May 1st to May 8th

CLEAN UP - PAINT UP - WEEK

SPRING CLEANUP ACTIVITY OPENS THROUGHOUT CITY

Today with its mild temperature and sunshine is not only a beautiful first of May day, but ushers in the annual spring clean-up campaign of a week. In which all citizens are urged to co-operate by cleaning up their yards, alleys and lots, and to otherwise beautify the premises about their homes.

Each family is urged to place in boxes or bags the refuse thus gathered in front of their homes on the curb and call the City Sanitary Service to haul it away. The charge for this hauling must be borne by the individual property owner.

Of course much refuse can be burned on the premises with due regard to the city ordinance, which prohibits such fires within 20 feet or more of a building. However, such refuse as cannot be burned, including tin cans, should

be gathered up and placed on the curb in receptacles to be carted away.

Many citizens have been at work for days already on this clean-up, and others will join in the campaign from day to day until at end of the week's campaign all premises, it is expected, will have been cleaned up. The city, already very pretty in its garb of green spring verdure, will be still more beautified by this campaign.

Fire Chief Roy Elliott is in charge of the campaign and he will be assisted by the local boy scouts. The latter will make their first rounds next Saturday to call attention to premises that need cleaning, and take notes of those to be commended for having been made very attractive.

Daily Meteorological Report

Wednesday, May 1.

How the Clean-Up, Paint-Up Drive Helps a Community

- 1—The Clean-Up and Paint-Up campaign develops community spirit. All classes of people unite in a common effort to beautify their community.
- 2—People are quick to note the improvement of yards, lawns, streets and buildings after Clean-Up and Paint-Up week and make an effort to maintain this cleaner, brighter condition.
- 3—Fire losses are materially reduced through the removal of waste and rubbish. Fire traps are razed and often are replaced by new, modern buildings.
- 4—Vacant grounds are cleared, weeds are moved and the entire city assumes a neater aspect.
- 5—Homes are cleaned and beautified, outbuildings are brightened with paint, alleys and back yards are raked and cleaned.
- 6—The Clean-Up and Paint-Up campaign saves human lives. Breeding places for flies, mosquitoes, rats, roaches and disease carriers are eliminated.
- 7—Property values are substantially increased through the generous application of paint and a little effort in cleaning up.
- 8—Clean-Up and Paint-Up efforts help to develop good citizenship and build character. A clean, bright environment is important.
- 9—A clean-Up and Paint-Up campaign helps to advertise a city. Like an individual, a city is judged by her appearances. First impressions count a lot.

CLEAN-UP, PAINT-UP WEEK PROCLAMATION

Whereas, the National Clean-Up and Paint-Up campaign has resulted in many advantages to community life,

- * In safeguarding health;
- * In promoting thrift;
- * In furthering fire prevention;
- * In stimulating civic pride, and
- * In making the home and city beautiful;

Now, therefore, be it known that plans have been perfected for a thorough Clean-Up and Paint-Up campaign in Medford, beginning Wednesday, May 1.

In this worthy movement of cleaning, painting, planting, repairing and general rehabilitation, each citizen is urged to do his or her best part to make our community clean, healthy, thrifty, safe and beautiful.

(Signed) A. W. PIPES, Mayor of Medford.

STANDARD VOTES \$50,000 PENSION TO COL. STEWART

NEW YORK, May 1. — (AP) — The New York American said today it has learned on good authority that the board of directors of the Standard Oil company of Indiana has voted a pension of \$50,000 a year to Colonel Robert W. Stewart for his years of service in the standard oil business.

Colonel Stewart was named as chairman of the company by John D. Rockefeller, Jr. The American

says the pension carries with it the understanding that he is not to join any competitor of the Indiana company or its subsidiaries.

James W. Stewart, son of Colonel Stewart, resigned yesterday as a director of the Lago Oil and Transport company, a Standard of Indiana subsidiary.

The American says Colonel Stewart's oldest son, Robert G. Stewart, is slated for removal as president of the Pan-American Petroleum and Transport company, also an Indiana subsidiary.

Fly to Canada First

LONDON, May 1. — (AP) — The first trip of Great Britain's new dirigible, the R-100, will be to Canada, but no date for starting has been fixed. The ship is nearing completion but must have a number of trials before undertaking the long trip, which is not expected before fall.
