

Local and Personal

It is possible when the Pacific Air Transport company, under the control of the Boeing company of Seattle, begins the operation of its large 15 or 20-passenger cabin planes on regular schedule between Seattle and Los Angeles, that William Rosenbalm, stationed here since the coast air-mail was inaugurated over two years ago, will be transferred from Medford for service on the big ships as mechanic. He will fly on the ships on their scheduled trips and will be in Medford only on short stops. The new service will probably not begin until Medford's airport has been completed.

Don't forget the St. Ann's Altar Society card party Wednesday at 8 o'clock at the Parish hall.

TEAR DOWN HOUSE NORTH BARTLETT

Work was begun yesterday on the removal of another unpleasant local sight in the raising of the old frame dwelling at the corner of Bartlett and Sixth streets by a crew of five workmen, who plan to have the building torn down in the same block.

time for a used car lot to be doing business on its location next Monday morning. The building was formerly used as a dog and cat hospital, and has been untenanted for some time.

The owner lives in Pennsylvania and has given a lease of two years to Henry Dyng and C. C. Clark to operate a used car business on the lot. The two men are now operating one lot on Sixth and Front, increasing business making the addition of a second impervious. With its establishment, there will be three competitive lots in the same block.
