SYNOPSIS. Murder, intrigue and romance! A net of cir-cumstantial evidence begins to comesh Jerry Ogden as the slayer of his father. J o b n Peebles, confident in the inno-cence of Jerry, who is engaged to marry Lacy, Peebles' niece, vows to find the murderer. In the background hovers the global town of Torridity, where orden owned a deserted mine which the missing Jerry wish-ed to reopen; Torridity, where the legendary Peterson h a d reigned 30 years before with his gold-mounted revolvers and gold bullets. Peebles had just beyongth one of those faimous revolvers from Nathan Hyde, who refused, mysteriously and taritedy, to tell how he ob-tained it.

GOLD BULLETS

sharp cry and fell back, clutching her throat,

Mrs. Hubbard gave a sharp cry and fell back, clutching her throat. known Andrew I had become deep ly attached to him—he was per-haps the closest friend I had—and coming upon him struck down like this . . . I could feel the darger twisting in my own heart. Blinded with tears, I bent over him. He was done for, of course, hut the body was still warm. It couldn't hava been otherwise, since I had spoken to him less than five-minutes ago. I looked at my watch. I was 27 minutes to ten. I had answered his call at exactly nine-time. The had relead in the right cheek. Andrew's right hand was act the telephone: his left was closed lightly over the receiver at the dagger. I undied myself together. I must I undied myself together. I must

I pulled myself together. I must say, sir. In fact, it had just turned

though everything possible was done for his restoration to health, conditions finally reached the point where death was the only relief. Mr. Moore, up until his serious illness, had served as foreman of the H. VanHoevenberg archard for about 8 years, where the orchard itself served as proof of his faith-ful services and desire to excel in his work. Everyone's sympathy goes to the relatives and expecially the wife and dear liftle daughter in their bitter sorrow. The few days of warm weather have increased the growth of vege-tation failly 50 per cent. Mr. Garriett is probably among the earliest corn planters of the valley, having succeeded in setting his field all planted has week. Fifteen members of the Sams Valley Grange attended Saturday's meeting of the Pomona Grange at Jacknonville, Several members as-sisted in the conferring of the 5th degree to a class of more than 55 subordinate members.

benough and Herbert Fitzgerald were in Medford Thursday at the studio putting on their parts in the harmonica quarter brondcast that evening as part of the Pomona Grange program. A game of baseball was played hast Wednesday evening at Med-ford between Medford Junior high and our boys with the result that our boys were badly defeated. The last meeting of the local grange was birthday remembrance hight S. S. Abbott was the only April member. This also being the anniversary of the organization of the order a beautiful birthday cake with its five candles, baked by Mrs. Geo. McDonough, graced the table. John Hall, Ernest Lyman and Charlie Hutchison were among match at Medford Monday night.

When Food Sours

Lots of folks who think they have 'indigestion' have only an acid con-dition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Mag-nesis scon restores digestion to normal. Thillips does away with all that mourness and gas right after meaks. It prevents the distress so apt to oc-cur two hours after esting. What a pleasant preparation to take: And how good it is for the system! Un-like a burning does of soda—which is but temporary relief at best-—Phillips Milk of Magnesia neutralizes many times its volume in acid. Most time a hearty meal, or too the a dist has brought on the least disconfort, try—
