Hoover Surprises Politicians By Naming New Yorker to Succeed Mitchell — Place Has Proved Step to Distinction.

WASHINGTON, May 7.—(AP)—The appointment of Charles Evans Hughes, Jr., as solicitor general was announced today at the White House.

President Hoover's selection was a surprise to political Washington, as Mr. Hughes' name never had been mentioned in connection with the post as a possible successor to William D. Mitchell, who was elevated to the post of attorney general on March 4.

Mr. Hughes is the son of Charles Evans Hughes, former secretary of state, a friend of the president and one of those upon whom Mr. Hoover has leaned for advice both during the preinauguration period and since he entered the White House.

The new solicitor general is connected with the law firm of Hughes, Rounds, Schurman & Dwight of New York City. He is a graduate of Brown University and the Harvard law school.

For some time Mr. Hughes has been moderately active in New York politics and was sponsored for the appointment by the New York patronage committee set up by President Hoover.

The New York lawyer is named to a post which has been held by a number of men who have attained distinction in both the legal and political fields. Among those who have held the position are Chief Justice Taft; John W. Davis, who also was ambassador to Great Britain and Democratic presidential candidate in 1924; and James M. Beck, who now is a member of the house of representatives.

# PAIN IN YOUR SHOULDER? Use Tysmol for Relief

Knife-like jabs of pain in the vicinity of the shoulder blade are generally due to neuritis brought on by exposure to draughts or sudden changes of weather. In some cases there is stiffness or soreness in the muscles, making it difficult to raise the arm.

The safest and easiest way to relieve such an attack is to apply a small quantity of Tysmol over the affected area. This soothing, healing preparation is quickly absorbed through the pores and carried to the throbbing, aching peripheral nerves. The pain usually stops at once, and in a very short time the last trace of soreness should disappear.

Tysmol is absolutely harmless—from food. Recommended for all forms of nerve pain, whether caused by neuritis, sciatica, rheumatism, neuralgia, or other conditions. Always on hand at STRANG'S DRUG STORE.

PITTSBURGH, May 7.—(AP)—Gladys Frumley, three years old, fell into a tub of boiling water and died before she reached a hospital.

PARIS, May 7.—(AP)—Despite two last-minute fittings of the dress, she will wear when presented to the court of St. James on May 8, Helen Wills played tennis today.

She was at the dressmaker's by 10 a. m., on the courts from 11 until 2 in the afternoon, and back at the dressmaker's again at 3 p. m., an hour or so later the cream satin court dress was delivered at the small family hotel where Helen and her mother are stopping.

It was "tennis as usual" for little poker face, but in spite of it she was an excited young woman. Nevertheless she does not intend to let her feelings run away with her, she says, and the world will not learn from her how it feels to be presented to Queen Mary.

"I don't think it's good form to talk about one's personal feelings at such a time," the queen of the courts said emphatically. "Nor do I," chimed in Mrs. Wills.

Not until she gets to London three days before the presentation is to take place, will Helen know just what she has to do or how to do it.

Helen maintained forced composure and calm, but she was obviously excited during the interview. Her eyes were bright with eagerness and bright color showed in her usually pale cheeks as she talked of the great event.

She knows only one other girl of the 15 young Americans who will be presented at court with her. She is Harriet Walker, a school mate from the University of California.

# TROEH GAINS NEW TRAP HONORS AS CHAMP OF STATE

PORTLAND, Ore., May 7.—(AP)—Once again Frank M. Troeh has added the Oregon state championship title to his list of trapshooting honors. Sunday he turned in a 98 card, which, added to his 95 on the previous day, gave him a total of 193 for the two-day meet. H. M. Hollyfield was second with 181.

Troeh was obliged to do some excellent shooting to place as he did. As it was, he was not high gun of the meet. This honor went to O. N. Ford of Del Monte, Cal., who shot two 97's for a 194 two-day total. Since Ford is not a resident of Oregon, however, he could not claim the state title.

Ford was high on all targets for the three-day meet, with a score of 569 out of a possible 600, and 601 out of 650, including the doubles.

Troeh won the doubles championship with 46 out of 50.

The Portland Gun club won the five-man team event with a score of 937. Klamath Falls was second with 913.

MORRISTOWN, N. J., May 7.—(AP)—Four thousand patients at the New Jersey State Hospital for the Insane at Greystone, near Morris Plains, were terrified by a fire that burned part of the main building early today.

Starting in the cupola, the fire ate its way down to the fifth story. Guards marched the patients, clad in nothing but their night clothes, out of the burning wing.
