PENNANT HOPE SEEN IN EARLY CUB VICTORIES

Win From Cards for Fourth Success in Five Starts—Hornsby Homer in Fourth Starts Fireworks—Uhle Blanks Browns.

By Herbert W. Barker, Associated Press Sports Writer. Not that anyone has denied it, but the time seems to have come for the experts to grant that Joe McCarthy's Chicago Cubs have something more than uniforms to prove they're baseball players and possible National league pennant winners.

Facing the St. Louis Cardinals at Chicago yesterday, the Cubs played bang-up ball behind Pat Malone's great pitching and won, 3 to 0, for their fourth victory in five starts. Holding the stinging Cardinals to five hits for his second victory of the season, Malone stretched the Cub Pitchers' scoreless inning streak to 26.

"Old Pete" Alexander puzzled the Cubs until the fourth when Hornsby connected for a home-run with the bases empty. After that they pecked away at the veteran with enough effectiveness to score single runs in the fifth and sixth innings.

After holding the Cincinnati Reds scoreless for six innings, Carmen Hill, bespectacled star of the Pittsburgh Pirates, blew up with a loud report in the seventh and the Reds scored six runs before Remy Krimmer could halt the carnage. The Reds added three more in the eighth to bring the final score to 9-4. Fifteen hits rolled off Red bats while Red Lucas was holding the Pirates to six. George Grantham didn't get any of them but he scored three times because Lucas insisted on giving him four consecutive passes.

In the American league, George Uhle pitched Detroit to a 1-0 shut-out over the St. Louis Browns at St. Louis, but he had some help from his mound rival, Jack Ogden. Jack's balk in the first inning, coupled with two singles allowed the Tigers to score the only run of the game. Dale Alexander, big first baseman of the Tigers, was credited with driving in the tally, the 14th he has accounted for this season. That total incidentally leads both leagues.

In the only other major league game of the day, Al Thomas gave the Cleveland Indians nothing that they could hit and the Chicago White Sox galloped away with a 10 to 0 decision. Thomas was touched for seven hits but he scattered them in such fashion that the Indians never got around to scoring a run. About half the Cleveland pitching staff tried to stop the Sox batting spree with a distinctly noticeable lack of success.

Eagle Forest patrol will meet Wednesday nights at the Modern Woodman hall, located in the Medford National Bank building. Eagle Forest patrol is open to all scouts who have reached the rank of star scout or better. Over 50 scouts signed up to make the trip to Battle Springs and plant trees on the watershed of the Medford water commission under the direction of the forest service. The trip was postponed one week, due to the bad weather, but the following week, April 6, 27 scouts went out. About 2000 trees were planted, which about does half of the job.

Attention From now on Mann's department store, instead of Russell's, will handle scout's uniforms. Mann's have a new stock of equipment in now. Gates & Lydiard will handle all other scouting equipment, such as shoes, cooking kits, pup tents, etc. The Golden Rule store in Grants Pass will have a new stock of uniforms in the near future.

Hero Medal Oris Cummings, Boy Scout of Corvallis, formerly of Wendling, Ore., is wearing the president's gold medal of the national safety council for having saved the life of Mildred Domichofsky from a mill pond at Wendling last fall. The medal is the first of its kind to be awarded west of the Rocky mountains.

Notice Of late there have been some important changes in the requirements for the swimming merit badge. The new requirements call for the boy to jump off, feet first, in water over his head, come up, swim 25 yards, make a sharp turn and return to the starting point. This is a bit harder, but it will save a good many lives.

Field Meet The spring field meet, which is to be held Saturday, May 18, at the fairgrounds, at 1 o'clock, is forecasted as a big thing. Let's get behind this and make it good. It is all up to you fellows. Many of the troops are getting ready for the meet and expect to win the cup.

Troop Three Wins Only two troops reached an "honor rating" out of all those in the council this time. Troop 3 is the pacemaker for all troops, with a score of 580. Troop 14 of Beagle was a close contender and the winners were able to nose out by only a narrow margin. Beagle scored 523.

Six months under the new troop rating plan have passed into history. The race is yet young, however. In order to gain an honor standing it was necessary for the troops to score at least 50 per cent of the score of the winning troop.

A smart banner in color will be presented to the troop which can lead all others for the entire year. Pennants will be presented by the council to all troops who maintain an honor standard. These will be awarded next October for the period covering the previous 12 months.

OWNERSHIP MAY BAR SANDE FROM RIDING

NEW YORK, April 23.—(AP) Earl Sande, owner, trainer and jockey, may not be seen in the saddle on the tracks of the New York racing circuit this season.

A hard and fast rule of the New York Jockey club prevents a jockey from having any interest in horses he rides. The same condition existed in Maryland but the racing governors rescinded rules and Sande went out and won his opening race with his three-year-old Hermitage, candidate for the Preakness and the Kentucky derby.

Sande has not yet made any application for a jockey license in New York but will probably do so at the completion of the Maryland season.

WHY CAMELS ARE THE BETTER CIGARETTE

Camels are made of the choicest tobaccos grown—cured and blended with expert care. Camels are mild and mellow. The taste of Camels is smooth and satisfying. Camels are cool and refreshing. The fragrance of Camels is always pleasant, indoors or out. They do not tire the taste nor leave any cigarette after-taste.

With a cigarette as good as Camels the simple truth is enough
