

# School Notes From the City and Valley

## Auto Row Gossip

George A. Braley, of Braley & Graham, Dodge and Plymouth dealers of Portland, stopped in Medford Saturday morning to attend the opening of the Otendorf Motor company's new headquarters in that city.

The General Motors spring showing of Oakland and Pontiac cars at the Sanderson Motor Co. is attracting many interested visitors. A shipment of Oakland and Pontiacs featuring wire wheel models is being anxiously awaited so that a number of orders may be filled.

Bill Allen, of the Pierce-Allyn Motor company, will leave here Tuesday, April 30, for Vancouver, Wash., as a Medford delegate to the northwestern conference of Rotary International to be held May 6, 7 and 8. Mrs. Allen and their small daughter will accompany Mr. Allen on the motor trip.

A carload of new Roosevelt cars was unloaded Friday at the local Packard agency headquarters. The Roosevelt is just being introduced in Medford.

W. R. Locke, Chevrolet dealer of Klamath Falls, and Bill Allen spent Thursday fishing in Logans river. They refused to tell the exact number of salmon victims.

June Pittman of the John K. Leander company of Portland, estate distributors for Studebaker cars, transacted business here this week-end.

M. W. McVay of the O. V. Meyers Motor company, returned to Medford Thursday after spending several days in Portland.

E. A. Manson of Portland, territory man for the Hudson Motor Car company, called at the Armstrong agency Thursday. Mr. Manson reports heavy sales of both Hudson and Essex cars in his territory.

H. M. McDermid, factory representative for Graham-Paige with headquarters in Seattle, is a business visitor in Medford this week-end. He reports the addition of five new associate dealers secured in southern Oregon during one day Friday, April 26. Graham Brothers have shipped to date almost twice as many cars this year as were sent out in the same length of time in 1928, the factory man said yesterday.

Mr. McDermid has two weaknesses. Graham-Paige and golf, and he considers Medford's course one of its chief attractions.

Another local automobile dealer was added to the Used Car organization this week when the Treacher Motor company agreed to adopt the prices listed in the Northwest Used Car manual.

The plan which originated in Portland and has been accepted by Eugene, Albany, Corvallis and other cities of the state, is being generally adopted by Medford dealers. The first meeting of the organization was held last week. L. W. Thomas, of Seattle, editor and manager of the Used Car price manual, is expected to be in Medford in the near future in order to meet with the dealers and further explain how the plan works for the benefit of the public, and just how the standard prices are determined.

## OAKLAND COMPANY IN MILLION CAR CLASS

While it took 20 years to build its first 500,000 automobiles, the Oakland Motor Car company has joined the "million car class" after only 30 months' production on the second half.

During its early years of operation, Oakland found its production figures uninspiring, and thoughts of producing 1,000,000 cars did not even enter into the heads of its officials. Two-cylinder cars were

turned out the first year, 1907, by a few workmen who had been employed previously in carriage making.

The second year saw 274 units of a four-cylinder model produced. General Motors took over the company in 1909, a year in which 1035 cars were manufactured.

The last two years have witnessed almost 500,000 models turned out on a production line. In 1927, 122,956 units were manufactured and last year this figure reached 260,000 cars.

SAN QUENTIN PRISON, April 27.—Mrs. James B. Holohan, wife of the warden at San Quentin prison, dropped dead shortly after noon today in her home here.

### Roosevelt School

**Reporters**  
The following reporters were kept busy this week as these were so many interesting events to write up. These are the reporters: Irene Aleck, Mary Thompson, Mollie Browne, Stanley Kunzman, Gloria Beth Powell, Cyril Sander, Bonita Hammack, Kathleen Knox.

**Banking**  
The banking record for Roosevelt school was almost 100 percent last week. Only two more hundred percent rooms and we would have had a perfect record. The banking rooms were: 1A-1B, 106.5 percent; 5A, 106.5; 5B-6B, 105.9; 2B-7A, 100; 3A, 100; 4B, 100; 1A, 100; 5A, 100 percent. The building percent was 98.3, which was quite good.

**Puppy Compositions**  
Hurrah! more honors have come to Roosevelt, also to the 6's, for Stanley Kunzman won the prize for the best puppy composition for fourth, fifth and sixth grades. We are all very proud of Stanley.

**Report Cards**  
The Roosevelt pupils received their report cards Wednesday. Some were good; others weren't. The honor pupils are as follows:  
1B: Carrie May Rice, Bobbie Strang.  
1A: Gloria Williams, Charles Boyden, James Herrian.  
2B: Mary Jane Froelich.  
2A: Edythe Brooks, Phyllis Curry, Grace Robinson, Shirley McCulloch, Janet Reter, Donald Munteth.  
3A: Mabel O'Neal, John Shepard, Ruth Ballow, Kenneth Crawford, Ernest Childreth.  
4B: Kathryn Mead.  
5B: Elaine Brophy, Mignon Phillips.  
6A: Marjory Stewart, Mollie Browne, Dolph James.

**Singing Practice**  
Discouraged signs are heard at Roosevelt school during the music period of the department. And no wonder; just 8 or 10 pupils are to be picked for the singing in Ashland. But lucky are the children who will be chosen. It has been rumored that Mrs. Herdick is going to charter a bus. Lunches will be provided at the Junior high cafeteria of Ashland. This musical program that is causing so much interest, will be held in Ashland on May 3rd.

**Student Body**  
We have elected officers for our student body. The Roosevelt children plan to hold their meetings every Friday. Last Friday our meeting was postponed because the 4B's went to the library. They had to miss the meeting. We plan to hold another meeting next Thursday.

On Friday at 1 o'clock the entire school gathered in the lower hall for ten minutes of harmonica music and the flag salute.

**Building and Grounds Committee**  
Catherine Brandt, president of the student body appointed a committee last week whose duty it will be to encourage neater appearance of rooms and grounds. We hope every child will take an interest in keeping the grounds free from papers of all kinds as well as to keep all desks in order.

**New Pupils and Pupils Leaving**  
We are very glad to have these pupils come to Roosevelt for their education. They are as follows: Alpha, Brenda, 5A; Floyd D. Brownlee, 1A, both from Wash.ington; and Marjory Olson, 2B, from Minneapolis. We are very sorry to have the following pupils leave Roosevelt: Margaret West, 5A, to Eagle Point; Johnnie West, 2B, to Eagle Point; Bertie West, 4A, to Eagle Point; Lela Severy, 4B, to Eagle Point; Deloris Blinn, 6B, to Lincoln; and Roy Purcell, 2A, to Jackson.

**Track Meet Preparations (Boys)**  
The track meet is now only six days off and most of the high jumping, broad jumping, shot putting, baseball throwing, and 50, 75, 100-yard dash men have been picked. The boys seem to be counting on the three dashes and 440-yard relay to win most of the points that they expect to get. Coach Henderson told the Roosevelt boys that they had as good a chance to win the track meet as any other of the four schools. This seemed to encourage the boys greatly and they ran, jumped, and threw their hardest. Football games will be postponed until after the track meet on May 10th.

**Spelling**  
The spelling percent for the Roosevelt school was 94.5. There were only two classes that wrote. They were 3B, with 97.7 percent and the 5B, with 99.5 percent. The 6A class had the highest percent in the six weeks to date. There are several compositions on "Why We Should Have Spelling."

**Spelling Talks to a Child Who Never Had It**  
I'm a little word called "Spelling," but the I am little I mean a lot in your life. Suppose you were to write a composition that was to be published just as you had written it without the help of your speller, could you do it? I am sure you could if you had studied it when you were a child. So you see, Mary, how important it is to study spelling when you are young to help make you successful in life.

By Catherine Brandt, 6A.

**The Art of Good Spelling**  
Spelling is learned by study. We need spelling to get a good place in the world. Spelling is used in many lines of business. Many older people can't spell as well as a student in the eighth grade, because they didn't have such a good chance to study spelling. The art of good spelling is noticed by many people.

By Marion Littrell, 6A.

**Singing Preparations**  
Eight or ten of the Roosevelt pupils are going to sing May 3 for Music Festival held at Ashland. They are going to sing eight songs. The pupils will be chosen from the fifth and sixth grades.

**Health Essays**  
This week all the people in the Roosevelt school who like animals and like to tell about them wrote

### Lincoln School

All the children are being advised concerning their health defects and the majority are bad teeth. Many of the parents are inquiring and responding to have this work done.

**The Pear Blooms**  
May 24th is the day set for the May Day fete. Many of the teachers have their costuming plans well in mind and will begin work on them next week. The various drills have been practiced and will be ready without much more effort.

**Teachers Return**  
Mrs. Russell has been released and sent to the Roosevelt school upon the return of Miss Marion Briggs Friday.

Miss Smith will be thru next Monday. She was out for a tonsil operation which proved to be more serious than she had planned. Mrs. Coffin substituted for her for the week.

**Weather**  
The weather is fine now. The sun has shown a lot lately. It is just right, neither too hot or too cold. We are sure that spring is here. The flowers are blooming, which is an indication of spring. Bertrand Stanley, grade 6.

**Flowers**  
The wild flowers have been blooming for the last few weeks. The ones which are now out are lamb's ears, blue and yellow violets, bird's bills and grass widows. These flowers are very beautiful in the vases of different shapes, colors, and designs. We also have tame flowers in the window box which make the school house very beautiful.

Nona Spitzer of the Mt. Pitt school and her mother left last Tuesday for Central Point where she will attend school. We were all sorry to see her leave as she was liked by all.—Irene Anderson, grade 7.

**Student Body Meeting**  
The pupils of the Mt. Pitt school had a student body meeting Wednesday, the 17th. Deagle Anderson and William Pedersen were elected inspectors of the school. Deagle is inspector of the first two rows and William is inspector of the last two rows. They certainly look after the pupils closely. We hope they will be active until school is out May 24th.—Frank Platt, grade seven.

**Horseshoe Is the Game**  
The larger boys are playing horseshoe and the smaller boys and the girls are playing ball in the playground. The weather has been getting better so the children can start practicing for the track meet, which will be at the fair grounds, Medford, April 27. Many of the children hope they will be in the meet so they can win some of the ribbons.—William Pletchen, grade 7.

**Return of Pupils**  
The pupils who were out owing to measles were Beulah Herford, Zella Richman and Geneva Coffman. All are back and doing fine work in school, catching up with their studies. Geneva did not have the measles but her mother did, and she had to stay home.—James Tungate, 4th grade.

**Honor Roll**  
1A—Gloria Newton, 4 A's and 5 B's.  
2B—Iva Schrader, 3 A's and 6 B.  
2A—Thelma Clark, 12 A's and their studies. Geneva did not have the measles but her mother did, and she had to stay home.—James Tungate, 4th grade.  
2B—Corinne Harwood, 9 A's and 1 B; Alice Kellogg, 9 A's and 1 B; Mary Kellogg, 9 A's and 1 B; Katherine O'Neil, 10 A's.  
4A—William Wilson, 6 A's, 4 B's.  
5B—Lucile Knox, 3 A's, 8 B's.  
5A—Leah Elta Evans, 8 A's and 3 B's.  
6A—Paul Dorf, 3 A's and 6 B's.

Medford is the county seat and metropolis of the Rogue River valley and gateway to Crater Lake.

### Mt. Pitt School

The weather is fine now. The sun has shown a lot lately. It is just right, neither too hot or too cold. We are sure that spring is here. The flowers are blooming, which is an indication of spring. Bertrand Stanley, grade 6.

**Flowers**  
The wild flowers have been blooming for the last few weeks. The ones which are now out are lamb's ears, blue and yellow violets, bird's bills and grass widows. These flowers are very beautiful in the vases of different shapes, colors, and designs. We also have tame flowers in the window box which make the school house very beautiful.

6A—Paul Dorf, 3 A's and 6 B's.

Medford is the county seat and metropolis of the Rogue River valley and gateway to Crater Lake.

### Valley School

The Valley School Spring Festival is to be held out of doors on May 24th. All the children are making preparations, and the weather bids fair to be ideal. Every one who is interested will be welcome at 2 o'clock, May 1st, at the Valley school.

**Honor Roll**  
1A—Gloria Newton, 4 A's and 5 B's.  
2B—Iva Schrader, 3 A's and 6 B.  
2A—Thelma Clark, 12 A's and their studies. Geneva did not have the measles but her mother did, and she had to stay home.—James Tungate, 4th grade.  
2B—Corinne Harwood, 9 A's and 1 B; Alice Kellogg, 9 A's and 1 B; Mary Kellogg, 9 A's and 1 B; Katherine O'Neil, 10 A's.  
4A—William Wilson, 6 A's, 4 B's.  
5B—Lucile Knox, 3 A's, 8 B's.  
5A—Leah Elta Evans, 8 A's and 3 B's.  
6A—Paul Dorf, 3 A's and 6 B's.

Medford is the county seat and metropolis of the Rogue River valley and gateway to Crater Lake.

### Junior High

**Reporter: Perry Crawford.**

**Banking**  
All the rooms banked 100 percent except room three with 85 percent. The percent of the building was 97.9 percent.

**Spelling**  
The average for the building was 94.3 percent. The 11-1's had 100 percent, the 11-1's 99.1 and the 1-1's 99.8 percent. The following list of pupils had 100 percent during the entire past six weeks: Wallace Bradley, Lucille Kleinhammer, Alice Johnson, Peter Paul, Frank Clifton, Shannon, Robert Flaherty, Dora Crawford, Gracie Lou Ivanhoe, Betty Sennett, Helen Evans, Eugene Moffat, Robert Meyers, Wallace Esgate, Vera Esgate, Joyce Bantsh, LaMerle Beck, Catherine Chaney, Dorothy Guro, Evelyn Herman.

**Singing Practice**  
The 11-1's went on a science-like Friday morning at 7 o'clock. They went to the Grape Vine Swing and were looking for birds and insects and flowers. Everyone enjoyed it very much.

**Honor Roll**  
We are very proud of our large honor roll this six-week period. It shows much improvement over last time.

**Seventh grade:**  
Joyce Bantsh ..... 6 A's 4 B's  
Mabel Anning ..... 7 A's 3 B's  
Dorothy Gore ..... 7 A's 4 B's  
Agatha Buchanan ..... 7 A's 3 B's

**Eighth grade:**  
Betty Sennett ..... 9 A's  
Ethel Richards ..... 4 A's 4 B's  
Dorothy Willits ..... 7 A's 1 B  
Gracie Lou Ivanhoe ..... 4 A's 5 B's  
Dora Crawford ..... 4 A's 5 B's  
Leland Parkhurst ..... 5 A's 5 B's  
Velma Smith ..... 7 A's 1 B  
Willie Hall ..... 2 A's 6 B's  
Bobby Root ..... 3 A's 5 B's  
Barbara Wall ..... 2 A's 6 B's  
Winnie Roseborough ..... 2 A's 6 B's  
Ruby Stone ..... 2 A's 4 B's  
Conway Latham ..... 6 B's

**Personals**  
Miss Ford was out Monday and Tuesday with an infected tooth and Miss Garfield substituted for her.

Evelyn Herman returned Monday after a week's illness.

Both boys and girls are practicing hard for the track meet.

Various musical organizations will play over the radio May 14 during Conco hour.

Junior high school's harmonica band will enter Ashland's May Festival arrayed in their snappy new uniforms.

### Jackson School

**Banking**  
Banking 97.2 percent. 100 percent rooms: Mrs. Gifford's, Miss Jessie MacStivers, Mrs. Gifford, Miss Briggs, Mrs. Hansen's, Mrs. Taylor's and Mrs. Laidley's.

**Spelling**  
Spelling 96.3 percent. 2B, 99.2 percent; 2A, 100 percent.

**Health Inspection:** 8 percent

**Woodpile Gone**  
Summer weather has arrived just in the nick of time. All the wood has disappeared from the west entrance and there is six weeks to go. This is the first time the wood yard has been vacant for several years. However, there is probably enough in the basement to carry us through.

**Trip to Museum**  
The Fourth A class had a trip to the old museum at Jacksonville. They showed a great deal of interest and since they are studying the story of Jacksonville for two weeks they were able to get a great deal of interesting information from the trip. They were all very grateful to the parents who took their cars and spent the time with them.

**Activities**  
May is bringing many outside activities for the school children. All are working hard on track work and keen competition is much in evidence. The Jackson school teams have about all been picked. The meet will take place at the county fair grounds on the 4th of May. There is considerable scramble to see that all grades are in good shape.

**Health Honor Roll**  
Mrs. Jones has announced that the Health Honor Roll Call will take place May 10, at the park.

### JUST COMPARE--

The charges at a first class hotel with the usual cost of Hospital service . . . You will find that it usually costs less for the Hospital accommodations.

Think of the service a hospital renders . . . provides clean, airy rooms . . . graduate nurses are always "on the job," eager to answer your call . . . the best of foods, scientifically prepared are served.

Your hospitals, in your community are public service institutions . . . ready to serve you in case of illness. It is always wise to avail yourself of their facilities and accommodations in case of need.

### From one banker to another--

"The speed, style and comfort of a Champion Studebaker's ERSKINE SIX \$860 2-door sedan at the factory"

"The car to buy is CHRYSLER"

A certain prominent banker heard that another banker, a good friend of his, was considering the purchase of a new motor car.

Impelled by a friendly desire to be helpful, the first banker took the time and trouble to write the letter from which we quote:

"I now have my second Chrysler," the letter reads. "And with all due respect to the many excellent cars I have owned, I must say that both the Chrysler '72' and '75' have shown more ability than any of the other cars I have ever owned. And, too, ability of more than one kind.

"The Chrysler has roadability. In traffic congestion or on the open road, it is both spry and safe.

"Names of both bankers on request."

A certain prominent banker heard that another banker, a good friend of his, was considering the purchase of a new motor car.

Impelled by a friendly desire to be helpful, the first banker took the time and trouble to write the letter from which we quote:

"I now have my second Chrysler," the letter reads. "And with all due respect to the many excellent cars I have owned, I must say that both the Chrysler '72' and '75' have shown more ability than any of the other cars I have ever owned. And, too, ability of more than one kind.

"The Chrysler has roadability. In traffic congestion or on the open road, it is both spry and safe.

"Names of both bankers on request."

### Studebaker's ERSKINE SIX \$860 2-door sedan at the factory

"The car to buy is CHRYSLER"
