Spelling
In spelling the 6B's had the highest average again which was 99.8 percent. The building record was 94.3 percent. The other classes are trying hard to bring up their percent. But they will have to work harder yet if they expect to beat the 5B's.

They expect to win quite a few points and are going to try their best to have more points than the Jackson, Lincoln, or Washington schools as these and Roosevelt are the schools competing. Laitoy Coghill is the highest jumper at our school and Lee Hübner the fastest runner. These are only a few of the many boys who made the teams of 50, 75, 100 dashes, 440 yard relays, high and broad jumps, shotputs, and baseball throws.

Poster Copy
A copy has been made of Raymond Dougherty's tooth poster. It has been put up in Miss Allen's room. Raymond won second prize on the poster in the health poster contest.

Mr. Hedrick's Visit
Mr. Hedrick visited Roosevelt penmanship classes on Wednesday. He wished to see how they were getting along in the Rice system of penmanship. The 6A's wished him to visit their class but he did not have time.

National Flower
Roosevelt school voted for the national flower last week. Wild rose had 188 votes, wild aster 5, goldenrod 18, wild blue phlox 34, columbine 2, violet 43. 291 pupils in the department voted. Wild rose carried in the Roosevelt school.

Substitutes
One of our favorite teachers, Mrs. Russell, has gone to Iowa. Mrs. J. E. Russell, her substitute, was out Tuesday afternoon and Mrs. Hills filled her place. Miss Allen, the art and music teacher, went to Ashland with the singers last Friday. Her substitute was Miss Curry.

Pupils Entering and Leaving
Those who entered Roosevelt school last week were Noel, 2A, from California, and Patricia Russell, 1A, from Washington school, and Jane Solinsky, 5A, from Yosemite Park. There were no pupils leaving. We are all trying to make friends with our new companions.

The hostesses for the afternoon were: Mrs. O. Hornor, Mrs. E. Cross, Mrs. W. Young, Mrs. A. H. Clement, Mrs. H. Bergman, Mrs. DeWitt, Mrs. G. Kunzman. Refreshments were served. The 6A class was invited. All greatly enjoyed the treat.

Health
The Roosevelt's health percent this week was 76.7 percent. The 3A's had the highest, 93.3 percent. Roosevelt is going to try to have a higher percent next week.

Ashland Singing
For the past few weeks Miss Allen has been selecting pupils to go to Ashland to sing. She expected to be able to take from 25 to 30, but to her grief she was informed that she could only take from eight to ten. Those who were selected were: Mary Powell, Howard Grover, Dorr Barrett, Dolph James, Irene Akcock, Lee Bullis, Mary Anne Gates and Edith Todd. We all hope they will enjoy the trip.

Trip to Jacksonville
Last Saturday Miss Schneider and Miss Morrison took the 4A's to Jacksonville to see the museums. In the first museum we saw a picture of some men being hanged, which I thought was terrible. We saw guns over 200 years old. Then we saw a bow and arrow which belonged to Captain Jack. We saw skulls of Indians that were killed in the war.

In the second museum we saw Indian baby cradles which were very interesting. We saw embroidery made by the old pioneers. There were old newspapers and pictures of old pioneers. We saw the old saloon building. All enjoyed the trip.

Library Work
The 6A's made their last trip to the public library, as a class, on Friday, May 3. They reviewed all they had learned during the year. After the review they examined different books. Some had their library cards and withdrew some choice looking stories.

Track Meet
Many of the pupils went home last Friday afternoon with light hearts and hopes for the future, but perhaps before this breaks into print the scene will have a different cast, since they all cannot win the track meet.
The boys who will represent Jackson in the different events are: Thomas Harvey, John Dickerson, Jack Thompson, Jimmie Russell, Floyd Porter, Billy Colvin, Bephard Moan, Kenneth Sutherland, John Walker, Glen Yaple, John Crow, Vern Campbell.

Health Honor Roll
Much work has been done during the last month to get the children ready for the health honor roll. Over 75 percent of the children in the Jackson school needed repairs of some sort and a great deal of work has been done and parents have in nearly every case been very co-operative in getting the necessary work done, and their efforts have made it possible for more than 60 per cent of the children to march down the street chests out and all a-strut.

Music Festival
Four children took the stage at 9 a. m. Friday for Ashland where they will take part in the

festival of that city. The four children that were chosen by Miss Church to represent the Jackson school were Jack Thomas, John Barker, Hazel Gault and Arleth Williamson.

A Prize
Rodney was a good baseball and bat better off by entering his brown and blue-eyed Persian cat in the humane society's annual show last week. The secretary of the humane society came to the school building and made the presentation talk.

At Last the Treat
The forty-three children who were in Mrs. Gifford's 2B room last semester were very pleasantly surprised when they were assembled for a nice treat of three assortments of sweet cakes and a posidar pie chocolate. This was this last autumn when they won in the contest for new members. They recruited thirty-seven, all unassisted.

An Arabian Shepherd
An Arabian shepherd is tall, slender and has lots of muscles; he has black eyes and has a dark complexion, dark hair. His hair is matted for he hardly ever combs it. He wears a sheepskin coat with the wool turned out. He wears sandals on his feet. He carries a crook and a sling-shot. He is kind to his sheep. He knows them so well he calls them by name.

Mrs. Coffman substituted for Miss Curry Friday, while Miss Curry did some special work at the Housevelt.
The children of the 2-A and 3-B grades filled their May baskets with panes which they cut from paper.
All good wishes go with our Lincoln athletes at the track meet.
We are very proud to have Alice Kellogg, a member of the 3-A class win the poppy contest for her group. We hope she will be successful in the state contest.
The department is very busy this week, as the music festival is held at Ashland on Friday. Several children were chosen by Miss Church to represent this school.

The mothers of the Lincoln children dancing in the past festival are to meet at the school Tuesday afternoon to make the dresses.
A May day program was held on the lawn of the Lincoln school Wednesday afternoon. Folk dances, songs, drills and health exercises were given by each grade. It is seldom that the boys and girls see one of our programs as we have no assembly room.
The fountain is filled with sand again, so that our active boys and girls must go thirsty. This unkindness is done after school hours by loiterers at the school grounds.

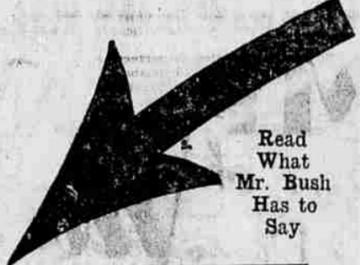

Mt. Pitt School
Last Saturday, April 27, several pupils of the Mt. Pitt school went to Medford to the track meet.
The boys went with Doc Goss in his Dodge touring car and the girls went with Mrs. Stanley in her Dodge sedan. Even if we didn't carry off all the blue ribbons we had a good time and we found out what we could do, so next year we expect to do even better because we are going to practice more and be ready.
James Fankate, 7th grade.
Gone for Good
Charles and Melvin Hickey, Kenneth and Quinton Schoonover left the Mt. Pitt school last week. The two families moved to Klamath Falls. We were sorry to see them leave but however our attendance

will improve.

The children of the Mt. Pitt school have worked hard on their studies so they could practice for the music festival Friday the 3rd.
There are seven children going to the music festival, their names are Beulah Fryford, Cleo Rickman, James Fankate, Bertland Stanley, William Fickelsen, Hazel Macabe, Angel Conley. They will sing two-part songs, and play in the harmonica band.

Another Enthusiastic CHEVROLET BOOSTER Completes Hard Trip

Medford, Oregon
April 29th, 1929.

PIERCE-ALLEN MOTOR CO.,
Medford, Oregon
Gentlemen:

While in the east recently, having finished my business sooner than I expected, I concluded that I would go to Flint, Michigan and get a new Chevrolet six coupe. I left there for Medford via Salt Lake City following the Lincoln highway. I arrived in Laramie, Wyoming where I was informed that the melting snow had formed a lake on the highway from eight inches to ten feet in depth with no available detour, but I was confident that I could get around the Tennessee Pass in Colorado which was always later in opening to traffic.

So I let out for Denver and Leadville, got through the pass on K, but about thirty miles the other side I ran into the heavy mud as I was just a day too late to avoid the melting snow.

While sitting there watching a car being towed toward me, one of the teamsters unhooked his team from a scraper and called to me, "I will pull you through for ten dollars, Dad," and I gently remarked, "I'll be darned if you will, Sonny."

I then commenced inching around for the long detour via Albuquerque, New Mexico. The surprised smile that wiped the wide smile off his face as he saw me make the turn and get started the other way was worth all the trouble of turning. The extra detour that had to be made put a reading of 3994 miles on the speedometer. Allowing for a wheel slip of 10% which owing to the hills, loose gravel and mud, is hardly enough, the car averaged 18 miles to the gallon of gasoline with a great part of the road at an elevation of from four to ten thousand feet, makes a very good mileage for a new car.

The expense over and above that gasoline, grease and oil was 86c for setting up the valves after she had run two hundred miles. Now I have a good car that's well broken in.

Very truly yours,
H. P. BUSH
