

LA GUARDIA ASKS ENFORCEMENT OF DRY LAW ON SHIP

WASHINGTON, April 24.—(AP)—In a letter to Secretary Mellon, Representative F. H. LaGuardia, Republican, New York, a leading wet, called upon the treasury head to prohibit the sale of liquor on board the Leviathan, now sailing from France to New York with an announced supply of alcoholic beverages for its passengers.

"Under the law," LaGuardia wrote, "the department of which you are at the head is entrusted with the enforcement of the prohibition laws. The prohibition laws are national in their scope and purpose. While it is true, many of us are convinced that this is a law for the poor but not for the rich and affluent, yet as long as it remains on the statute books it is a law, and some of us who are opposed to the law demand its enforcement."

KLAMATH APPROVES STREET BUS SYSTEM

KLAMATH FALLS, Ore., April 24.—(AP) The city council has tentatively decided to approve establishment of a street car line in Klamath Falls, providing the line will serve outlying districts, including the Weyerhaeuser mill. W. E. Young and Frank Outton of Portland consulted the council last night and outlined their plans. No definite decision has been reached.

EGG PRICES AGAIN GET CENT BOOST

Butter was also in keen demand with consequent advance of half a cent in standards and a cent in the lower grades.

Wall Street Report

NEW YORK, April 24.—(AP) Special dividend distributions and favorable earnings statements provided the ground work for another broad advance in prices in today's stock market. The rally was temporarily checked before midday by the marking up of the call money renewal rate, but prices were well absorbed, and prices headed upward again in the early afternoon. Gains in the active issues ran from 1 to 11 points with trading again in large volume.
