hood, who last Monday night won with consummate ease over Armand Emanuel, San Francisco heavyweight, was ready to sign on the dotted line at any time.

LADY ATHLETES HAVE SPOTLIGHT

NEW YORK, April 18.—(AP)—With feminine athletes usurping the place in the spotlight hitherto held by men, the second American invasion of European golf links and tennis courts of this year is under way. Helen Wills and Glenna Collett are the leading figures in the athletic contingent which sailed on the Aquitania last night with the mere males, such as "Wild Bill" Mehlhorn, Tommy Armour and George VonElm, playing minor roles.

To Miss Wills it seems more important that a young American artist is on her way to London for an exhibit of her works in a Bond street gallery than that the queen of the world's tennis courts is in quest of fresh triumphs at Wimbledon and in Holland, France and Germany.

PRINTER RUNNER FAVORED TO WIN MARATHON AGAIN

BOSTON, April 18.—(AP)—Six times a winner of the Boston marathon, Clarence De Mar, 40-year-old Meirose printer, today is once again a favorite among 210 runners who are scheduled to leave the starting point at Hopkinton at noon tomorrow for the race to Boston, 26 miles and 385 yards. A victor first in 1911 and the first man to breast the tape in five of the last seven races De Mar may be going over the course the last time in competition tomorrow. He has hinted as much and he is to be married in the fall. As things stand, however, he holds the world's record for the course, two hours, 18 minutes and 10 seconds.

KOTSONAROS PUTS EDWARDS ON MAT

PORTLAND, Ore., April 18.—(AP)—George Kotsonaros, Hollywood light heavyweight wrestler, won two out of three falls from Billy Edwards, the Kansas City butcher boy, last night, Kotsonaros taking the first fall in 13 minutes, 20 seconds, with a double toe hold, and the third in less than one minute. Edwards grabbed off the second fall with a series of headlocks in 20 minutes and 32 seconds.

PLYE RUNNERS ON LONG TREK TODAY

KNIGHTSTOWN, Ind., April 18.—(AP)—Runners in C. C. Pyle's bunion derby leave Knightstown today for a 55-mile run to Indianapolis, the nineteenth control point. By winning yesterday's run from Richmond, Ind., to Knightstown, John Bato, the flying cop from Passaic, N. J., cut the difference between first and third places to less than five hours. He was followed into the control point by the bearded Gavuzzi and the negro, Gardner, who tied for second.

Wall Street Report

NEW YORK, April 18.—(AP)—Stock prices made further recovery in today's market under the impetus provided by easier money rates and favorable trade news. Pools again resumed activity on a large scale in a number of oils, steel, public utility and food shares. Adams Express soared nearly 31 points to a new high record at 731, as contrasted with the year's low of 389 in January, and a long list of other stocks were marked up to nearly 10 points.

Call money renewed at 8 per cent but dropped to 7 1/2 with a plentiful supply of funds available. High records for the year were established by a score of issues including American Can, U. S. Industrial alcohol, American Railway Express, Glidden Company, Pan-American B. Skelly Oil, Belding-Hemingway, McCall Corporation and Texas Gulf Sulphur.

There were a few soft spots. Cargill, which established a new high at 57 1/2 yesterday, broke nearly 13 points. Graham-Paige sagged 2 points to a new low level for the year at 38.

"I was determined to have a Clear Skin"

A CLEAR, smooth, lovely skin bespeaks rich, red blood. It is Nature's outward reflection of the condition within you.

Men and women, both justly covet admiration. Everyone can expect such satisfaction to its fullest extent if they are the possessors of a clear unblemished skin.

If you are unfortunate in having skin blemishes, pimples, boils, eczema—you owe it to yourself and friends to remove the cause. Nature will then provide the complexion which is so much desired.

S.S.S. has been a blessing to millions of people who have taken advantage of its wonderful medicinal properties. It gives to Nature what it needs in building you up so that your system throws off the cause.

When your system is filled with rich, red blood, the body's power of resistance to infection and disease is raised. Your appetite improves; firm flesh takes the place of that which was once flabby. You sleep soundly. You feel strong. Your nerves become steady. S.S.S. helps Nature build red-blood-cells.

Take S.S.S. daily at mealtime. Seek energy, vitality, and a clear skin, through the great blood tonic which is made from fresh vegetable drugs and has stood the test of over 100 years. All good drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.
