

**LADIES MEET AND ORGANIZE HEALTH UNIT FOR TALENT**

(By Mrs. Marion Tryer)  
 TALENT, Ore., April 19.—(Special)—Miss Mildred Carlton, president of the county health association, accompanied by Miss Augusta Glover, county health nurse, met Tuesday afternoon at the school house with a few of the ladies of Talent for the purpose of reorganizing the Talent branch of the Jackson county health unit. Miss Carlton gave a very interesting talk on the several branches of the work and interestingly explained the workings of the organization in Jackson county and some of the state work. Mrs. Charley Holdridge was appointed as general chairman to appoint chairmen for the different committees. A membership drive will take place in the near future when it is hoped that all old members will return and new ones become interested in the work.

Mr. and Mrs. A. W. Hopworth of Red Deer, Alberta, Canada, en route home from California, where they had spent the past two months, spent Saturday and Sunday as guests of Miss Jean Sparks. They were making the trip by motor. Lester Newbry is driving a new Essex coach.

The town is having railroad avenue graded and will finish it with gravel. This road has long been a bone of contention between the council and the property owners, as it was supposed to partly belong to the Southern Pacific company. It has been almost impassable during the best part of every winter for years and it is hoped we will have a good road through that part of town.

Mr. and Mrs. Everett Bailey were Ashland shoppers from Anderson creek Monday afternoon. Mr. and Mrs. Fred Rapp are the proud parents of a fine 10-pound boy which arrived at their home early Monday morning.

Mr. and Mrs. E. E. Cook spent last Friday evening at the home of Mr. and Mrs. Wesley Vogel. Rudy Connor returned home Saturday from Oklahoma, where he had been summoned by the illness and death of his mother.

Mrs. C. W. McFadden has as her house guest her sister, Mrs. Glad Jordan, of Cedar Rapids, Iowa, who spent the winter with Dr. and Mrs. M. E. McFadden at the doctor's winter home at Chula Vista, Cal. Mrs. Jordan will spend the summer with Mrs. McFadden, who is in feeble health.

We are pleased to report that H. S. Gleim is slowly improving from his recent illness.

Mrs. J. D. Eaton of Medford spent the day Friday at the home of her parents, Mr. and Mrs. Wesley Vogel.

Austin Rosander of Ashland was a guest Sunday at the home of Mr. and Mrs. Marion Tryer.

We are glad to see that Mrs. A. H. Ward has so far recovered from her long spell of illness as to be able to get down town again.

Mrs. Sylvia Stockwell, sister of Mrs. L. O. Penland, arrived Thursday from Aberdeen, Wash., and expects to spend the summer at the home of her sister and family.

Clarence Byrd, who has been absent from his classes for nearly a week with an attack of measles, returned to school on Wednesday morning.

Mrs. Ralph Eowman with her three children, who have been spending the week with her parents, Mr. and Mrs. M. H. Clinton, returned to her home in Portland the last of the week.

The Crater Lake group of the Camp Fire Girls held their regular weekly meeting at the home of Miss Irel Bates. The board of sponsors were guests at the meeting.

# Announcement Extraordinary

## THE C. J. BREIER CO.

Has maintained an independent position from the time Mr. Breier first started in business 25 years ago with less than \$3000 capital. During this time our assets have increased over One Million Dollars (\$1,000,000) by reinvesting part of our earnings each year. No permanent outside capital has ever been employed. We have always felt that we must be financially independent. We have steered clear of outside financial interests seeking to absorb us. We have enjoyed almost unlimited credit in both the large banking and mercantile circles, due to the fine record we have achieved. We have used this available banking support too liberally—as, after all, it is only a “loan”—not invested capital—and may be withdrawn any time they see fit, on short notice.

*Last year our volume was greater than ever before. Our earnings were very satisfactory . . . yet we find ourselves now in a position where we must “bend the knee” to the “powers that be,” and enter into arrangements unsatisfactory to us, or immediately pay off all obligations.*

*The first alternative is repugnant to our sense of independence. We therefore have decided to raise through a FORCED SALE OF MERCHANDISE enough money to PAY ALL OBLIGATIONS IMMEDIATELY*

We are taking the public into our complete confidence.

It is the manly, straightforward thing to do. Larger concerns than ours have been in a similar predicament. “Wall Street” tried to “corner” Ford once, you will remember!

Today we are inviting you to co-operate with us by furnishing us money in return for the extraordinary value of merchandise. In the near future we shall offer you the opportunity of coming into our organization as a stockholder. The C. J. Breier Company is today a closed corporation, but our extension program calls for reorganization and more capital. We can prove real opportunities to investors!
