I AM THE MAN

Yes, Folks! I Am the Merchandise Adjuster Sent Here to Close This Business.

I WILL SAVE YOU MONEY

Mullins' store secured my services because of my many years' experience in closing out retail stocks of all kinds. I have found, through nation-wide contacts, just what people will pay for merchandise. I know what the people of Southern Oregon will pay — what Medford and surrounding territory will or will not buy at a given price. Knowing this as I do, I am going to sell Mullins' entire stock of quality Coats, Dresses, Millinery, Lingerie and Novelty Pumps and Slippers, "all of which is new, right up-to-the-minute merchandise" — at the cut prices I know people will pay — and pay quickly — for my time is limited. I am soon to take care of other business engagements and cannot take too long a time selling this stock in Medford. So, to close out this stock of Mullins' immediately and completely in the shortest possible time, I have marked prices on the goods that I am certain will cause a rush of buyers that will soon clean up the entire stock on hand and in transit. These prices are right down to wholesale cost — away below cost, and slightly above cost. I am the man who is here to save you money
