Pomona Grange of Jackson County to Have 2 Columns in Mail Tribune Every Tuesday of Interest to Farmers

Jackson County Pomona Grange

The Jackson County Pomona Grange meets at Jacksonville on Saturday, April 27, at 10 a. m. The Jacksonville Grange will act as host.

This will be an all-day meeting and the members are requested to bring a basket dinner. It was decided best for each family to bring at least two dishes, a main dish and a light dish. The entertaining grange will furnish the coffee, sugar, cream and dishes and have charge of the serving of the dinner. If you have never attended a Pomona meeting before, just cook or bake two dishes (meat, beans, potato salad, etc., for main dish, and sandwiches, cake, pie, fruit or other light salad for a light dish). No one will object if you put in a few extras. Place all in a basket, start for Pomona in time to get there by 10 o'clock, hand your basket to the committee in charge and enjoy the rest of the day.

If you are a subordinate member but not a Pomona member, take 50 cents along to pay your dues, and join the Pomona. You will not regret it. The dinner alone is worth a year's dues. But while there is a feast of good things to eat during the noon hour, there is always an interesting program of work as well as an interesting lecturer's program.

No granger can afford to miss the Pomona meetings, for there all the grangers of the county get together and thrash out problems of interest to the organization, to agriculture, or to humanity in general.

Much of the work of the legislative, marketing and other committees of the subordinate Grange is carried up to the Pomona to receive the sanction of the higher body.

We believe there is no question in the minds of thinking farmers that the farmers must work out their own salvation, and with the same protection and aids as are given other industries by the federal government, together with the co-operation of all the farmers in the land, it can be done.

If farmers could only realize more fully the constructive work that the subordinate, Pomona, state and national Granges are doing for them, they would then be willing to help along in this work, and thereby do for themselves what organized industry is doing for itself.

Not only is the Grange working to place the great industry of agriculture on a sound economic basis, but is ready to sponsor any move which seeks to advance social or moral uplift, and as an educational medium has proven of inestimable value to its members.

There are many subordinate members who are not yet members of the Pomona. While the subordinate Granges are the foundation and bulwark of the Grange, the Pomona needs the co-operation of its members, and the subordinate members need the stimulus of the educational program of the Pomona Grange.

Dr. Kenyon L. Butterfield, president American Country Life association, Michigan, says: "The machinery of the Grange, with its emphasis on the local unit, is absolutely sound and will be a model in many respects for all future agricultural organizations. The distinctive opportunity of the Grange is to press home the doctrine so well expounded in the early days of the order, that all phases of the agricultural problem must be worked out together—the economic, the legislative, the educational and the social—and all in the spirit of fraternity and good fellowship."

And so we feel that the time taken from farm work to attend the Pomona is time well spent and will return a greater benefit to the member than he may be aware of.

Arrangements have been made with the Mail Tribune whereby two columns each Tuesday, beginning April 16, will be devoted to Grange work. Part of this space will be taken up with local Grange correspondence and the rest with special articles written by prominent state and local grangers. This work is in charge of the Pomona publicity agent, who is chairman of county publicity.

The fifth degree will be conferred on a large class at Jacksonville Saturday night.

With the exception of those members who have attended the state Grange, very few have taken this degree.

This work will be put on by the new local fifth degree team, who have been practicing faithfully for some time past, and it will be the first time that this degree has been conferred in this county.

Membership dues in the Pomona Grange are 50 cents a year, paid in advance. Please remember that the names of Pomona members are entered on the roll only when their dues are paid in advance for the current year. If you are delinquent, and you want to see this degree work put on, better see the secretary.

EAGLE PT. GRANGE

(Official)

Eagle Point Grange held its last regular meeting on April 16, with a large attendance and many visitors present from Central Point and Lake Creek granges.

The third and fourth degrees were conferred on a large class.

The marketing committee reported that a large amount of the poisoned barley was still on hand. Farmers could purchase it at the grange or at the home of R. A. Wedman. Many farmers have taken advantage of the reduced price and bought their poisoned barley through the grange.

The following members entertained during the lecture hour: Leslie Brown, reading; Rudy Wedman, two local solos; Mrs. Luella Kline, reading.

A new charter, to replace the one destroyed by fire, was exhibited and a measure adopted to have it framed.

Speaking of the charter, reminds us that it might be of interest to grange members throughout the county to know that the insurance on our Grange hall, which was destroyed by fire, was speedily and satisfactorily adjusted by the Oregon Grange Fire Relief association. Another small loss by fire, sustained by one of our members, was adjusted in a few days to the entire satisfaction of the member.

The Oregon Grange Fire Insurance is thoroughly reliable and is highly recommended to the grange membership. Adjustments are always quickly and satisfactorily made, without the usual haggling and delay which many have experienced at a time of fire loss.

Being a mutual association and conducted with a very low overhead expense, they are able to give grange patrons insurance at a very low rate.

This is one of the co-operative benefits to be derived from grange membership.

After the grange closed, Mrs. Violet Spencer surprised the members by giving a little birthday party in honor of her husband, J. C. Spencer. A "gorgeous" birthday cake, surrounded by more than fifty candles, held the eye, and Mr. Spencer blushed unseen while some of the hidden secrets of his life were ruthlessly exposed. Mr. Spencer can no longer parade in the guise of a bashful man.

It was announced that a benefit dance would be given for the Eagle Point Grange at the school house at Derby on Saturday night, April 27th.

Eagle Point Juvenile Grange

Eagle Point Juvenile Grange met on Saturday afternoon, April 20. Since most of the young patients have recovered from the measles, there was a larger attendance than we have had for several meetings.

Lucille Coy brought a flag, so the flag drill was practiced for the first time.

It was voted to start a point contest, members to be given points for securing new members, attendance, memorizing the work, etc.

The Juvenile was divided into two teams: Reds and Blues.

Lucille Coy is captain of the Reds and Tom Coy captain of the Blues.

The contest will close in December.

It was announced that the Juveniles would meet on Saturday, the 27th, to practice for the entertainment, but since that is the Pomona Grange day, and the matrons must attend the Pomona, the meeting must be postponed.

The next meeting will be held on Saturday, May 4 at 2:30 p. m.

After the close of the grange the Juveniles spent some time practicing a drill for the entertainment.

USE BLACKJACKS TO HALT PARADE TEXTILE STRIKE

GASTONIA, NORTH CAROLINA, April 24—(AP)—Twenty-one strikers and sympathizers were under charges today and a number were nursing injuries as a result of a battle between them and policemen which brought the textile mill strike here to a climax yesterday.

Special deputy sheriffs swung pistol butts and blackjacks vigorously to halt an unlicensed parade organized in violation of a recently passed city ordinance prohibiting street demonstrations without a permit. The 21 persons, including nine women, were arrested on charges ranging from blocking the sidewalks to drunkenness. None was seriously injured in the process of breaking up the parade, but Legette Blythe, a reporter for the Charlotte Observer, was knocked unconscious with a pistol butt by a deputy sheriff as he entered the strike zone.

HALF MILLION BLAZE HALTS TRAIN SERVICE

ST. LOUIS, April 24.—(AP)—Gasoline, oil and merchandise estimated to have been worth $500,000 were destroyed in a spectacular fire, accompanied by a series of explosions after an inbound 'Frisco freight train was derailed in South Kirkwood, St. Louis suburb, early today.

The wreck and fire completely tied up Frisco train service on the main line west and it was not expected that it would be restored until late today.

BELLVIEW VOTES FOR NEW SCHOOL HOUSE 68 TO 17

BELLVIEW, Ore., April 24—(Special)—A special meeting was called for Monday, April 22, when the voters of Bellview cast their ballots on two issues, one whether the upper grades be transported to Ashland to school with a vote cast of seven for and 77 against; the second 68 in favor of building a new school building and 17 votes against, which decides once and for all that Bellview shall have a new, modern building.

Another meeting will be called in the near future to decide the plans, price and other questions which always accompany the erection of a new building. All plans, however, will be completed at an early date so that the new building will be ready for the fall opening of school.

The Bellview folks are enjoying a week of church services held in the school house. R. K. Campbell and H. Raerper are holding meetings every evening this week except Thursday, when the play will be given by the school children. On Sunday evening a large crowd enjoyed the sermon.

Mr. and Mrs. Fred Holmes and Mrs. W. G. Tucker were in Medford Monday on business.

Dr. Earl Blake, chairman of the Ashland water commission, met on Thursday evening with the residents of Bellview to discuss the water situation in this district. A number of Bellview people want water for domestic purposes from the Ashland system. A petition was circulated and a large number of folks signed, showing their desire for city water. Several other members of the Ashland water commission were present and suggested ways and means for distributing city water in the district. This will have to be taken up by the city council at its next regular meeting and some definite plan will be arranged.

The Bellview P.-T. A. circle met at the school house Friday evening, April 19. A short business session was held and the remainder of the evening was given over to the discussion of a new school building.

The pupils of the upper grades in Bellview school have their play entitled "The Cabbage Hill School" all ready for April 25, when they will appear in the different parts. The proceeds from the affair will be used for some new playground equipment which the children are anxious to have.

FURIOUS PHILS DEFEAT GIANTS IN HOME PARK

Polo Grounds Fans See 11-Inning Battle — Twenty McGraw Men Die On Bases—Cards Beat Cubs in Batting Joust.

By WILLIAM J. CHIPMAN

The home opening of the Giants was a complete success for the Phillies. In full view of 25,000 expectant fans at the Polo Grounds yesterday the furious Phils tantalized the Giants for 11 innings, but finally romped away with the decision by 2 to 1 on Barney Friberg's triple in the final round with two aboard.

John McGraw saw 20 of his troops die a horrible death upon the bases, 17 of them in nine innings. The home forces went down for the third time in the eleventh with three Giants idling away their time upon the paths.

Having failed to make any impression upon the Chicago defense in pitching battles, the Cardinals turned loose their heavy guns in the final assault and won from the ambitious Bruins by 9 to 4.

The Braves lost to the Robins by 2 to 2 in 11 innings but, even so, the defeat of the Giants left the Boston entry high and dry, clinging in a dazed fashion to the top of the ladder with no dispossess in sight.

The entire American league took hope at the further indications in the opener at Boston that the Yankees may just possibly be on the verge of a real, old-fashioned batting slump. The world champion had six small singles, three of them by that sterling slugger, Leo Durocher, and the Red Sox won by 4 to 2. George Pipgras was wild, but Fred Heimach finished like a thoroughbred. Ed Morris refused to be dismayed at any time by the big Yankee bludgeons.

The Senators spoiled the Shibe Park debut of the Athletics by taking a 4-to-3 victory in 11 innings. This untoward happening prevented Professor McGillicuddy from occupying the lofty quarters upon which he has had his heart set so long.

Instead, the Indians, who shaded the White Sox by 5 to 4, moved into the top floor, with the St. Louis Browns established, temporarily established at least, in the quarters directly beneath them. The latest prank of the Browns took the form of an 11-to-6 victory over the Tigers in the final game of the series.

KLAMATH FIGHTER POINTS FOR KAYO ON MONDAY NIGHT

Fearing that fans were a bit disappointed in his work at Chiloquin last week when he fought Gene O'Grady, Ashland boxer, Nails Gorman of Klamath Falls, 171 pounds, has redoubled his determination to land a knockout on the Ashland man early in the fight here Monday night. It would be O'Grady's first defeat by such procedure and he has ideas of an entirely different nature.

Gorman has a fighting face and every appearance of being the man to keep his word. He has been working out daily at the Armory and is making every effort to be in the pink of condition for the Ashland man. Gorman's reputation as a fighter is fairly well known in Medford and the possibility that he may be the man to defeat O'Grady will be a big attraction for Medford fans.

Johnnie McCoy of Portland will meet Eddie Rosander of Ashland in the semi-windup and fans are generally agreed McCoy will find a hard nut to crack in Rosander, recognized as one of the best men in the 131 pound class in the state.

In a four-round event, Red Sorensen of Central Point will furnish some fast action against Eddie Welch, local flash. If Sorensen lives up to his past record in New York state, Welch may wish he had never entered the ring. The other four-round event will be fought between Joe Jewett of Roseburg and Spike Gorman of Klamath Falls, a brother of Nails.

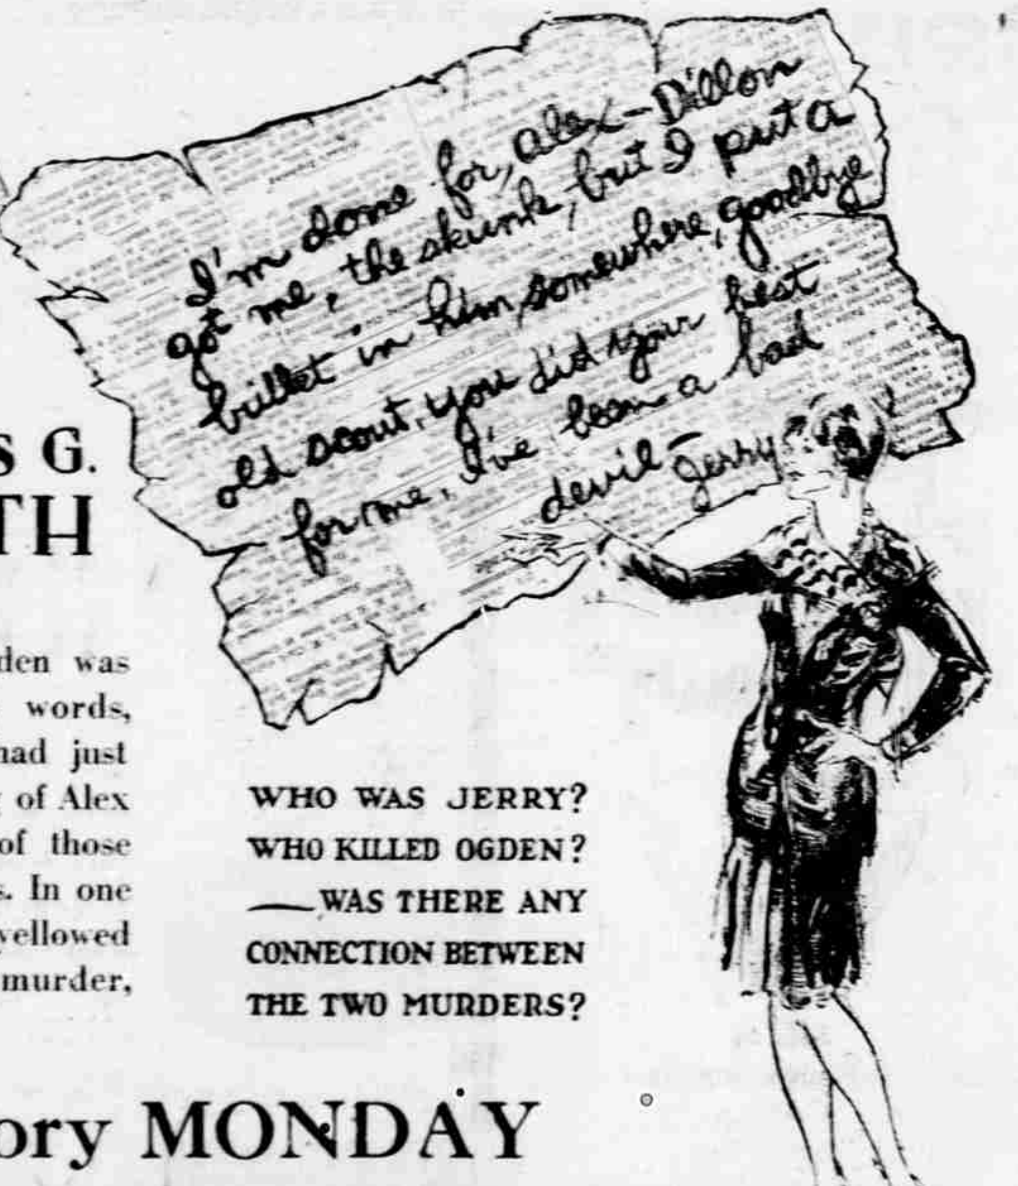
CARTER'S LITTLE LIVER PILLS

GOLD BULLETS

by CHARLES G. BOOTH



A MOMENT before the millionaire Ogden was killed, he cried out the startling words, "Gold Bullets!" Peebles, his neighbor, had just bought an old revolver, once the property of Alex Peterson, a swaggering, reckless figure of those glamorous days of California mining towns. In one of its golden bullets was found a scrap of yellowed paper, revealing another mysterious murder, committed years ago.

WHO WAS JERRY?
WHO KILLED OGDEN?
—WAS THERE ANY CONNECTION BETWEEN THE TWO MURDERS?
