Economy Groceteria

THE HOME OF BREAD LIKE MOTHER MADE

Saving Without Self-Denial

If our incomes were to remain the same and prices go down it would be easy to save—wouldn't it? We could have everything we now have—make no change in our mode of living—yet have a substantial sum left for the savings account.

That is just what shopping the Groceteria Way means—Our prices are lower because of our lower store expense—and you may buy as you have always bought—live as you have always lived yet because of our lower prices a substantial amount will be added to your saving—and thru your acquaintance with foods gained by your regular inspection of our large stocks you will set a better table.

Truly—Saving without self-denial.
